CORPORATE PROFILE

JUMBO Group Limited is a leading Singapore-based food and beverage company renowned for its Singaporean-style live seafood specialities. Since its beginnings in 1987 at the East Coast Seafood Centre, JUMBO has grown from a single seafood restaurant into a diversified multi-brand group recognised for its award-winning Chilli Crab, Signature Black Pepper Crab and convivial dining experiences. Guided by its tagline, “Bonding People Through Food”, JUMBO remains committed to bringing people together through authentic flavours and memorable meals.

The Group’s portfolio comprises a distinct range of brands and concepts, including JUMBO Seafood, NG AH SIO Bak Kut Teh, ZUI Teochew Cuisine, Kok Kee Wonton Noodles, Xing Yue Xuan, and Love, Afare – JUMBO’s lifestyle brand offering packaged sauces, snacks and merchandise. With both company-owned and franchised outlets, JUMBO continues to broaden its reach across Singapore and key international markets. Its flagship brand, JUMBO Seafood, has a presence in the PRC, Thailand and Korea, reinforcing the Group’s position as an ambassador of Singaporean cuisine abroad.

To uphold consistency, quality and operational excellence across its brands, JUMBO operates a Central Kitchen and Research & Development Kitchen that support large-scale production, innovation and process standardisation. These facilities enable the Group to maintain stringent quality controls, develop new menu offerings and enhance culinary efficiency across markets.

Over nearly four decades, JUMBO has built a strong reputation for serving delectable food paired with attentive service, earning numerous accolades from the F&B industry and global media. Since its listing on the Catalist Board of the SGX-ST in 2015, the Group has continued to expand its global footprint through strategic partnerships, franchising initiatives and the introduction of new dining concepts—anchored by its vision to be the leading innovative F&B group advocating Singapore food culture.

STRENGTH IN EVERY STEP

Built on strong foundations and shared values, our brands progress with resilience and confidence over time.

OUR BRANDS

The Big Name in Seafood

Renowned for its Singapore-style seafood cuisine and iconic Award-Winning Chilli Crab

Our name represents the facets of who we are: 星 (xīng) — a homonym for Siangapore's "新" (xīn) and the symbol of a rising star, 粤 (yuè) to honour fine Cantonese cuisine, and 轩 (xuān) to reflect an elevated dining experience.

Cantonese Classics, Artfully Redefined

Inspired by the elegance of tradition and reimagined classics, Xing Yue Xuan brings together the finest flavours of Cantonese cuisine to Singapore's dining scene

Taste of Heritage

Our maiden acquisition in 2010. A brand founded in 1955 and renowned for its savoury, pork-based, peppery Teochew-style soup

A Timeless Comfort

Our first acquired brand post-listing. A brand started in 1985, well-loved by locals for its springy noodles and special lard-based sauce, soup dumplings and crispy wontons

Teochew Gourmet Bowl

A creative concept started in 2019, the quick-service establishment specialises in Teochew 'Pao Fan' – perfectly cooked grains of rice served in flavourful broth, targeting at fast-moving diners who still yearn for delicious quality seafood broth without heading to a restaurant

OUR BRANDS

The Best of JUMBO Flavours

Celebrate the quintessential taste of Singapore cuisine through intricate tasting menus and wine pairing

醉花林品潮轩
CHUI HUAY LIM TEOCHEW CUISINE

醉宇轩经典潮膳
ZUI YU XUAN TEOCHEW CUISINE

The Allure of Classic Hong Kong Flavours

JUMBO brought this popular Hong Kong style “Cha Chaan Teng” brand to Singapore in 2018 via a joint venture with the Tsui Wah group. A symbolic move as Tsui Wah establishes its presence outside the Greater China region

Authentic Teochew Cuisine

Well-known for high-quality, refined iconic Teochew classic dishes with both outlets strategically located within sites of historic significance in Singapore

Love Life, Love Food, Love to Share

Curated to share our love for the best authentic taste and mementos representing Singapore, our fans can now relish our signature flavours at the comfort of their homes, recreate and relive the fond memories forged at JUMBO

Halal Singapore-style Seafood

Our first halal Singapore-style seafood restaurant is located at the Wisma Geylang Serai which is envisioned to be the community civic and cultural centre in the heart of Geylang Serai precinct. Wisma Geylang Serai is a multiagency development that celebrates the heritage of Geylang Serai communities, and encourages social interactions and community bonding among different communities of all ages and races

MESSAGE FROM EXECUTIVE CHAIRMAN AND GROUP CHIEF EXECUTIVE OFFICER

Dear Shareholders,

On behalf of the Board of Directors, we are pleased to present JUMBO Group Limited's Annual Report for the financial year ended 30 September ("FY") 2025. This year's theme, **Cultivating Sustainable Growth, reflects our commitment to nurturing the foundations of the business, strengthening operational capabilities, and investing in initiatives that will support long-term, scalable and resilient growth.** FY2025 was a year of thoughtful consolidation, disciplined execution and strategic development, laying the groundwork for the Group's next phase of expansion.

Year in Review

FY2025 was shaped by a mixed macroeconomic landscape and was a year of deliberate cultivation across the Group. In Singapore, our core brands remained resilient, supported by steady domestic dining demand and consumers' sustained interest in quality, experience-driven meals. While the pace of recovery moderated compared to earlier post-pandemic period, strong brand equity and consistent service standards enabled stable contributions from our home market.

Internationally, economic headwinds—particularly in the PRC—continued to weigh on consumer sentiment. To navigate these conditions, the Group intensified its targeted local marketing efforts and deepened customer engagement initiatives, while maintaining a disciplined focus on cost efficiency, operational productivity and prudent resource allocation. These collective efforts helped stabilise performance and reinforced our market presence.

A notable highlight of the year was the introduction of Xing Yue Xuan, a contemporary Cantonese dining concept that broadens our brand portfolio and reflects our commitment to offering distinctive dining experiences that respond to evolving customer preferences. In parallel, we continued to make progress on our Indonesia development, in line with our measured and focused approach to regional expansion.

FY2025 also saw meaningful progress in reinforcing our operational foundation. Our initiative to consolidate the Group's corporate headquarters, central kitchen and key operational teams into a single purpose-built building advanced steadily. While the project remains in progress, we completed substantial preparatory work—from infrastructure readiness to workflow harmonisation—laying the groundwork for a unified facility that will enhance productivity, collaboration, R&D capabilities and quality control. During the year, the Group also successfully launched its integrated mobile application. The application brings together our JUMBO Rewards programme with key digital touchpoints, supporting deeper customer engagement and convenience in interaction with our brand.

MESSAGE FROM EXECUTIVE CHAIRMAN AND GROUP CHIEF EXECUTIVE OFFICER

Workforce development remained central to our strategy. The JUMBO Academy continued to support talent and skills development across the organisation. Our partnerships—including the MOU with the Institute of Technical Education (ITE) and the Workplace Learning: READY Mark Recognition from NACE@NYP—underscore our long-term commitment to cultivating a future-ready workforce. This commitment was further recognised when JUMBO was named a SkillsFuture Singapore Best Employer (Gold), affirming our efforts in workplace learning and capability building.

Taken together, these initiatives demonstrate the Group's commitment to building sustainable, long-term growth through operational strengthening, thoughtful innovation and continued investment in our people. As we look ahead, we remain focused on enhancing organisational resilience and building a more agile, efficient and future-ready Group.

Financial Highlights

In FY2025, the Group delivered a stable top-line performance despite a challenging operating environment. Revenue stood at S\$190.3 million, a marginal decrease of 0.1% from FY2024, reflecting steady demand even as cost pressures and macroeconomic headwinds intensified.

While revenue remained resilient, profitability was affected by higher operating costs and softer demand in certain regional markets. Profit attributable to shareholders was S\$8.7 million, representing a year-on-year decline of 36.6%.

The Group continued to generate positive operating cash flow, underscoring the strength of its core operations. At the same time, continued investments in expansion initiatives, digital infrastructure and the Group's consolidation project contributed to higher capital and financing outlays, resulting in net cash outflow from financing activities. These investments reflect the Group's long-term focus on bolstering operational capabilities and supporting future growth.

Dividends

The Board is pleased to propose a final dividend of 0.25 cent per share and a special dividend of 0.50 cent per share, bringing the total dividend for FY2025 to 1.25 cents per share. This proposal reflects our commitment to rewarding shareholders for their continued support while balancing the Group's long-term investment priorities.

Going Forward

As we move into FY2026, our key priority is completing the consolidation of our corporate, central kitchen and operational teams into a single integrated facility. This will improve coordination, enhance productivity and provide a solid foundation for the Group's next phase of growth.

In Singapore, we will be introducing JUMBOREE, a new food hall concept that brings together JUMBO's diverse portfolio of brands alongside a curated selection of popular Singaporean hawker favourites under one communal dining space. This concept allows us to showcase the breadth of our culinary offerings while improving operational synergies across brands. In line with this, we will also reintroduce nostalgic favourites such as JPOT, our classic hotpot concept that has been well received by customers in earlier years.

Regionally, the Group will continue to adopt a targeted and selective approach to expansion, focusing on markets where JUMBO's brand strengths and operational capabilities can be deployed effectively. We remain committed to cultivating long-term value through thoughtful capital allocation and strategic execution.

Our digital transformation efforts will continue, with emphasis on strengthening customer engagement, operational visibility and process automation. At the same time, we will continue investing in our people and advancing our sustainability efforts, ensuring that the Group grows responsibly and remains agile in a changing environment.

Acknowledgements

We extend our sincere appreciation to our shareholders, customers, partners and business associates for your trust and continued support. To our dedicated employees across all markets, we thank you for your professionalism, resilience and commitment to excellence. As we cultivate the next stage of JUMBO's growth—bringing our people, capabilities and operations together under one roof—we are confident that the Group is well-positioned to unlock new opportunities and deliver sustainable, long-term value for all stakeholders.

FINANCIAL HIGHLIGHTS

REVIEW OF PERFORMANCE OF THE GROUP

Revenue

Our Group's revenue decreased by 0.4%, or \$0.4 million, from \$93.4 million for the six months ended 30 September ("2H") 2024 to \$93.0 million for 2H2025. On a full year basis, the decrease in revenue in 2H2025 was largely offset by the increase in revenue recorded in the six months ended 31 March ("1H") 2025. As a result, the Group's revenue for FY2025 decreased marginally by 0.1%, or \$0.1 million, from \$190.4 million in FY2024 to \$190.3 million in FY2025.

Revenue from our Singapore operations decreased slightly by 1.0% from \$167.1 million in FY2024 to \$165.4 million in FY2025. Sales across most of our existing outlets softened, reflecting a more competitive dining landscape and a moderation in discretionary dining spend. The incremental contributions from our two new outlets in Singapore helped to partially offset the overall slow down.

The People's Republic of China ("PRC") saw a slight moderation in revenue at \$18.3 million in FY2025 as compared to \$18.9 million in FY2024. This was partly due to the closure of one outlet during the year and the temporary two-month refurbishment of another, which reduced their sales contributions. Excluding these effects, revenue across remaining outlets collectively delivered a slight year-on-year improvement, driven by more targeted local marketing initiatives and stronger customer engagement.

Cost of sales

Cost of sales, which comprised raw materials and consumables, decreased marginally by 0.2%, or \$0.1 million, from \$32.7 million in 2H2024 to \$32.6 million in 2H2025. Cost of sales increased by 1.3%, or \$0.8 million, from \$65.4 million in FY2024 to \$66.2 million in FY2025.

Gross profit

Gross profit decreased by 0.6%, or \$0.4 million, from \$60.7 million in 2H2024 to \$60.3 million in 2H2025. In line with the increase in cost of sales, the gross profit margin decreased from 65.0% in 2H2024 to 64.9% in 2H2025. Gross profit also decreased by 0.8%, or \$1.0 million, from \$125.0 million in FY2024 to \$124.0 million in FY2025. Gross profit margin decreased from 65.7% in FY2024 to 65.2% in FY2025. The decreases were mainly due to the higher level of marketing activities aimed at building brand awareness.

Other income

Other income increased by 6.9% or \$0.2 million, from \$2.9 million in 2H2024 to \$3.1 million in 2H2025. For FY2025, other income also increased by 19.0%, or \$0.8 million, from \$4.2 million in FY2024 to \$5.0 million. Overall, the increase was mainly due to the one-off gains on lease termination and other income items, and partially offset by lower government grants and interest income.

Employee benefits expenses

Employee benefits expenses increased by 3.5%, or \$1.1 million, from \$31.4 million in 2H2024 to \$32.5 million in 2H2025. Overall, employee benefits expenses increased by 2.2%, or \$1.4 million, from \$62.2 million in FY2024 to \$63.6 million in FY2025. These increases were primarily due to the increase in manpower headcount required to support our new business operations, as well as corresponding annual salary adjustments and bonuses.

Operating lease expenses

Operating lease expenses increased by 34.8%, or \$0.8 million, from \$2.3 million in 2H2024 to \$3.1 million in 2H2025. Operating lease expenses also increased by 19.1%, or \$0.9 million, from \$4.7 million in FY2024 to \$5.6 million in FY2025. Operating lease expenses increased mainly because one outlet was renewed on a shorter one year lease term which is accounted for as fixed rental expense instead of right-of-use depreciation and interest.

FINANCIAL HIGHLIGHTS

Utilities

Utilities expenses increased by 8.3%, or \$0.2 million, from \$2.4 million in 2H2024 to \$2.6 million in 2H2025. After accounting for a lower spend in 1H2025, utilities expenses increased by 2.0%, or \$0.1 million, from \$5.0 million in FY2024 to \$5.1 million in FY2025. The increase was mainly attributable to the addition of two new outlets in Singapore and higher utilities usage from the Group's new office, central kitchen and retail premises.

Depreciation and amortisation

Depreciation expenses for property, plant and equipment ("PP&E") decreased by 6.1%, or \$0.2 million, from \$3.3 million in 2H2024 to \$3.1 million in 2H2025. The decrease was mainly due to a number of PP&E items having reached the end of their depreciation cycle. Despite this decrease in depreciation for PP&E, overall, depreciation for PP&E increased by 5.0%, or \$0.3 million, from \$6.0 million in FY2024 to \$6.3 million in FY2025. This was mainly due to the additional PP&E items invested in connection with the new outlets and the Group's expanded operations premises.

Depreciation expenses for right-of-use ("ROU") assets increased by 10.2%, or \$0.6 million, from \$5.9 million in 2H2024 to \$6.5 million in 2H2025. For FY2025, ROU depreciation increased by 13.6%, or \$1.6 million, from \$11.8 million in FY2024 to \$13.4 million in FY2025. The increases were mainly due to additional lease related ROU assets recognised in connection with the new outlets and the Group's expanded operations premises.

Interest expense

Interest expense increased by 75.0%, or \$0.6 million, from \$0.8 million in 2H2024 to \$1.4 million in 2H2025. For FY2025, interest expense increased by 60.0%, or \$0.9 million, from \$1.5 million in FY2024 to \$2.4 million in FY2025. The increases were due to the increase in lease interest expense in connection with the new outlets and the Group's expanded operations premises slightly offset by the decrease in loan interest expense.

JUMBO Premium Outlet @ Resorts World Sentosa, Singapore

FINANCIAL HIGHLIGHTS

Other operating expenses

Other operating expenses, which include cleaning services, repairs and maintenance, credit card and delivery service commissions, general supplies and marketing expenses, increased by 35.6%, or \$3.2 million, from \$9.1 million in 2H2024 to \$12.3 million in 2H2025. For FY2025, other operating expenses increased by 18.8%, or \$3.6 million, from \$18.8 million in FY2024 to \$22.4 million in FY2025. The increase was mainly due to a \$1.2 million loss on disposal of PP&E, higher marketing expenses of \$0.9 million and an increase in general supplies of \$0.4 million.

Share of results of associates

Share of results of associates increased by \$0.5 million, from a loss of \$0.1 million in FY2024 to a gain of \$0.4 million in FY2025. This was mainly due to improved operating performance, with several restaurants under our associated companies turning profitable during the year.

Income tax expense

Income tax expense decreased by 37.3%, or \$1.6 million, from \$4.4 million in FY2024 to \$2.8 million in FY2025, mainly due to decrease in profits from our Group's operations.

Profit attributable to owners of the Company

Profit attributable to the owners of the Company was \$0.7 million for 2H2025, compared to \$4.8 million in 2H2024. Profit attributable to the owners of the Company decreased by 36.6%, or \$5.0 million, from \$13.7 million in FY2024 to \$8.7 million in FY2025.

REVIEW OF THE FINANCIAL POSITION OF THE GROUP

Current assets

The Group's current assets decreased by \$7.1 million to \$60.3 million as at 30 September 2025, largely due to:

- i. a decrease of cash and cash equivalents of \$8.8 million;
- ii. a decrease in other investments of \$0.8 million; and partially offset by
- iii. an increase in trade and other receivables of \$1.5 million mainly due to advance payments made to contractors for ongoing projects which will be capitalised as part of PP&E upon completion; and

Xing Yue Xuan @ Resorts World Sentosa, Singapore

FINANCIAL HIGHLIGHTS

- iv. an increase in inventories of \$1.2 million mainly due to higher stock levels required for the two newly opened outlets and to anticipate upcoming operational needs.

Non-current assets

The Group's non-current assets increased by \$32.5 million to \$86.9 million as at 30 September 2025, largely due to:

- i. an increase in ROU of \$28.6 million mainly due to the new long term leases for the Group's new office, central kitchen and retail spaces;
- ii. an increase in PP&E of \$3.1 million due to the new outlets and the Group's expanded operations premises;
- iii. an increase in deferred tax assets of \$1.0 million; partially offset by
- iv. a decrease in investment in associates of \$0.2 million primarily due to the disposal of investments in associates, namely Singapore Seafood Republic Pte. Ltd., SSR Sentosa Pte. Ltd., and share of losses in JBHG F&B Services (Wuhan) Co. Ltd., resulting in a decrease of \$0.4 million. This was partially offset by a \$0.3 million dividend from Seafood Republic Pte. Ltd. and a share of profit from Vista F&B Pte. Ltd. of \$0.8 million; and
- v. a decrease in intangible assets of \$0.1 million, mainly due to the impairment of intangible assets in Taiwan.

Current liabilities

The Group's current liabilities decreased by \$5.9 million to \$45.8 million as at 30 September 2025 mainly due to:

- i. a decrease in trade and other payables of \$1.0 million attributable to payments to suppliers as well as payment of employee-related expenses;
- ii. a decrease in lease liabilities of \$2.7 million primarily due to the repayment of lease obligations;
- iii. a decrease in bank borrowings of \$1.9 million due to repayment of bank loans;
- iv. a decrease in income tax payable of \$1.2 million mainly due to lower profits from our Singapore operations; and partially offset by
- v. an increase in provision for reinstatement costs from the new outlets and the Group's expanded operations premises.

Non-current liabilities

The Group's non-current liabilities increased by \$29.9 million to \$48.3 million as at 30 September 2025 mainly due to:

- i. an increase in lease liabilities of \$32.8 million from the leases of the new outlets and the Group's expanded operations premises;
- ii. an increase in deferred tax liability of \$0.4 million; and partially offset by
- iii. a decrease in bank borrowings \$3.3 million due to repayment of bank loans.

REVIEW OF THE CASH FLOW STATEMENT OF THE GROUP

The Group generated operating profit before movements in working capital of \$31.5 million as at 30 September 2025. Cash generated from operations amounted to \$28.5 million due to an increase in inventories of \$1.2 million, a decrease in trade and other receivables of \$0.1 million and a decrease in trade and other payables of \$1.9 million. Including the \$0.5 million interest income received, offset by payment of interest paid of \$2.4 million and income tax of \$4.6 million, net cash generated from operating activities was \$22.1 million as at 30 September 2025.

Net cash used in investing activities for FY2025 amounted to \$8.7 million mainly due to:

- i. acquisition of PP&E of \$10.2 million, mainly due to the additional PP&E items invested in connection with the new outlets and the Group's expanded operations premises;
- ii. acquisitions of other investments of \$1.9 million; and partially offset by
- iii. proceeds from disposal of other investments and investments in an associate of \$3.1 million.

Net cash used in financing activities for FY2025 amounted to \$22.1 million was mainly from the repayment of lease obligations of \$10.7 million, repayment of bank borrowings of \$5.2 million, dividends paid to owners of the Company and non-controlling interest of \$6.0 million and purchases of treasury shares of \$0.4 million.

As a result, cash and cash equivalents decreased by \$8.8 million during the financial year to \$37.5 million as at 30 September 2025.

BOARD OF DIRECTORS

Mr. Ang Kiam Meng

**Executive Chairman
and Group CEO**

Mr. Ang Kiam Meng is our Executive Chairman and Group CEO. He was appointed to our Board on 4 February 2015 and was last re-elected on 31 January 2023. Mr. Ang has been serving with our Group for over 30 years. Since joining the Group in 1993, he has led its transformation from a single seafood restaurant into a multi-brand food & beverage group with a strong regional footprint. He leads the Group's strategic direction, oversees operations, and drives both domestic and international growth.

He has been, and continues to be, instrumental to our Group's continued success and growth. He is responsible for, *inter alia*, setting and executing our Group's vision, mission, core values and goals, driving the operational efficiency of our Group's work processes, monitoring the development and performance of our Group's business and identifying new opportunities for our Group's expansion domestically and internationally. Prior to joining our Group, Mr. Ang worked with Singapore Technologies Electronics Limited (formerly known as Singapore Electronic & Engineering Limited) from 1986 to 1993, holding various positions such as Software Engineer and Product Manager.

Mr. Ang is active in public and community service. He was conferred the Public Service Medal (Pingat Bakti Masyarakat, PBM) in 2025. He currently serves as Patron of MacPherson CCC. Mr. Ang also serves as Chairman of the Commerce & Industry Committee and Council Member at the Singapore Chinese Chamber of Commerce & Industry, as well as Honorary Advisor to the Restaurant Association of Singapore. Mr. Ang is currently a board director of the Chinese Development Assistance Council, Business China and Nam Hwa Opera Limited, and a Member of the Board of Governors at Hwa Chong Institution.

Mr. Ang obtained a Graduate Diploma in Business Administration from the Singapore Institute of Management in 1991 and graduated with a Bachelor of Arts (majoring in Computer Science) from the University of Texas at Austin (USA) in 1985.

**Mrs. Christina
Kong Chwee Huan**

**Executive Director
and Group COO**

Mrs. Christina Kong Chwee Huan is our Executive Director and Group COO. She was appointed to our Board on 22 October 2015 and was last re-elected on 24 January 2025.

Since rejoining our Group in 2008 as Manager of Human Resource and Corporate Affairs, Mrs. Kong has played a pivotal role in overseeing the Group's operations, human resource and learning and development divisions until early 2023. Leveraging on her extensive experience, Mrs. Kong was promoted to Group COO on 13 February 2023. In her current capacity, she oversees our Group's operations and marketing divisions, taking charge of aligning and executing marketing strategies to maximize the potential of our brands. Mrs. Kong maintains a close collaboration with the Human Resource Director to ensure the fulfilment of our operational human resource requirements.

Mrs. Kong joined our Group as a purchasing executive from 1993 to 1994. Between 1995 and 2000, she provided educational services, before joining the Ministry of Education as a teacher from 2001 to 2007. Mrs. Kong obtained a Postgraduate Diploma in Education from the Nanyang Technological University in 2004 and graduated with a Bachelor of Science from the University of Birmingham (United Kingdom) in 1991. She also obtained a Human Resource Graduate Certification from the Singapore Management University in 2014.

BOARD OF DIRECTORS

Dr. Tan Khee Giap

**Lead
Independent
Director**

Dr. Tan Khee Giap was appointed as our Independent Director on 2 December 2024 and was last re-elected on 24 January 2025. Dr. Tan was appointed as our Lead Independent Director on 18 February 2025.

He currently serves as the Chairman of the Singapore National Committee for Pacific Economic Cooperation (SINCPEC) and has over 30 years of experience in economics, finance, and public policy. Dr. Tan earned his PhD from the University of East Anglia, England, and began his career in banking as a treasury manager. He later transitioned to academia, teaching at the National University of Singapore (NUS) and serving as Associate Professor and Co-Director of the Asia Competitiveness Institute at the Lee Kuan Yew School of Public Policy, NUS, until 2022. Since 2023, he was appointed as Research Advisor at Executive Education, Lee Kuan Yew School of Public Policy, NUS.

Dr. Tan has consulted extensively for Singapore government ministries, including the Ministry of Finance, Ministry of Trade & Industry, and Economic Development Board, as well as international organizations such as the Asian Development Bank and World Bank Group.

Dr. Tan is currently an Independent Director of the publicly listed Boustead Singapore Limited, mm2 Asia Ltd, Deziign Format Group Limited, Comba Telecom Systems Holdings Limited and non-publicly listed BreadTalk Group Pte. Ltd. He is also Senior Business Advisor to United Overseas Bank Limited, Singapore. In 2023, Dr. Tan was appointed for a period of three years as an Advisor to Greater Bay Area-ASEAN Research Center at Shenzhen University, China. He was also Senior Business Advisor to G.H.Y. Culture & Media (Singapore) Pte. Ltd. and was an Independent Director at the state-owned Chengdu Rural Commercial Bank Co., Ltd, China.

Mr. Seah Hai Yang

**Independent
Director**

Mr. Seah Hai Yang was appointed as our Independent Director on 28 February 2024 and was last re-elected on 24 January 2025.

Mr. Seah is a chartered accountant with over 30 years of experience in both public and private companies in a wide range of industries covering manufacturing, construction and engineering, trading and distribution, printing in both MNCs and SMEs. He is a co-founder and director of Raintree Corporate Services Pte Ltd and Van Der Broeck's Consultancy Pte Ltd (voluntary struck off), both of which are specialist providers of corporate secretarial and listing compliance services and consultancy, with focus on providing advisory and corporate support services to listed companies and aspiring public companies.

Mr. Seah is conversant with the IPO process, Listing Rules compliance and Code of Corporate Governance matters, having been involved in successful IPO exercises, serving as Company Secretary for several listed companies and being an independent director as well. He was the Chief Financial Officer cum Company Secretary with Mun Siong Engineering Limited (listed on the SGX Mainboard) from 2013 to 2017 and the Head of Corporate Advisory with RHT Corporate Advisory Pte Ltd (a professional services provider) from 2017 to 2019.

Mr. Seah graduated from the National University of Singapore (NUS) with a Bachelor's degree in Accountancy and is a fellow with the Institute of Singapore Chartered Accountants (ISCA). He is a member and Senior Accredited Director with the Singapore Institute of Directors (SID). He is also an Independent Director of Mun Siong Engineering Limited.

BOARD OF DIRECTORS

Mr. Chan Hock Keng

**Independent
Director**

Mr. Chan Hock Keng was appointed as our Independent Director on 18 February 2025. Mr. Chan is a partner of Wong Partnership LLP and heads its Commercial & Corporate Disputes Practice. He obtained his law degree from the University of Bristol in 1992 where he graduated top of his class with first class honours and was awarded the Sweet & Maxwell Law Prize. He started his legal career in 1993 in the Supreme Court as a justices' law clerk for the judges of the Court of Appeal and entered private practice in 1994 as a litigation and arbitration lawyer. He is also the independent director of Sitra Holdings (International) Limited.

Mr. Chan is Honorary Legal Adviser to the Singapore Medical Association, a panel member of the Disciplinary Tribunal appointed by the Chief Justice to hear complaints against lawyers. He is also an Honorary Council Member of the Singapore Chinese Chamber of Commerce & Industry.

**Ms. Sim Yu Juan
Rachel**

**Non-Executive
Director**

Ms. Sim Yu Juan Rachel was appointed as our Non-Executive Director on 17 February 2020 and was last re-elected on 31 January 2023. She was previously our Alternate Director to Mr. Ron Sim Chye Hock when he was a Non-Executive Director of our Company.

Ms. Sim is currently Deputy Managing Director at TWG Tea Co Pte Ltd ("**TWG Tea**"). She is responsible for overseeing business objectives, focusing on corporate communications, digital expansion, strategic growth and overall performance of the TWG Tea business.

Prior to her current role, Ms. Sim headed the global marketing team at TWG Tea. She helped raise its international brand profile through strategic partnerships and driving the company's global marketing strategy. She managed the TWG Tea brand's portfolio of digital marketplace brand stores and was responsible for driving growth in third party online channels. She joined the global marketing team in September 2014 as a marketing executive focusing on developing partnership and advertising campaigns.

Between November 2012 and September 2014, Ms. Sim was part of the local sales team of TWG Tea managing corporate accounts and was part of the regional sales team (North Asia) assisting with opening of new stores in Taiwan and PRC including overseeing sales in the Hong Kong market. Ms. Sim continues to support the growing North Asia team through her current role.

Mr. Tan Yeow Meng, Stanley

Group Senior Financial Controller

Mr. Tan Yeow Meng, Stanley was appointed as Senior Financial Controller in December 2022 and was subsequently appointed as Group Senior Financial Controller in January 2024. He is responsible for the overall finance functions and accounting matters of our Group, including the implementation of internal controls and monitoring and reporting on our Group's financial performance and overseeing the preparation of accounts and financial statements of our Group.

Mr. Tan has over 23 years of experience in accounting, audit and finance. Prior to joining our Group, he served as the Financial Controller at Imperial Treasure Restaurant Group Pte Ltd, a F&B group operating fine dining restaurants, from February 2016 to November 2022. Preceding this role, Mr. Tan served as the Group Financial Controller of Breadtalk Group Ltd, a former Main Board-listed company on the SGX-ST, from October 2011 to January 2016. His earlier tenure includes serving as the Senior Finance Manager at Excelpoint Technology Ltd, a former Main Board-listed company on the SGX-ST, from June 2007 to September 2011.

Mr. Tan graduated with a Bachelor of Business in Accountancy from RMIT University, Australia and he is a Certified Practising Accountant (CPA) of CPA Australia.

CORPORATE SOCIAL RESPONSIBILITY

JUMBO Group Limited (“**JUMBO**”) is committed to conducting its business responsibly while contributing positively to the communities in which it operates. In 2025, JUMBO’s corporate social responsibility initiatives focused on community support, educational engagement and philanthropic contributions. These efforts are guided by the Group’s belief that long-term business sustainability is closely linked to the well-being of the wider community.

Community Outreach Programme

In June 2025, JUMBO organised a volunteer activity at The Society for the Aged Sick, where employees spent meaningful time with senior residents through birthday celebrations, games and interactive sessions. This initiative aimed to provide companionship and emotional support to the elderly, while fostering a spirit of care, empathy and volunteerism among employees. Employee participation in such activities also helps to strengthen internal engagement and reinforce shared values across the organisation.

JUMBO Academy Learning Journey

Through the JUMBO Academy, the Group hosted learning journeys for students from various local secondary schools as part of JUMBO’s ongoing commitment to the development of the food and beverage (“**F&B**”) workforce. These sessions provided students with practical exposure to

the F&B industry through hands-on activities such as learning portioning techniques, creative napkin folding and informal sharing over light refreshments. Beyond skills exposure, the programme seeks to foster curiosity and teamwork among students, while offering early insights into potential career pathways within the hospitality sector and supporting the long-term sustainability of the industry.

Giving Back to the Community

During the year, JUMBO provided financial and in-kind support to a broad range of charitable, community, cultural and social organisations. These contributions supported initiatives benefiting the elderly, children from underprivileged or challenging backgrounds, healthcare-related causes and community welfare programmes, as well as sports and cultural events. The Group adopts a considered approach to giving, directing its support towards initiatives that align with community needs and deliver meaningful social outcomes.

Looking Ahead

JUMBO remains committed to integrating social responsibility into its business practices. The Group will continue to support community initiatives and contribute positively to society, while pursuing sustainable and balanced growth alongside the communities it serves.

SUSTAINABILITY REPORT

REPORTING PERIOD AND FRAMEWORK

JUMBO is pleased to present our sustainability report (“**SR**”) for FY2025.

This SR has been prepared with reference to the internationally recognised Global Reporting Initiative (“**GRI**”) Sustainability Reporting Standards, including its latest Universal Standards in 2021, and guided by the Task Force on Climate-related Financial Disclosures (“**TCFD**”) framework. Our approach to accounting for our Greenhouse Gas (GHG) emissions is aligned with the operational control approach under the GHG Protocol.

This SR complies with the Rules 711A and 711B of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) Listing Manual Section B: Rules of Catalist (“**Catalist Rules**”), including the SGX-ST’s “Comply or Explain” requirements for sustainability reporting, encompassing the 6 primary components of report content.

We have also drawn upon the United Nations Sustainable Development Goals (“**UN SDGs**”) for guidance. We have chosen to adopt the GRI Standards because it is a universally recognised framework for sustainability reporting, as recommended by the SGX-ST and represent the global best practices for reporting on economic, environmental, and social impacts.

We have employed the following principles to guide the documentation of our SR and to ensure the quality of information: Accuracy, Balance, Clarity, Comparability, Completeness, Sustainability Context, Timeliness and Verifiability.

To enhance comparability, these material topics have been determined by benchmarking against selected organisations in the industry.

ABOUT THIS SR

Reporting Scope

This SR covers the sustainability performance of JUMBO’s central kitchen operations and all outlets directly under JUMBO Group of Restaurants Pte Ltd in Singapore, with the exceptions of:

1. Lau Lim Mee Pok; operated under a joint venture
2. Tsui Wah outlets in The Heeren, Jem, Jewel Changi Airport, Clarke Quay Central and The Cathay; operated under a franchise agreement
3. Mutiara Seafood; operated under a joint venture

Restatements

There are no restatements of information made from the previous reporting period.

Assurance

JUMBO has relied on internal data monitoring and verification to ensure the accuracy of the data disclosed in this SR. Additionally, we have included the internal review of the sustainability reporting process within our annual internal audit review cycle. JUMBO has not obtained external assurance for this SR.

We are constantly seeking to improve our sustainability practices and reports. Please direct any further questions and feedback on this SR to sustainability@jumbogroup.com.sg.

SUSTAINABILITY REPORT

SUSTAINABILITY STRATEGY OVERVIEW

Strategic Focus Area

 <p>Our Vision</p>	To be the leading innovative F&B group advocating Singapore food culture
<p>Our Mission</p>	To provide quality food and services at great value in a comfortable and friendly environment
<p>Our Values</p>	PRIDE - Passion, Respect, Integrity, Diligence, Excellence
<p>Our Philosophy</p>	Bonding people through food

Guided by the JUMBO’s longstanding Vision, Mission, Values and Philosophy, we have established our sustainability strategy and priorities. As one of the leaders in Singapore’s F&B industry, we place a strong emphasis on people-centric principles, prioritising the satisfaction and safety of both internal and external stakeholders. Our commitment to social and governance principles serves as the foundation for JUMBO to achieve sustainable and responsible business outcomes. This commitment is reflected in the following 6 focus areas, which the management team has identified as key material ESG aspects.

Focus Area 1: Upholding Good Governance

At JUMBO, good governance is fundamental to all our operations. We prioritise transparency, ethical conduct and accountability across our business activities. This commitment to governance ensures that we maintain the trust of our stakeholders and adhere to the highest standards of integrity.

Focus Area 2: Focusing on Customers

Customer satisfaction is at the heart of everything we do. We continuously strive to exceed customer expectations by offering exceptional dining experiences, reviewing and responding to their feedback, and tailoring our products and services to meet their needs.

Focus Area 3: Caring for Our People

Our employees are our greatest assets and play an invaluable role within our organisation. We are dedicated to providing a safe, inclusive, and rewarding workplace where they can thrive. We invest in their training, development, and well-being, fostering a culture of teamwork, respect, and professional growth.

Focus Area 4: Protecting the Environment

Environmental stewardship is a core value at JUMBO. We are committed to minimising our environmental footprint by adopting sustainable practices, reducing waste, and conserving resources. We take proactive measures to protect the biodiversity of the ecosystems we operate in.

Focus Area 5: Building Climate Resiliency

Climate change poses significant challenges to our business. We are actively working to enhance our climate resiliency by identifying and mitigating climate-related risks and opportunities. We strive to adapt to changing climate conditions while reducing our carbon footprint.

Focus Area 6: Contributing to the Community

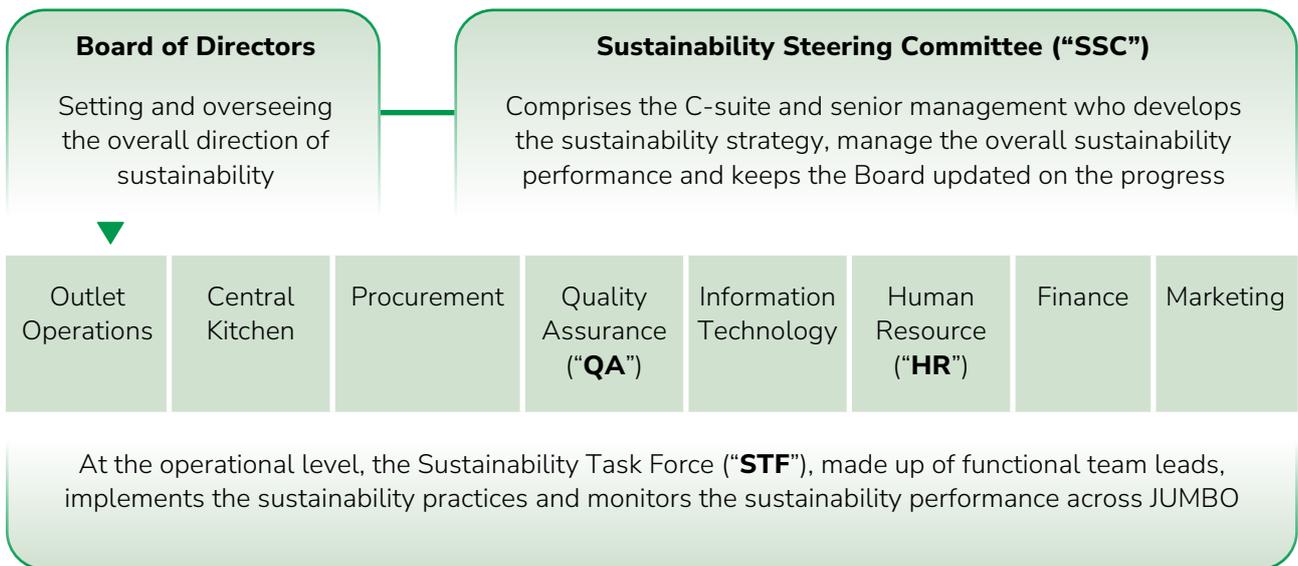

Embracing the principle of “取之社会, 用之社会”, we emphasise our harmonious coexistence within the broader society. As a socially responsible organisation, we actively explore avenues for giving back to society through our corporate social responsibility (“CSR”) initiatives. We practice good corporate citizenship and are committed to reciprocating the support of our stakeholders in our business growth. Our goal is to create a positive social impact through various philanthropic and goodwill projects.

SUSTAINABILITY REPORT

Governance Structure and Board Statement

We have established a nimble and adaptable sustainability governance structure where the highest governance body, being the Board, is responsible for reviewing and approving the reported information in this SR.

The management team monitors and reviews our material ESG factors to ensure their relevance in FY2025. The management team also closely engages with various stakeholders, organisational and external influences and concluded that the appropriate ESG factors identified in FY2024 remain suitable for FY2025.

Board Statement

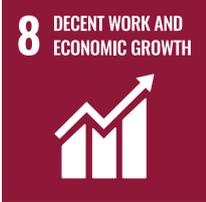

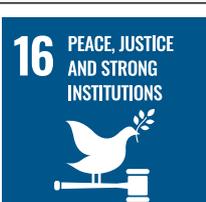

The Board acknowledges the significant role of environmental, social and governance ("**ESG**") considerations in its business and strategy development. The Board is responsible for reviewing the material ESG factors identified by the management team as well as overseeing the establishment of roles, responsibilities and targets supporting sustainability.

We support the recommendations proposed by the management team and continue to provide oversight to the SSC in monitoring material ESG factors. This will allow us to continually stay resilient in the evolving environment and manage sustainability issues.

The Board wishes to express our gratitude to all our stakeholders, including our shareholders, business partners, customers and employees, for their unwavering support during these challenging times. We will continue to closely engage with our stakeholders through various platforms and share more developments on our sustainability journey in our next SR.

SUSTAINABILITY REPORT

Contribution to the UN SDGs

Relevant UN SDGs	JUMBO's Contribution	Relevant Focus Areas
 <p>8 DECENT WORK AND ECONOMIC GROWTH</p>	<p>Goal 8: Decent Work and Economic Growth</p>	<p>Provide a safe working environment for our employees and ensure employees are provided entitled rights and benefits</p> <p>Caring for Our People</p>
 <p>10 REDUCED INEQUALITIES</p>	<p>Goal 10: Reduced Inequalities</p>	<p>Provide equal opportunities to current and potential employees</p> <p>Caring for Our People Contributing to the Community</p>
 <p>12 RESPONSIBLE CONSUMPTION AND PRODUCTION</p>	<p>Goal 12: Responsible Consumption and Production</p>	<p>Reduce the generation of food waste. Monitor water, electricity and fuel consumption and promote sustainable practices in our operations</p> <p>Protecting the Environment</p>
 <p>13 CLIMATE ACTION</p>	<p>Goal 13: Climate Action</p>	<p>Enhance resilience and adaptability to climate risks by integrating climate change measures into business strategies and planning</p> <p>Building Climate Resiliency</p>

SUSTAINABILITY REPORT

MATERIAL ESG FACTORS

Taking into account the interests, concerns and needs of both internal and external stakeholders, JUMBO has applied the following processes to identify the most relevant material topics to our business and stakeholders.

From our materiality assessment, we have determined that the ESG factors, as indicated in the table below, are material to our operations. Our disclosures made in this report refer to the following GRI Standards and Topic Standards disclosures.

In FY2025, we have identified the same material topics as in the previous year and prioritised them based on the results of the materiality survey. The materiality matrix below presents the focus areas positioned on a double materiality scale, reflecting the outcome of the survey.

IMPACT MATERIALITY	Highly Critical			- Upholding Good Governance - Focusing on Customers
	Critical		- Caring for our People	
	Moderate	- Building Climate Resiliency - Contributing to the Community	- Protecting the Environment	
		Moderate	Critical	Highly Critical
		FINANCIAL MATERIALITY		

SUSTAINABILITY REPORT

Below is a summary of the Focus Area, Material ESG Factors, as well as their corresponding GRI Standard and Topic Standards Disclosures.

Material Topics	Relevant GRI Topics
 Upholding Good Governance	<ul style="list-style-type: none">• Regulatory Compliance• Supply Chain Management• Data Protection• Anti-Corruption
 Focusing on Customers	<ul style="list-style-type: none">• Product Quality and Safety• Customer Engagement• Marketing and Labelling
 Caring for our People	<ul style="list-style-type: none">• Learning and Development• Workplace Health and Safety• Diversity and Equal Opportunity• Employee and Talent Retention
 Protecting the Environment	<ul style="list-style-type: none">• Water and Effluents• Waste Management• Materials• Biodiversity
 Building Climate Resiliency	<ul style="list-style-type: none">• Energy and Emissions• Climate-related risks and opportunities (Economic Performance)
 Contributing to the Community	<ul style="list-style-type: none">• Local Communities

SUSTAINABILITY REPORT

ESG PERFORMANCE HIGHLIGHTS

Upholding Good Governance	<ul style="list-style-type: none">• Zero incidents of non-compliance with laws and regulations• Zero incidents of corruption
Focusing on Customer	<ul style="list-style-type: none">• Achieved Hazard Analysis and Critical Control Point (“HACCP”) certification for nine full-service outlets and central kitchen• Maintained ISO 22000 certification for central kitchen• Zero incidents of suspension by the Singapore Food Agency (“SFA”) due to non-compliance of its regulations• Zero substantiated complaints concerning breach of customer privacy or loss of customer data
Caring for Our People	<ul style="list-style-type: none">• Provided a diverse range of training and career development programmes for our employees• The average training hours per employee for FY2025 was 10.38 hours• Enhancement of the digital eLearning platform and expanded course development of existing and new courses• Launched JUMBO academy, a Registered Training Provider with Workforce Singapore and SkillsFuture Singapore• A total of 74 JUMBO employees were honoured with the prestigious 2025 Excellent Service Award from the Restaurant Association of Singapore<ul style="list-style-type: none">o Silver Award – 46 employees, Gold Award –20 Employees, Star Award – 8 employees• Mandatory Workplace Safety and Health training was rolled out for all operations staff, with a total of 287 employees trained. There were zero workplace fatalities and high-consequence injuries reported
Protecting the Environment	<ul style="list-style-type: none">• Achieved a 3% increase in takeaway packaging utilising paper or biodegradable materials

SUSTAINABILITY REPORT

FOCUS AREA 1: UPHOLDING GOOD GOVERNANCE

At JUMBO, strong governance is fundamental to our operations. We prioritise transparency, ethical conduct, and accountability in all aspects of our business. By integrating these values into our corporate culture, we strive to create a responsible and sustainable business that positively impacts our community and industry.

Regulatory Compliance

JUMBO complies with the relevant laws and regulations that apply to the organisation. JUMBO is subjected to stringent regulations from the SFA to ensure food safety for customers and the MOM for employee health and safety. The laws and regulations that are applicable to JUMBO include, among others, the Code of Corporate Governance 2018, the Catalist Rules, the Companies Act 1967 of Singapore and the Securities and Futures Act 2001 of Singapore. We regularly receive updates on relevant policies from our secretarial firm and financial auditors on new regulations.

In FY2025, there were zero incidents of non-compliance with environmental and socioeconomic laws and regulations.

Customer Data Protection

JUMBO recognises the significance of safeguarding personal data entrusted to us by our customers and aims to fully comply with the Personal Data Protection Act 2012 (“**PDPA**”). Customer information is collected when they sign up for the JUMBO Rewards Program or make dining reservations. We ensure the responsible and secure use of this information by regularly updating and enhancing our IT infrastructure. Rolled out in FY2023, an online course was developed by JUMBO - JADM_02.1 Personal Data Protection Act, to train employees on proper personal data handling. Employees are mandated to complete this course on a yearly basis. Additionally, all new employees are to attend JADM_02.2 Anti-Corruption training within 3 months of joining JUMBO.

JUMBO maintains a well-established internal policy that oversees the collection, storage, usage, processing, and disclosure of personal data, with regular updates to align with current data protection regulations. Comprehensive information security training is provided to relevant employees to ensure proper data handling practices. Our IT security is fortified with next-generation antivirus protection, two-factor authentication, and a robust intrusion prevention system to counter cyber threats.

Our IT security infrastructure undergoes continuous review and enhancement to mitigate the impact of cyberattacks, and our selection of external IT vendors adheres to strict internal quality requirements.

Amazon Web Services (AWS) is our selected hosting platform for the SAP ERP system, benefiting from AWS’s secure infrastructure and compliance audits. Email security is a paramount concern, and we plan to explore AI-driven email security platforms to enhance threat detection and remediation within our email system, considering the evolving sophistication of cyber threats.

In addition, JUMBO continues to conduct monthly simulated “Phishing Campaigns” to educate employees and identify those who may be more susceptible to phishing attempts. Implemented in FY2024, the results from these campaigns are shared during the monthly Heads of Department (HOD) meetings to ensure appropriate follow-up actions are taken. This helps to raise awareness and allows for targeted training, if necessary. Online cybersecurity awareness training is scheduled to take place in the final quarter of the calendar year through an online platform. This will allow employees to be trained and equipped with the knowledge to identify and avoid cybersecurity risks.

SUSTAINABILITY REPORT

In FY2024, JUMBO was targeted and involved in a ransomware attack. An external cybersecurity consultant was engaged to investigate the root cause and the impact of the incident. Based on the findings report, there were no signs of successful data exfiltration. Following this incident, JUMBO has further enhanced our cybersecurity posture by tightening our firewall policies, implementing multi-factor authentication (“MFA”) for all internal virtual private network (“VPN”) access. JUMBO has also engaged a Security Operation Center (“SOC”) solution to monitor, detect, prevent and respond to cyber threats around the clock. In FY2025, we received zero complaints concerning breaches of customer privacy, and there were zero cases of leaks, thefts or loss of customer data.

Anti-corruption

JUMBO is committed to upholding the standards of ethics and integrity, ensuring strict compliance from both our employees and suppliers with all relevant regulations.

We uphold a zero-tolerance policy against any forms of bribery and corruption. Upon joining JUMBO, the Board members are made aware of our anti-corruption policies. All employees are required to acknowledge our anti-corruption policies during their onboarding process and complete an annual declaration to comply with our internal code of conduct. Additionally, the Board and JUMBO employees are required to disclose any vested interests. In adherence to our anti-corruption policies, suppliers are required to fulfil a Deed of Undertaking upon onboarding and re-execute it once every three years as part of the review process. This document serves as a commitment from suppliers to refrain from engaging in any corrupt practices involving our employees or any related entities.

Our anti-corruption policy covers all of our operations. In FY2025, JUMBO reported zero confirmed incidents of corruption. Accordingly, there were no cases of employees dismissed or disciplined for corruption and no termination of relationships with business partners on the grounds of corruption. There were also no public legal cases regarding corruption that were brought against the JUMBO or its employees in FY2025.

In FY2025, 100% of JUMBO employees have been informed about the PDPA and anti-corruption eLearning training, and the training has been successfully carried out. JUMBO has established a whistle-blowing channel that is accessible to all employees to report any possible incidents of fraud, bribery or other ethics-related matters. In FY2025, one whistleblowing incident was reported through the established channels. The matter involved exploitation of the company’s loyalty rewards system for personal advantage, including redemption of items for personal consumption. Following an internal investigation by Management and the Audit Committee, appropriate disciplinary actions were taken, and the case was resolved and closed.

In addition, we take workplace grievances seriously, and the grievance mechanism has been communicated to our employees during onboarding and posters are put up at all our outlets’ notice boards. Employees can raise concerns or report biases or discrimination in the workplace without fear of reprisal. Clear guidelines for managing employee grievances of employees are established, and any reported cases will be handled in confidence and investigated thoroughly. In FY2025, there were no such grievance cases reported.

Supply Chain Management

At JUMBO, we take pride in the quality of our food and strive to utilise only the highest quality ingredients in our restaurants. Rigorous quality control standards are integral to our operations, and we continually assess and evaluate our suppliers. This ensures the reliability of our suppliers and that the ingredients we use are of high quality, safe for consumption, and responsibly sourced.

SUSTAINABILITY REPORT

We have established an internal procurement manual which emphasises the importance of working with reputable and trustworthy suppliers. This manual dictates clear guidelines for procuring premium quality products at the most competitive prices. Stringent controls are implemented to verify that suppliers are ISO, HACCP or Good Manufacturing Practice¹ (“**GMP**”) certified. JUMBO acknowledges that with seafood being one of the primary ingredients we procure for our restaurant outlets, we prioritise the procurement of products which are environmentally friendly, wherever possible. For instance, we strive to work with seafood suppliers with the Marine Stewardship Council² (“**MSC**”) certifications. In addition, all our takeaway carrier bags are made from biodegradable materials.

JUMBO evaluates all new vendors based on their quality, food safety, reliability, and cost efficiency. To become a JUMBO supplier, suppliers are required to:

1. Disclose if they have any quality assurance program in place for food safety and traceability of raw materials
2. Provide relevant licenses and certifications, such as ISO certification, HACCP certification and GMP certification
3. Declare if their food products contain any allergens and additives
4. Allow JUMBO’s QA and Procurement teams to conduct site audits
5. Supply green and environmentally friendly products, such as non-genetically modified organism food products

All suppliers³ undergo an annual review to ensure the consistent maintenance of high standards throughout the year, and all new suppliers are subject to the same evaluation standards as current suppliers.

In addition, our outlets and central kitchen employees also perform quarterly pulse checks⁴ and provide their feedback on these top suppliers, in terms of quality, fulfilment and service. This process allows our procurement team to promptly rectify any critical shortfall in performance. Our QA team also conducts audits on suppliers. This audit includes areas related to hygiene, food handling processes, licenses and regulatory compliance. This audit process, coupled with our supplier evaluations, provides an additional assurance that our suppliers are in line with JUMBO’s food safety and hygiene standards. If any supplier is deemed to be unsatisfactory based on follow-up inspections, JUMBO will review the partnership.

At all outlets, our employees are mandated to conduct regular inspections on all incoming goods⁵ according to the standards and requirements set by our QA department. Our key inspection points include the condition of packaging and the temperature of our products at the time of delivery. Employees are explicitly instructed to reject at the point of delivery and/or request replacements should there be any quality or safety issues identified.

¹ GMP is a system enacted by the US Food and Drug Administration under the authority of the Federal Food, Drug, and Cosmetic Act to ensure products are produced and controlled according to quality standards.

² MSC certification is a way of showing that a fishery meets international best practice for sustainable fishing.

³ Applicable to suppliers of food and direct food contact products.

⁴ Pulse checks are informal supplier audits which can identify potential issues.

⁵ Applicable only to food ingredients.

SUSTAINABILITY REPORT

The procurement team uses business intelligence dashboards, thereby enhancing our accessibility to the extensive data stored in our enterprise resource planning (“ERP”) system. This system streamlines data analysis, allowing our employees to monitor supplier price trends, analyse outlet demand, identify saving opportunities and track various other key performance indicators.

Category of Raw Ingredients	Top Suppliers	Location of Suppliers	% of Supply over Total Purchase of Raw Ingredients Category
Live Seafood	#1	SG	25%
	#2	SG	14%

Supply Chain Management (Environmental and Social)	By FY2027, assess the top 50 key suppliers on ESG standards and address all material negative impacts		●	

SUSTAINABILITY REPORT

FOCUS AREA 2: FOCUSING ON CUSTOMERS

At JUMBO, our customers are at the core of our mission. We are dedicated to delivering exceptional experiences that meet their diverse needs and aspirations. Our customers' feedback and participation are vital as we strive to enhance our offerings and foster a more responsible future together.

Product Quality and Safety

JUMBO takes pride in the quality and safety of the food we serve to our customers and our products we sell. A strict quality control system has been built and is kept up to date by our committed QA department. This guarantees the safety and freshness of the food we provide to our customers, while also maintaining the highest possible quality.

Our food safety management systems, implemented across all our outlets and central kitchens, are in alignment with HACCP principles. These principles help us in formulating plans that keep our food safe from physical food safety hazards. Nine of our outlets, which fall under JUMBO Signatures, JUMBO Seafood and ZUI Teochew Cuisine, hold HACCP⁶ Certification, while our central kitchen is certified for both HACCP and ISO22000⁷. Outlets under NG AH SIO Bak Kut Teh ("**NASBKT**"), CHAO TING Pao Fan and KOK KEE Wonton Noodle, although not HACCP certified due to their quick-service casual brand status, consistently adhere to food safety management systems in accordance with the HACCP framework.

Our outlets are subject to regular inspection by the SFA for overall hygiene, cleanliness, and housekeeping standards⁸. In FY2025, none of our outlets received demerit points from the SFA.

As part of our commitment to food safety, all operations staff involved in food preparation are required, in accordance with government regulations, to hold a valid WSQ Food Safety and Hygiene Level 1 Certification. Staff without this certification must attend the training and pass the assessment conducted by JUMBO Academy, an SSG-registered training provider, before commencing work. We will also conduct an annual review of certification validity to ensure staff complete the required WSQ Food Safety and Hygiene Level 1 Refresher Course when necessary. Additionally, all service, kitchen and central kitchen employees undergo QA's intensive two-day training that covers JUMBO's food hygiene and safety standards, including protocols for managing food allergies.

To ensure compliance, our outlets undergo ad hoc internal audits, guaranteeing that all food safety standards are met. The results of these audits, along with any corrective actions, are shared monthly during our Head of Operations ("**HOO**") meetings, attended by all Restaurant Managers and Outlet Chief Chefs. In addition, our QA team actively participates in the development of new dishes. This involvement includes assessing the preparation workflow to identify and mitigate potential risks, ensuring that food safety considerations are integrated into the early stages of culinary innovation. Additionally, 'surprise' inspections are conducted for all outlets, and the results of the inspections are shared with the outlets and during HOO meetings. This proactive approach underscores our commitment to upholding the highest standards throughout the development and execution of our menu offerings.

⁶ HACCP (Hazard Analysis and Critical Control Point) is a global, systematic approach to food safety management that identifies, evaluates, and controls potential hazards in food production.

⁷ ISO 22000 is an international standard for food safety management systems that ensures the safety of food products.

⁸ Every food establishment has to be assessed by the SFA on the overall hygiene, cleanliness and housekeeping standards of the premises and assigned a grade (A being the best and D, the worst), as part of the licensing requirements to operate a F&B business in Singapore.

SUSTAINABILITY REPORT

JUMBO has established and implemented the following procedures in our internal Standing Operating Procedures (“SOPs”) to comply with all relevant HACCP certifications.

Conduct regular quality audits to ensure strict protocols are adhered to	External consultants conduct annual independent audits on our food safety and hygiene standards	Certification bodies conduct food safety audits for a minimum of 2 outlets every 6 months
--	---	---

Through these various process review exercises, we can identify potential areas for improvement in our procedures and continually enhance our food safety protocols. In FY2025, there were zero cases of non-compliance with regulations and/or voluntary codes concerning the health and safety impacts of products and services.

Customer Engagement

Additionally, we actively monitor and seek customer feedback through several social media platforms and online channels. These reviews serve as invaluable feedback for us to improve upon, allowing us to continuously refine and enhance our products and services to meet our customers’ needs.

JUMBO Website	The “Contact” tab found on JUMBO’s and the respective websites allow customers to submit any feedback or enquiries.
Social Media	We periodically post on our social media informing customers about the latest promotions or updates, whereby customers may post comments about their feedback and enquiries. Customers may also privately message our social media accounts to speak to a customer service representative directly.
Google Reviews	Customers can provide reviews on the respective outlets’ Google pages. The reviews on these pages are consistently reviewed and responded to by our customer service personnel when necessary. The Google Review QR code is displayed at our outlets and printed on all our receipts to encourage customers to provide feedback.

These customer inputs are compiled and presented at monthly HOO meetings and Head of Department meetings, enabling key personnel to analyse feedback across brands and distinguish between systemic issues and isolated incidents.

Our SOPs mandate that all feedback received through social media, Google reviews and emails should receive a response within three working days. Following this initial acknowledgement of feedback, we will initiate investigations when deemed necessary. Based on our findings, we will follow up with the customer and, if required, implement service recovery measures. We aim to conclude each case and the corresponding service recovery efforts undertaken within 7 working days.

SUSTAINABILITY REPORT

Each month, our management team receives updates on the feedback received. Our Learning and Development (“**L&D**”) department is kept informed about service-related incidents as well. These incidents are documented as case studies for future training and quality assurance reference.

In addition to collecting customer feedback online, led by our L&D team, JUMBO developed an internal “**Mystery Diner**” program to assess our service quality standards. Quarterly, all nine of our full-service outlets – JUMBO Seafood, JUMBO Signatures and ZUI Teochew Cuisine and 2 of our casual service outlets - Ng Ah Sio Bak Kut Teh – are assessed with 6 different sets of Mystery Diners who will grade each visit on a scale of 0 to 3, with 3 being exceeded expectations. This assessment covers both lunch and dinner services and evaluates a customer’s dining experience from prior to their arrival till their departure from our outlets. The questions are designed to directly evaluate the basic required service SOPs, and scenarios are given to assess the service team’s situational responses, teamwork and the outlet’s leadership. Different sections of the assessment are weighted differently, with a higher weightage given to dining and customer experience. As part of customer engagement, we have selected several loyal customers from our JUMBO Rewards Programme to be our Mystery Diners. This will also allow us to adjust our criteria based on our customers’ expectations. Upon appointment, our Mystery Diners undergo a 1-hour briefing conducted by the L&D team to align assessment standards and answer any queries. In FY2025, we have conducted a total of 253 visits, involving 1,178 mystery diners and their accompanying guests. The assessments observed a positive trend in the number of outlets achieving or exceeding the required passing score in each quarter.

Furthermore, this year we expanded the program to include our casual dining brand Ng Ah Sio Bak Kut Teh, covering a total of 11 outlets, inclusive of the additions this year.

FY2025	Q1	Q2	Q3	Q4
Number of outlets who have achieved or exceeded the passing score	4	4	4	5

From the feedback and insights gathered in FY2025, we have identified key areas for improvement and are making targeted adjustments to our assessment criteria, placing greater emphasis on elements that directly impact customer experience. We also rolled out targeted training and assessment for all service staff across our 9 full-service outlets to refresh and reinforce our service SOPs. For our 2 casual dining outlets, briefing and refresher sessions were conducted for service staff across outlets to ensure consistent service standards.

Lastly, JUMBO adopts a Customer Relationship Management (“**CRM**”) platform to centralise member data, enabling us to extract comprehensive insights for the formulation of strategic marketing plans and promotions. This CRM platform also serves as a valuable channel for engaging and interacting with our customers. Our JUMBO Rewards program, characterised by lifetime membership, operates on a tiered system that incentivises customers based on their spending at JUMBO. The more the members spend, the greater the privileges and rewards they unlock, further encouraging customers to return to our restaurants. The number of members has increased from 80,761 in FY2024 to 95,297 in FY2025.

SUSTAINABILITY REPORT

Marketing and Labelling

JUMBO recognises the importance of transparency in our marketing and labelling practices for our restaurant outlets and our lifestyle brand, Love, Afare, which sells a range of packaged sauces and spice mixes. We adhere to local laws and regulations set by the SFA when it pertains to marketing and labelling. Mandatory information, such as ingredients, including additives, net quantity of food, our company name and address, is indicated on the label on our pre-packed sauces and spice mixes.

In FY2025, there were zero incidents of non-compliance with regulations and/or voluntary codes concerning product and service information and labelling as well as marketing communications, including advertising, promotion and sponsorships.

Focusing on Customer Targets

Material Factor	FY2025 Targets	Status	FY2025 Performance Update
Product Quality and Safety	Maintain zero SFA suspensions and zero incidents of non-compliance with health and safety regulations or voluntary codes	Met	No SFA suspension and no non-compliance with health and safety regulations or voluntary codes
Customer Engagement	Increase the number of JUMBO Rewards members by 15% yearly	Met	There was an increase of 15% in the number of JUMBO Rewards members
	80% of self-managed outlets in Singapore are to attain a passing score for the Mystery Diner program	Not Met	73% of self-managed outlets in Singapore attained a passing score for the Mystery Diner program
Marketing and Labelling	Maintain zero incidents of non-compliance with regulations and/or voluntary codes concerning product and service information and labelling as well as marketing communications	Met	No incidents of non-compliance with regulations and/or voluntary codes

SUSTAINABILITY REPORT

Material Factors	Targets	Short-term (FY2026)	Medium-term (FY2027-FY2030)	Long-term (Beyond FY2030)
Product Quality and Safety	Maintain zero SFA suspensions and zero incidents of non-compliance with health and safety regulations or voluntary codes	●	●	●
	100% of outlets achieving a 50% internal QA score by FY2027		●	
Customer Engagement	Increase the number of JUMBO Rewards members by 15% yearly	●	●	●
	100% of self-managed outlets under the Mystery Diner exercise to achieve at least a passing score by FY2027		●	
	100% of self-managed outlets under the Mystery Diner exercise to increase score by 2%			●
Marketing and Labelling	Maintain zero incidents of non-compliance with regulations and/or voluntary codes concerning product and service information and labelling as well as marketing communications	●	●	●

FOCUS AREA 3: CARING FOR OUR PEOPLE

At JUMBO, we recognise that our employees play an indispensable role in our organisation's success. We are dedicated to fostering a secure, diverse and fulfilling work environment. Our investments in their learning, development and well-being create a culture of collaboration, mutual respect, and professional growth. We are committed to fostering a diverse and inclusive workplace that promotes professional growth and development for all employees. By investing in training and educational opportunities, we empower our team members to reach their full potential.

Learning and Development

JUMBO has established a well-rounded training program for our employees to optimise the potential of our workforce and contribute to the development of the next generation of skilled professionals. This can be seen by our dedicated corporate trainers spending an average of 75% of their time on the operations floor, providing on-the-job training and identifying areas for program improvement.

SUSTAINABILITY REPORT

Since FY2024, with the launch of JUMBO Academy, we have expanded beyond in-house training programmes and successfully secured government-funded support for F&B core courses. This initiative has enabled us to extend learning opportunities not only to our employees but also to professionals across the F&B sector, thereby elevating industry-wide skills and competencies.

In FY2025, we have continued to make significant strides in creating value by developing our people and broader F&B industry. Through JUMBO Academy, we offer a comprehensive range of training programs, combining in-house initiatives with select courses in partnership with Institutes of Higher Learning (IHLs), covering technical skills, soft skills, language proficiency, and leadership development. Close to 30 management level employees completed a 4-day coaching and mentoring workshop in collaboration with ITE, reinforcing our commitment to leadership training, talent development, and fostering a culture of continuous growth and excellence.

Our current active training programs include:

a) JADM:

The JUMBO Administrative Courses encompass knowledge essential for all employees, providing comprehensive coverage of key topics including company orientation, employee handbook, PDPA, anti-corruption measures, and foundational principles of basic cybersecurity. These courses serve as a comprehensive foundation, ensuring employees are well-versed in fundamental aspects crucial to their roles within the organisation.

b) CORE:

The JUMBO CORE courses prioritise standards in safety and quality, delving into crucial areas such as food hygiene & safety, food allergy, workplace safety and 5S housekeeping. Beyond these foundational aspects, the courses extend to cover diverse topics, including wine appreciation, fast-moving consumer goods and the JUMBO rewards programme.

c) JENG:

The JUMBO English Courses, meticulously developed in-house, are tailor-made to suit the unique needs of our F&B industry. These courses are designed to empower operational employees to acquire the language skills essential for effective communication within the dynamic F&B sector. The curriculum follows a structured approach, starting from the foundation level and progressing through basic, intermediate, and advanced levels.

d) ROFS:

The Restaurant Operation Full-Service Courses offer a comprehensive array of learning modules that cover various aspects of full-service restaurant operations. Starting with the onboarding of new employees, the courses include modules on grooming standards, restaurant orientation, verbal and non-verbal communication signals. The curriculum extends to essential skills such as basic phone handling standards and table settings, VIP room service protocols, in-depth menu knowledge. This holistic program spans from foundational elements to advanced topics, culminating in a comprehensive training guide for the opening of new outlets.

e) OPSS:

The Operation Soft Skills Courses are a curated collection of modules designed to enhance and refine the essential interpersonal and behavioural competencies crucial for operational success. These courses cover a spectrum of valuable skills, including effective interpersonal and communication skills, leadership development, fostering a people-centric approach, problem-solving and decision-making abilities, efficient resource management techniques, and the cultivation of service excellence. Through this diverse range of soft skills training, participants gain a well-rounded set of skills that not only elevates their individual capabilities but also contributes to the overall operational efficiency and effectiveness of the team.

SUSTAINABILITY REPORT

In FY2022, JUMBO developed its own online learning management system to increase accessibility to learning materials and promote continuous self-improvement. Depending on the nature of the courses, some of the courses are being digitalised. An employee's 3-step learning journey is categorised as follows:

1. eLearning – Employees can conduct self-learning on our learning management system for foundational hard skills and understanding of SOPs.
2. Classroom practical – Hands-on practice of skills and realignment of SOPs conducted by trainers.
3. On-the-job training – Application of practical skills on the job. Restaurant leaders and trainers will observe and provide guidance on the job.

Our JUMBO Train-the-Trainer Programme launched in FY2022 has helped to groom potential employees to become Outlet Trainers (“**OT**”). During this 2-day program, employees are exposed to basic training skills. After successfully completing the program and a 3-month probationary period, chosen employees are appointed as OTs. In this role, they have to ensure that SOPs are complied with, provide training on fundamental hard skills to new employees, and assist Corporate Trainers (“**CT**”) during training sessions. This initiative also helps in identifying promising individuals who could potentially become CTs, contributing to succession planning within the L&D department. This program is conducted bi-annually, allowing existing OTs ample time to refine their skills.

In FY2023, we digitalised and launched several key courses from our primary programme - ROFS, on our online platform. These online courses are made available to all service team members at our full-service outlets in Singapore, allowing employees the flexibility to learn independently and at their own pace throughout their tenure with JUMBO. The four foundation courses in ROFS are available in 5 different languages – English, Mandarin, Cambodian, Korean and Bahasa Indonesia. This is mainly to assist the training of our franchisees to ensure efficiency and consistency by simplifying the translation process.

Expanding our offering, we also introduced eLearning-based onboarding training and a digital employee handbook to enhance accessibility and scalability. Our mandatory CORE courses on Anti-Corruption and the Personal Data Protection Act are integrated into the platform, ensuring all employees complete them as part of their onboarding process for new hires and annual refresher training for existing staff.

JUMBO Academy

Established in 2024, JUMBO Academy is dedicated to nurturing talent in the F&B industry. Known for our commitment to developing professionals and promoting excellence, we support individuals aspiring to thrive in this dynamic sector.

As a registered training provider with Workforce Singapore (“**WSG**”) and SkillsFuture Singapore (“**SSG**”), we offer Workforce Skills Qualification (“**WSQ**”) courses supported by government funding and grants for both individuals and employers. Our comprehensive programs encompass On-the-Job Training, Work Experience, Learning Journeys, Work-Study Diplomas, and specialized upskilling and reskilling opportunities for both young talents and mid-career professionals.

In January 2024, a total of 205 employees obtained certification through the Asian Culinary Institute (ACI) under Nanyang Polytechnic, and in FY2025, 239 employees completed the WSQ Workplace Safety and Health mandatory training. In recognition of these sustained workforce development efforts, JUMBO Academy was recently conferred the SkillsFuture Employer Awards (Gold), underscoring the JUMBO's strong commitment to structured training, skills upgrading and lifelong learning. This milestone affirms JUMBO's position as an employer of choice and its continued investment in building a future-ready workforce for the F&B industry.

SUSTAINABILITY REPORT

ITE Certified On-the-Job Training Centre (“COJTC”)

In 2023, we proudly celebrated the partnership between JUMBO and ITE, honouring the dedicated employees who underwent rigorous training and demonstrated exceptional commitment to their craft as an Approved COJTC.

This accreditation highlights JUMBO’s steadfast commitment to enhancing the skills and knowledge of our workforce, solidifying our position as an industry leader in learning and development. Furthermore, our receipt of the on-the-job training (“OJT”) champion recognition underscores our dedication to providing top-quality on-the-job training, fostering both professional growth and personal development for our employees.

We remain committed to support our employees in their OJT progression, with 76 employees who collectively completed an impressive 90,048 OJT hours in FY2025.

2025 Excellent Service Award – Restaurant Association of Singapore

This award recognises employees who consistently deliver exceptional service, as reflected in compliments received directly from customers. Through our structured training, coaching and mentoring program, which combines theoretical knowledge with practical, hands-on guidance, and is supported by dedicated trainers and the Operations Management team, we are proud to celebrate the achievements of our staff.

With our structured OJT program, which combines theoretical knowledge with practical and intensive training, along with the dedicated coaching and mentorship from our trainers and support from the Operations Management team, we are thrilled to announce that 64 employees have been honoured with the prestigious 2025 Excellent Service Award. Of these remarkable individuals, 46 received the Silver Award, 20 were recognised with the Gold Award, and 8 employees attained the distinguished Star Award.

This recognition reflects our unwavering commitment to excellence in service and highlights the exceptional dedication of our staff to delivering outstanding customer experiences. Our training programs equip employees with the skills and knowledge necessary to excel in their roles, fostering a culture of service excellence within JUMBO. We are immensely proud of our award recipients and their contributions to our success in the industry.

In FY2025, our employees attended a total of 7,775.4 hours of training, with an average of 10.38 hours of training per employee, as compared to 7,144.5 hours of training in FY2024⁹, with an average of 12.3 hours of training per employee. This decrease in average training hours per employee is attributed to our intensified focus on workplace safety training in FY2024, during which most employees received training and certification.

The training that was delivered encompasses:

- **Restaurant Operations Service Excellence:** Basic service, VIP room service, wine training, communication in English, onboarding new hires, casual labour training, enablement workshops for outlet trainers.
- **Restaurant Operations Standards and Compliance:** Quality assurance training, such as food safety and food allergy.
- **JUMBO Group Governance and Compliance training:** Mandatory anti-corruption and PDPA training.
- **JUMBO Group Digital Literacy Workshop**

⁹ Training hours for FY2024 have been restated from 7,618.0 to 7,144.5 following the removal of the Tsui Wah brand from the reporting boundary.

SUSTAINABILITY REPORT

The following table summarises the number of training hours for employees by gender and employee category, respectively, for FY2025.

Employee	Total hours of training	Average hours of training per employee
By Gender		
Male	4,640.0	10.1
Female	3,135.4	10.8
By Category		
Senior Management	1.5	0.1
Middle Management	3,028.7	13.6
Executives	4,345.2	9.4

In order to facilitate our employees' further learning and development, we conduct bi-annual performance reviews for all our permanent employees. The areas of assessment include:

- Personal conduct
- Working attitude
- Values and productivity
- Work and performance of quality of work
- Softer aspects of competency, such as learning ability and leadership quality
- Learning abilities
- Leadership qualities

We continuously seek to improve our performance review process, as we aim to incorporate new facets such as self-learning to foster a culture of self-learning and continuous improvement. We firmly believe that by nurturing a habit of ongoing self-development, employees will exhibit a greater willingness to enhance their skills and embrace constructive feedback in the workplace. In FY2025, 100% of our employees, including the senior management team, received performance reviews and the following table illustrates the breakdown of employees who received performance reviews by gender and employee category, respectively.

Optical Character Recognition (“OCR”)

As part of our efforts to care for our people by improving workplace efficiency, reducing administrative burden, and enhancing data accuracy, the JUMBO implemented OCR across all outlets from 1 October 2024. OCR, when combined with our existing robotics solutions, streamlines operational workflows and reduces manual paperwork, enabling employees to focus on higher-value tasks while improving overall productivity and job satisfaction.

SUSTAINABILITY REPORT

- **Supporting Our People:** Automating data entry reduces repetitive manual work, minimises human error, and enhances staff wellbeing by allowing employees to spend more time on customer service and operational decision-making rather than administrative tasks.
- **Environmental Sustainability:** By converting printed or handwritten Delivery Orders and invoices into digital data, OCR reduces reliance on paper, supports paperless processes, and lowers physical storage needs.
- **Enhanced Accuracy and Efficiency:** Automated extraction of data from Delivery Orders, invoices, and Stock Transfer Order (“**STO**”) improves accuracy in tracking actual receiving data, reduces administrative waste, and strengthens consistency across outlets.
- **Better Information Management:** Digitised documents become searchable and easy to organise, enabling quick access to records and supporting more efficient team coordination. OCR can handle different fonts, distorted text and various handwriting styles with high accuracy, improving data reliability.

Through these enhancements, we continue to create a safer, more efficient, and more supportive working environment for our employees while contributing to resource efficiency and long-term operational sustainability.

By adopting digital technologies such as OCR, JUMBO also strengthens its waste management practices through improved workflow efficiency and reduced paper consumption. These initiatives not only minimise operational waste but also reinforce our broader commitment to conserving resources and ensuring sustainable business operations.

Workplace Health and Safety

JUMBO recognises that our achievements are intrinsically linked to the dedication and contributions of our valued workforce. Therefore, we strive to foster a strong safety culture to safeguard the well-being of our employees. In accordance with the Ministry of Manpower’s (“**MOM**”) Workplace Safety and Health Act (“**WSH Act**”), we are committed to ensuring the safety and health of our workforce. This entails conducting comprehensive risk assessments to identify potential hazards and implementing effective measures to mitigate risks, maintaining a safe working environment, establishing protocols for handling emergencies, and providing necessary instruction, training, and supervision to our employees.

In alignment with the WSH Act, we have instituted an Occupational Health and Safety framework, giving our management team a structured oversight of workplace health and safety practices. 100% of our operational employees (including central kitchen employees) and contract workers are required to comply with all relevant regulations and controls established under this framework. Our QA department conducts regular risk assessments to identify, evaluate, and manage potential risks. This involves the implementation of appropriate SOPs and continuous monitoring to ensure strict compliance with relevant regulations and controls. Our framework encompasses various processes, including kitchen operations (from ingredient handling and storage to preparation and cooking), service and bar operations, dishwashing, cleaning, and premises maintenance.

SUSTAINABILITY REPORT

Moreover, the QA department conducts annual risk assessment training, sharing insights from previous internal case studies and offering guidance on risk prevention. This equips employees with a deeper understanding of potential risks and the knowledge to avert any recurrences. All full-time and part-time operational employees are required to attend this risk assessment training. Additionally, all workers and employees are required to notify their immediate supervisor or manager of any perceived workplace hazards. The supervisor or manager will then investigate the reported hazard and determine the necessary corrective actions.

In October to December 2024, JUMBO has engaged an external consultant to conduct risks assessments for all restaurant outlets and update our risk assessment manual to be in compliance with regulatory requirements. Each restaurant outlet has a designated Person-In-Charge (“PIC”) who worked with the consultant to identify potential risks in safety for their respective outlets. The QA team has also been appointed as Risk Management Team leaders.

The primary types of work-related injuries include cuts, burns, slips, sprains and bruises. In the event of any work-related injuries, details of the incident will be updated within the employee chat group, including Management, who will decide follow-up actions accordingly. The HR department will review all submitted documents of the incidents before submitting it to the MOM as well as the relevant insurance provider. All incidents are also logged by the HR department. In FY2025, there were 57 cases (FY2024: 45 cases) of recordable work-related injuries¹⁰ among employees. While the absolute number of cases increased, this was largely driven by a higher employee headcount in FY2025. When normalised, the recordable work-related injuries cases were 29¹¹ (FY2024: 34 cases), indicating better overall safety performance despite the larger workforce. There were no cases of recordable work-related injuries amongst contract workers. There were zero fatalities as a result of work-related injury¹² and zero high-consequence work-related injuries¹³. There were zero fatalities due to work-related ill health and zero recordable work-related ill health.

Key measures adopted to manage health and safety in the workplace environment are as follows:

- A set of safety rules and regulations is in place
- First aid kits are placed at key locations with easy access
- New employees are required to undergo workplace safety training
- Annual risk assessment training for all operational employees (including central kitchen employees)

In addition, we contribute to our employee’s wellness through employee benefits. Full-time and part-time employees are entitled to non-occupational medical and healthcare services such as medical checkups, dental services, general outpatient services and health insurance. All employees are also given birthday vouchers and are eligible for special discounts at our outlets.

¹⁰ Recordable work-related injuries are defined as “a workplace or work-related traffic injury that results in at least 24 hours of hospitalisation or 3 days of MC due to a single work-related accident (whether consecutive or not), as per reported to MOM”.

¹¹ Rate is calculated based on 1,000,000 hours worked.

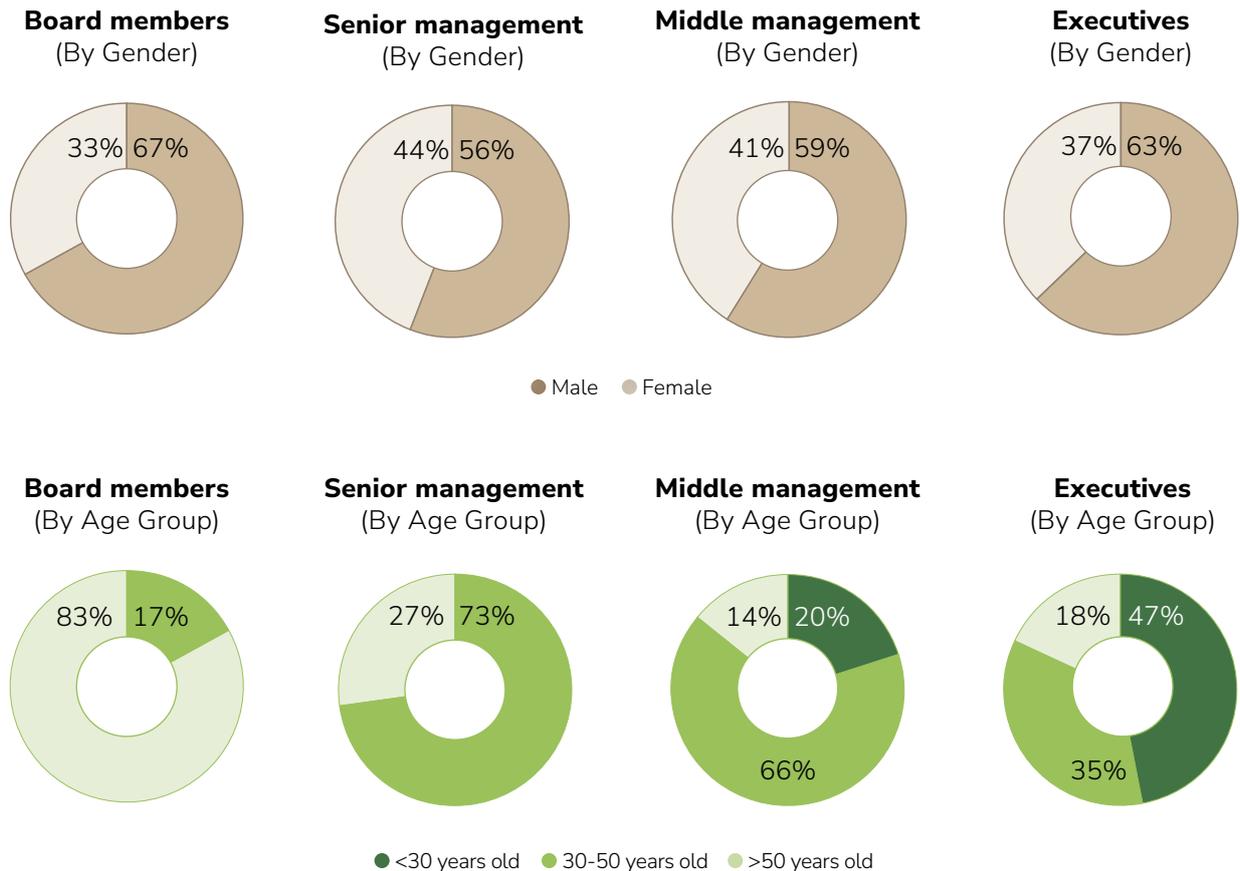

¹² Number of workplace deaths, as per reported to MOM.

¹³ Number of workplace or work-related injuries from which the worker cannot, does not, or is not expected to recover fully to pre-injury health status within 6 months, as per reported to MOM.

SUSTAINABILITY REPORT

Diversity and Equal Opportunity

At JUMBO, we prioritize diversity and equal opportunity as essential components of our corporate culture. We believe that a diverse workforce enhances innovation and creativity, driving our success. Our commitment to inclusivity ensures that all employees, regardless of their background, have equal access to opportunities for growth and advancement.

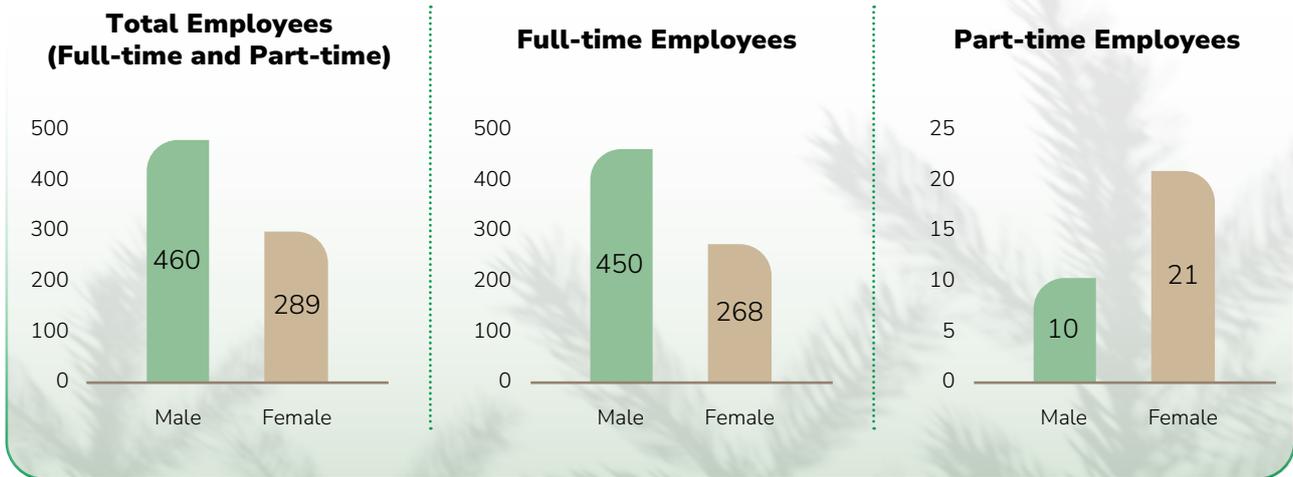

Our recruitment practices are firmly rooted in meritocracy, with every candidate evaluated based on their qualifications and potential, without regard to ethnicity, religion, age and gender. We ensure fair compensation and equitable remuneration to all our employees. In FY2025, there were zero incidents of discrimination reported.

SUSTAINABILITY REPORT

Employee and Talent Retention

As of 30 September 2025, JUMBO had a total of 749 employees. All of our employees are permanent employees, including both full-time and part-time employees. The gender makeup of our employees is as follows.

As of 30 September 2025, JUMBO engages an average of 85 contract workers daily. These workers have been engaged by a third-party contractor and are employed as servers and/or service support staff in our outlets. They perform tasks such as setting up tables for daily operations, taking food & beverage orders using our ordering system, serving food & beverages to the tables, preparing sufficient condiments, and any other jobs or duties assigned by the manager from time to time.

In FY2025, we had 378 new hires, resulting in a new hire rate of 65% and 215 employees left the Group, resulting in an employee turnover rate of 32%.

Employees	New hires		Turnover rate	
	Headcount	Rate (%)	Headcount	Rate (%)
Total	378	65%	215	32%
By Gender				
Male	260	45%	142	21%
Female	118	20%	73	11%
By Age				
Below 30 years old	216	37%	98	15%
Between 30 to 50 years old	132	23%	81	12%
Above 50 years old	30	5%	36	5%

SUSTAINABILITY REPORT

JUMBO recognises the effort and contributions of our employees to JUMBO, and all employees, full-time and part-time, are entitled to a range of employment benefits, such as parental leave and medical benefits.

In FY2025, 8 employees (4 male and 4 female) were entitled to parental leave, and all 8 employees took parental leave. Our return to work and retention rates of employees who took parental leave were 100% and 100% respectively. In FY2024, 6 employees (3 male and 3 female) returned from parental leave and all 5 employees have remained employed 12 months after returning while one female employee resigning after completion of parental leave.

Employee Development and Safety Targets

Material Factor	FY2025 Targets	Status	FY2025 Performance Update
Learning and Development	Conduct performance and career development reviews for 100% of employees, excluding senior management and C-suite	Met	All employees, excluding senior management and C-suite have had performance and career development reviews
Workplace Health and Safety	Maintain zero workplace fatalities or high-consequence work-related injuries among employees	Met	No workplace fatalities or high-consequence work-related injuries among employees
	Reduce the recordable work-related injuries cases as compared to FY2024	Met	FY2024 cases: 34 FY2025 cases: 29

Material Factors	Targets	Short-term (FY2026)	Medium-term (FY2027-FY2030)	Long-term (Beyond FY2030)
Learning and Development	Conduct performance and career development reviews for 100% of employees, excluding senior management and C-suite	●	●	●
	By FY2027, provide an average of 12 hours of training per employee per year		●	
	By FY2027, implement structured upskilling and career transition programs for all employees		●	
Workplace Health and Safety	Maintain zero workplace fatalities or high-consequence work-related injuries among employees	●	●	●
	Reduce the recordable work-related injuries cases as compared to FY2025	●		

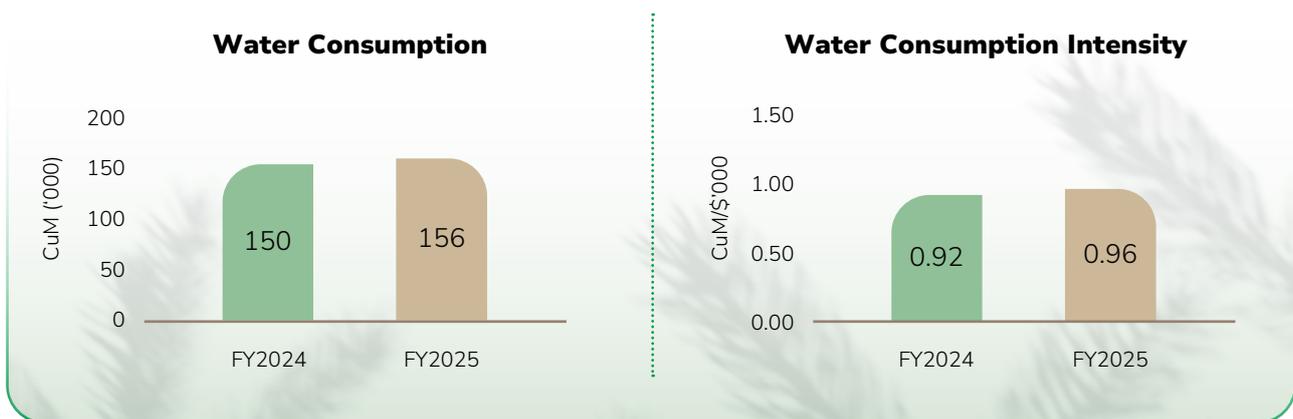

SUSTAINABILITY REPORT

FOCUS AREA 4: PROTECTING THE ENVIRONMENT

Environmental stewardship is a fundamental commitment that guides our operations and initiatives. We recognize the importance of protecting natural resources and promoting sustainability in all aspects of our business. By implementing innovative practices and collaborating with stakeholders, we strive to minimize our environmental impact and contribute to a healthier planet.

Water and Effluents

As a restaurant operating business with a central kitchen, water consumption is pertinent to our daily operations. Water is utilised to wash, thaw and prepare our dishes at restaurant outlets and our central kitchen. Water is also required for frequent washing and cleaning of our premises. We constantly remind our employees to practise water-saving measures wherever possible. During the year, the Group undertook pre-opening and expansion-related renovation works for new outlets in Sentosa as well as its expanded operations premises, during which utilities were consumed prior to the commencement of operations and revenue generation. Additionally, in FY2025, discounts extended to customers increased by \$3.9 million compared to FY2024, resulting in lower net revenue. Consequently, although utilities consumption increased, net revenue did not rise proportionally, leading to higher intensity ratios.

Waste Management

The primary waste stream from our daily operations consists predominantly of organic food waste. This includes kitchen scraps, food leftovers and food preparation trimmings from both our outlets and central kitchen. Other types of waste we generate include packaging waste in our outlets and central kitchen, and paper waste in our headquarters.

JUMBO recognises that waste management presents an opportunity for cost savings for JUMBO and our waste management measures focus on optimising inventory control and reducing food waste.

At our outlets and central kitchen, JUMBO has raw materials receiving and storage processes in place to ensure that raw materials are kept in good quality to reduce food spoilage. Our kitchen and procurement team also closely monitors the amount of raw materials required to ensure only ordering the necessary amount to minimise the amount of unused food. To prevent food wastage, we have trained all service employees to recommend dishes based on the number of customers.

We are committed to managing all our waste responsibly. All waste generated in our premises is handed over to licensed waste contractors who handle and dispose of the waste with industry best practices. For our outlets in shopping malls, we ensure that we dispose of all waste into designated waste disposal areas and bins. These wastes are then handled by the malls in accordance with the mall's waste management procedures. Similarly, at our central kitchen, waste is disposed of into bins and collected by suppliers daily. At our outlets, waste oil is collected separately and sold back to our supplier, Go Green, for recycling. Out of 20 outlets that were operational in FY2025, 17 outlets (70%) had recycled their waste oil, amounting to 55,375 kg of waste oil.

SUSTAINABILITY REPORT

Materials

JUMBO uses packaging materials for our brand, Love, Afare, in our central kitchen and for takeaway containers in restaurant outlets. We recognise the need for more environmentally friendly packaging materials and hence have implemented measures to reduce our reliance on plastics and non-biodegradable materials. These efforts include a transition to biodegradable materials for all our takeaway carrier bags. In FY2025, approximately 65% of takeaway packaging used in our restaurant outlets utilised biodegradable materials (FY2024: 62%). By implementing these initiatives, we aim to align our business practices with our sustainability goals while meeting the demand for takeout options.

In line with the Resource Sustainability Act’s Mandatory Packaging Reporting requirements, we have also begun to track our packaging inventory, consisting of non-renewable and renewable materials used. To this end, we have submitted our 3R plans to the National Environment Agency (“NEA”) for our packaging materials, which include changing all Low-density polyethylene (“LDPE”) gloves in our operations to biodegradable gloves, in the long-term.

Biodiversity

Considering our significant involvement in the seafood industry, we are mindful of the potential repercussions on specific marine species and their ecosystems. To this end, we have diversified our sources of seafood to mitigate our impact on the population of specific species in any single geographic area. Please refer to the section Upholding Good Governance – Supply Chain Management for more information on our sources of seafood.

Environmental Targets

Material Factor	FY2025 Targets	Status	FY2025 Performance Update
Water and Effluent	Maintain or reduce water consumption intensity	Not Met	FY2024 water consumption intensity: 0.92 CuM/\$’000 FY2025 water consumption intensity: 0.96 CuM/\$’000

Material Factors	Targets	Short-term (FY2026)	Medium-term (FY2027-FY2030)	Long-term (Beyond FY2030)
Water and Effluent	Maintain or reduce water consumption intensity	●	●	●
Materials	By 2030, increase the proportion of takeaway packaging made from paper or biodegradable materials to at least 72%		●	●
Waste Management	By FY2027, implement a system to track and report waste generated across all outlets		●	

SUSTAINABILITY REPORT

FOCUS AREA 5: BUILDING CLIMATE RESILIENCY

JUMBO recognises the impact that climate change can have on our business and is proud to announce we have included climate-related risks and opportunities disclosures based on the TCFD recommendations in FY2025.

With reference to the SGX-ST's phased approach, we have conducted an assessment of the pertinent climate-related risks and opportunities that are relevant to our operations and have proposed mitigation measures aimed at bolstering the effects of climate change on our operations. The 4 essential components of the TCFD recommendations serve as a structured framework to identify, communicate, and manage climate-related risks and opportunities. An overview of our approach to each of these elements within our disclosures is provided in the table below.

TCFD Recommended Disclosures	FY2025 Status	Our Approach
Governance		
Describe the Board's oversight of climate-related risks and opportunities	Met	<p>In FY2025, the SSC has identified and assessed the climate-related risks and opportunities through a workshop facilitated by an ESG consultant. The Board has been briefed on the identified risks and opportunities as well as the mitigation strategies.</p> <p>The Board has collectively reviewed and approved the climate risks and opportunities. It will continuously review our strategy by engaging with the SSC and overseeing the climate mitigation strategies. Moving forward, the Board will be updated on the progress at least once a year or whenever necessary.</p>
Describe management's role in assessing and managing climate-related risks and opportunities	Met	<p>While the Board will incorporate these climate change considerations into all business imperatives, the SSC provides stewardship and ensures that our strategies and businesses are aligned with sustainability targets.</p> <p>The SSC, together with the STF, supports the Board in the implementation of the identified climate-related strategies.</p>

SUSTAINABILITY REPORT

TCFD Recommended Disclosures	FY2025 Status	Our Approach									
Strategy											
Describe the climate-related risks and opportunities the organisation has identified over the short, medium and long term	Met	JUMBO has engaged an independent ESG consultant to facilitate the identification of climate-related risks and opportunities. To assess these risks and opportunities, we draw assumptions from the NGFS ¹⁴ scenarios, adapting them to our business context. The selected scenarios, along with their underlying assumptions and justification, are summarised in the table below:									
Describe the impact of climate-related risks and opportunities on the organisation's business, strategy and financial planning	Met	<table border="1"> <thead> <tr> <th>Scenario</th> <th>Assumptions</th> <th>Justification</th> </tr> </thead> <tbody> <tr> <td>NGFS Orderly Net Zero by 2050: Limit temperature rise to 1.5°C</td> <td> <ul style="list-style-type: none"> • Earlier adoption of climate policies, with gradual tightening • Reach net-zero emissions by 2050 • Low physical risk but high transition risk </td> <td>Aligned with the latest international climate agreement and national commitments</td> </tr> <tr> <td>NGFS Hothouse World Current Policies: Temperature rise exceeding 3°C</td> <td> <ul style="list-style-type: none"> • Preserve currently implemented policies without additional climate policies • Variations in climate policies across different jurisdictions • Emissions increasing until 2080 • High physical risk but low transition risk </td> <td>Unfavourable outcome and conservative approach</td> </tr> </tbody> </table>	Scenario	Assumptions	Justification	NGFS Orderly Net Zero by 2050: Limit temperature rise to 1.5°C	<ul style="list-style-type: none"> • Earlier adoption of climate policies, with gradual tightening • Reach net-zero emissions by 2050 • Low physical risk but high transition risk 	Aligned with the latest international climate agreement and national commitments	NGFS Hothouse World Current Policies: Temperature rise exceeding 3°C	<ul style="list-style-type: none"> • Preserve currently implemented policies without additional climate policies • Variations in climate policies across different jurisdictions • Emissions increasing until 2080 • High physical risk but low transition risk 	Unfavourable outcome and conservative approach
Scenario	Assumptions	Justification									
NGFS Orderly Net Zero by 2050: Limit temperature rise to 1.5°C	<ul style="list-style-type: none"> • Earlier adoption of climate policies, with gradual tightening • Reach net-zero emissions by 2050 • Low physical risk but high transition risk 	Aligned with the latest international climate agreement and national commitments									
NGFS Hothouse World Current Policies: Temperature rise exceeding 3°C	<ul style="list-style-type: none"> • Preserve currently implemented policies without additional climate policies • Variations in climate policies across different jurisdictions • Emissions increasing until 2080 • High physical risk but low transition risk 	Unfavourable outcome and conservative approach									
Describe the resilience of the organisation's strategy, taking into consideration different climate-related scenarios, including a 2°C or lower scenario	Met										
Risk Management											
Describe the organisation's processes for identifying and assessing climate-related risks	Met	JUMBO adopts the TCFD guidelines and assesses climate-related risks across our operations by conducting peer benchmarking and considering both transitional and physical impacts. We engage with internal and external stakeholders, as well as an ESG consultant to determine the most critical climate change issues to our operations.									
Describe the organisation's processes for managing climate-related risks	Met	JUMBO takes into consideration the impact of climate-related risks to develop and implement our mitigation strategies. The impact of our risks is assessed based on: <ol style="list-style-type: none"> 1. The likelihood of its occurrence 2. The time period of impact 3. The financial impact on JUMBO 									

¹⁴ Network for Greening the Financial System. This is a global coalition of central banks and financial supervisors working together to develop climate and environmental risk for finance sector to support transitioning efforts.

SUSTAINABILITY REPORT

TCFD Recommended Disclosures	FY2025 Status	Our Approach
Describe how processes for identifying, assessing and managing climate-related risks are integrated into the organisation's overall risk management	In Progress	The Board and management team periodically review the identified climate-related risks and are working towards fully integrating them into JUMBO's Enterprise Risk Management (ERM) framework through a phased approach.
Metrics and Targets		
Disclose the metrics used by the organisation to assess climate-related risks and opportunities in line with its strategy and risk management process	Met	JUMBO monitors energy consumption and Scope 1 and Scope 2 GHG emissions as part of its risk management process. Additionally, JUMBO monitors the amount of waste it generates, and the packaging utilised in its operations.
Disclose Scope 1, Scope 2, and if appropriate, Scope 3 (GHG) emissions, and the related risks	In-progress	Scope 1 GHG emissions: 1,541.94 tCO ₂ e Scope 2 GHG emissions ¹⁵ : 2,302.02 tCO ₂ e In line with SGX's phased implementation approach for TCFD adoption, the Group shall evaluate the need to quantify and monitor Scope 3 GHG emissions in our subsequent SRs.
Describe the targets used by the organisation to manage climate-related risks and opportunities and performance against targets	In-progress	JUMBO has determined targets based on our carbon emissions, waste generation, and packaging utilised. For more information regarding JUMBO's metrics and targets, please refer to our <i>Climate Change Targets below</i> .

Climate-Related Risks

In line with the disclosure recommendations from TCFD, we have identified and assessed our climate-related risks based on:

- **Transition Risks:** These include risks due to the transition to a lower-carbon economy and may entail policy, legal, technological and market changes and requirements. The impacts may have varying levels of financial and/or reputational risks.
- **Physical Risks:** These include acute risks, event-driven risks, or longer-term changes in climate patterns. The impacts of physical risks primarily have financial implications on organisations.

¹⁵ Per GHG Protocol Scope 2 Guidance, in view that residual mix emissions factors are unavailable in the markets we operate in (i.e. Singapore), our market-based Scope 2 emissions are equivalent to our location-based Scope 2 emissions.

SUSTAINABILITY REPORT

JUMBO has completed a comprehensive analysis of the most significant and relevant climate-related transitional risks and this assessment is presented in the table below.

Transition Risks			
Risk Area	Factor	Description	Risk Mitigation Measures and Resiliency
Policy	Introduction of carbon tax	<p>The increased actions by governments to reduce GHG emissions through carbon taxing could result in increased electricity prices and LPG prices.</p> <hr/> <p>Time Period¹⁶: Short, Medium, Long</p> <hr/> <p>Likelihood: Certain</p> <hr/> <p>Financial Impact: Increased cost of energy which accounted for approximately less than 3% of net revenue for FY2025</p>	<p>JUMBO will continue tracking and monitoring its energy consumption and shall implement energy-efficient measures where possible to reduce its energy consumption.</p>
	Food waste management policies	<p>Government regulations aim to reduce environmental expenses linked to waste transportation and incineration by mandating the segregation of food waste for treatment. Consequently, owners and operators of commercial and industrial facilities generating substantial food waste must comply with these regulations. JUMBO's restaurant outlets in shopping malls subjected to new regulations will also be affected indirectly, incurring additional operational costs for both the outlets and the central kitchen as they work to meet these requirements.</p> <hr/> <p>Time Period: Medium, Long</p> <hr/> <p>Likelihood: Likely:</p> <ul style="list-style-type: none"> • Outlets in shopping malls are subject to new regulations • Any new food processing facility such as central kitchen <hr/> <p>Financial Impact: Increased costs to be factored in new outlets and facilities in the future</p>	<p>JUMBO will comply with regulatory requirements when notified by regulators and/or building management.</p> <p>While some of the Group's restaurant outlets will be subject to additional costs regarding food waste management, the additional requirements are not expected to significantly affect operational expenses.</p>

¹⁶ Definition of Time Period and Likelihood used in this report:

- **Time Period:** Short: Less than 5 years, Medium: 5-10 years and Long: More than 10 years
- **Likelihood (in decreasing order of likelihood):** Certain, Likely and Possible

SUSTAINABILITY REPORT

Transition Risks			
Risk Area	Factor	Description	Risk Mitigation Measures and Resiliency
Policy	Establishment of Marine Protected Areas (“MPAs”) in the region	<p>The establishment of MPAs which restrict fishing activities in certain areas can limit the supply of seafood, leading to increasing costs of ingredients, resulting in increased costs of raw ingredients.</p> <hr/> <p>Time Period: Medium, Long</p> <hr/> <p>Likelihood: Possible</p> <hr/> <p>Financial Impact: Increased costs of marine ingredients which accounted for approximately less than 5% of net revenue in FY2025</p>	<p>JUMBO diversifies its sources of seafood to ensure minimal disruption in supply. Further information on our diversification processes can be found under the section ‘Supply Chain Management’ in Focus Area ‘Upholding Good Governance’. JUMBO will also explore increasing its supply sources to certified sustainable fisheries, such as MSC-certified, to reduce likelihood of supply.</p>
	Packaging Requirements	<p>Under the Mandatory Packaging Framework in the Resource Sustainability Act (2019), producers of packaged products are required to submit packaging plans and 3R data, requiring additional expenditure to submit required documents.</p> <p>Increased actions by governments to regulate plastic packaging materials and increasing requirements to switch to biodegradable packaging, resulted in greater operational costs.</p> <hr/> <p>Time Period: Short, Medium, Long</p> <hr/> <p>Likelihood: Certain</p> <hr/> <p>Financial Impact: Packaging materials accounted for less than 1% of net revenue in FY2025</p>	<p>JUMBO has begun tracking its use of renewable and non-renewable materials. Additionally, we have submitted our 3R plans that include replacing all LDPE gloves with biodegradable gloves.</p> <p>In FY2025, JUMBO has increased its usage of biodegradable products by 2% and reduced the use of plastic packaging by 3% as compared to FY2024.</p>

SUSTAINABILITY REPORT

Transition Risks			
Risk Area	Factor	Description	Risk Mitigation Measures and Resiliency
Technology	Installation of new low-emissions equipment and renewable energy sources	Decarbonisation of our operations entails increased capital costs associated with adopting new, low-emission equipment and investing in renewable energy sources.	JUMBO has a program to progressively replace equipment with new, more energy efficient technology.
		<p>Time Period: Medium, Long</p> <p>Likelihood: Possible</p> <p>Financial Impact: Capital costs to purchase and install new equipment</p>	We have invested in an energy savings set-up that allows steam to be regenerated for continuous use and savings. JUMBO shall actively track market trends for energy-efficient sources and renewable energy sources.
Market	Shifting consumer preference towards more sustainable raw materials to ensure business continuity	Evolving consumer preferences toward eco-friendly and sustainable products and practices can affect the sales and revenue for the Company	JUMBO is looking into menu innovation and diversification. For example, incorporating sustainable sourced farmed seafood lower carbon dishes to cater to the evolving customer expectations.
		<p>Time Period: Short, Medium</p> <p>Likelihood: Possible</p> <p>Financial Impact: Higher operational costs from adopting green practices, such as the sustainable sourcing of supplies</p>	

SUSTAINABILITY REPORT

JUMBO has further assessed the most pertinent relevant climate-related physical risk and this is summarised in the table below.

Physical Risks			
	Acute		Chronic
Description	Extreme weather events such as floods or droughts may damage crops and agricultural locations, potentially impacting yields and increasing prices.	Extreme weather events could disrupt distribution pathways for raw materials to restaurants, central kitchens and packaging facilities.	Rising mean sea temperatures and chronic heat waves result in increased mortality of seafood and decreased yields.
Likelihood	Likely	Possible	Certain
Value Chain Point	Raw materials		
Time Period	Short, Medium, Long		
Financial Impact	Increased costs of ingredients		
Risk Mitigation Measures	JUMBO will continue to diversify its sources of seafood and non-seafood utilised to reduce reliance on a source in a single region. Further information on our diversification processes can be found under the section 'Supply Chain Management' in Focus Area 'Upholding Good Governance'.		

Climate-related Opportunities

Opportunities arising from new mitigation measures and adapting to climate change can create favourable prospects for JUMBO. We have conducted a detailed analysis of potential opportunities for JUMBO.

Opportunity Identified	Diversification of supply chain
Factor	Resilience
Remarks	JUMBO can seek new opportunities to increase its sources of raw materials
Likelihood	Likely
Time Period	Medium, Long
Financial Impact	Increased resilience to supply chain disruptions
Management Measure	JUMBO shall diversify its sources of seafood and build partnerships with different suppliers

SUSTAINABILITY REPORT

Energy and Emissions

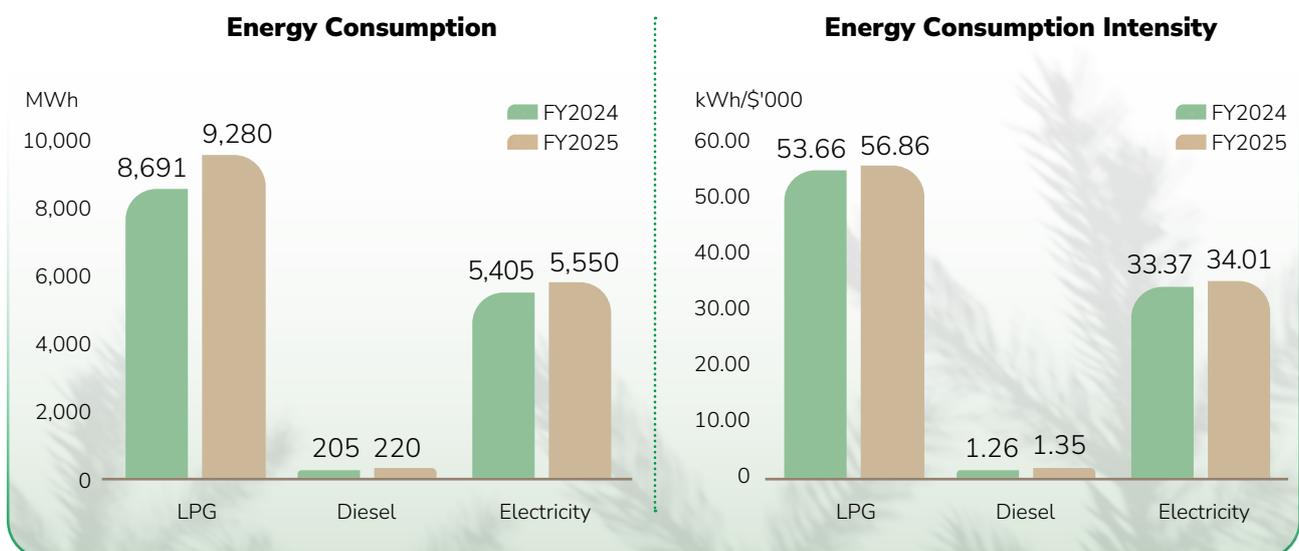

JUMBO recognises its role in addressing climate change and environmental concerns and is dedicated to implementing innovative strategies that enhance energy efficiency across our operations while actively working to lower our carbon footprint.

Our energy consumption stems from 3 primary sources:

1. Liquefied petroleum gas (“LPG”)
 - o Cooking – in outlets and central kitchen
2. Diesel
 - o Diesel is used for the transportation of ingredients and raw materials to and from our central kitchen and restaurant outlets
3. Electricity
 - o Operating of business premises (e.g. outlets, headquarters and central kitchen) – includes air conditioning and lighting
 - o Powering of electrical appliances at outlets, machinery at our central kitchen and office equipment at our headquarters

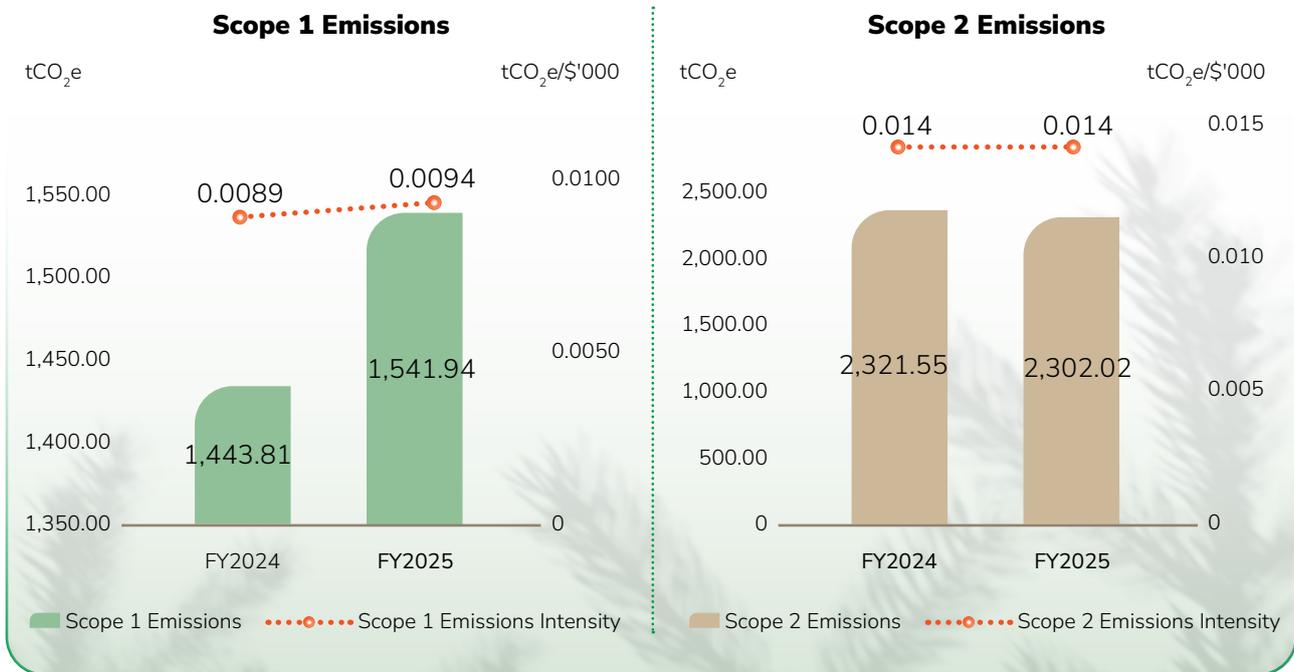

As part of JUMBO’s commitment to reducing our energy consumption, we have made significant investments in an energy-saving setup designed to regenerate steam for ongoing utilisation, ensuring a continuous cycle of energy conservation and cost savings. In FY2025, our total energy consumption increased by 5.2%.

This increase in energy consumption also resulted in an increase in energy consumption intensity by 4.5%. Additionally, we have consumed 169,434 kWh of chilled water for air-conditioning purposes. Net revenue was used as the base for analysis. During the year, the Group undertook pre-opening and expansion-related renovation works for new outlets in Sentosa as well as its expanded operations premises, during which utilities were consumed prior to the commencement of operations and revenue generation. Additionally, in FY2025, discounts extended to customers increased by \$3.9 million compared to FY2024, resulting in lower net revenue. As a result, although overall utility usage increased, net revenue did not rise proportionately, which led to higher intensity ratios. These are illustrated in the graphs below.

SUSTAINABILITY REPORT

In FY2025, our total carbon emissions (Scope 1 and Scope 2 emissions) have increased by 2.1%, due to the increase in LPG and Diesel consumption.

Climate Change Targets

Material Factor	FY2025 Targets	Status	FY2025 Performance Update
Energy and Emissions	Maintain or reduce resource consumption intensity	Not Met	FY2024 consumption intensity: 88.29 kWh/\$'000 FY2025 consumption intensity: 92.22kWh/\$'000
	Maintain or reduce JUMBO's GHG emissions intensity to decrease the amount of GHG emissions per unit of revenue	Not Met	FY2024 GHG intensity: 0.0229 tCO ₂ e/\$'000 FY2025 GHG intensity: 0.0234 tCO ₂ e/\$'000

SUSTAINABILITY REPORT

Material Factors	Targets	Short-term (FY2026)	Medium-term (FY2027-FY2030)	Long-term (Beyond FY2030)
Energy and Emissions	Maintain or reduce resource consumption intensity	●	●	●
	Maintain or reduce JUMBO's GHG emissions intensity to decrease the amount of GHG emissions per unit of revenue	●	●	●
	Reduce total carbon emissions, direct and indirect	●	●	●
	By FY2030, reduce scope 1 and 2 emission intensity by 5% compared to FY2024 levels			●

FOCUS AREA 6: CONTRIBUTING TO THE COMMUNITY

One of the main pillars of our sustainability strategy is community building. At the heart of our sustainability strategy lies a core pillar dedicated to community building.

In FY2025, as part of our Corporate Social Responsibility (“**CSR**”) initiative, we organized a birthday celebration with the senior residents at The Society for the Aged Sick on 16 June 2025. The event aimed to bring joy and companionship to the residents through meaningful interactions.

Our staff volunteered their time to engage the seniors in a series of fun games, light activities, and birthday festivities, fostering connection and creating a warm, cheerful atmosphere. The celebration included a group sing-along, cake-cutting ceremony, and distribution of small gifts to the residents.

The event was met with enthusiastic participation from both the residents and our employees. Many residents expressed their happiness and appreciation for the company’s efforts in spending time with them. The activity also strengthened team spirit among our staff and reinforced our commitment to giving back to the community.

SUSTAINABILITY REPORT

Our CSR activities include:

Community Impact Targets

Material Factor	FY2025 Targets	Status	FY2025 Performance Update
Local Communities	Maintain at least two CSR activities that address identified community needs	Met	JUMBO organised two CSR activities in FY2025.

Material Factors	Targets	Short-term (FY2026)	Medium-term (FY2027-FY2030)	Long-term (Beyond FY2030)
Local Communities	Maintain at least two CSR activities that address identified community needs	●	●	●

CORPORATE GOVERNANCE REPORT

JUMBO Group Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) is committed to achieving a high standard of corporate governance, and to complying with the Code of Corporate Governance 2018 (the “**Code**”). The Company believes that good corporate governance provides the framework for an ethical and accountable corporate environment, which will maximise long-term value for the shareholders of the Company (“**Shareholders**”) and protect their interests. This report describes the Group’s main corporate governance practices for FY2025 with specific references to the principles and provisions of the Code.

The Company is pleased to confirm that throughout FY2025, the Group has complied with the principles of the Code. Where there are deviations from the provisions of the Code, reasons and explanations on how the Company’s practices adopted are consistent with the intent of the relevant principles have been provided, where appropriate.

1. BOARD MATTERS

The Board’s Conduct of Affairs

Principle 1: The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

Each Director is a fiduciary who must act objectively in the best interests of the Company and hold the Company’s management (“**Management**”) accountable for performance. In furtherance of this principle, the Board has adopted a code of conduct and ethics, set appropriate tone-from-the top and desired organisational culture, and ensured proper accountability within the Group. Directors are not to allow themselves to be placed in a position of real or apparent conflict of interest. Directors facing conflicts of interest must recuse themselves from discussions and decisions involving the issues of conflict.

The principal roles of the Board are to:

- provide entrepreneurial leadership, and set strategic objectives, which should include appropriate focus on value creation, innovation and sustainability;
- ensure that the necessary resources are in place for the Company to meet its strategic objectives;
- establish and maintain a sound risk management system to effectively monitor and manage risks, and to achieve an appropriate balance between risks and performance;
- constructively challenge the Management and review its performance;
- instil an ethical corporate culture and ensure that the Company’s values, standards, policies and practices are consistent with the culture; and
- ensure transparency and accountability to key stakeholder groups.

CORPORATE GOVERNANCE REPORT

Delegation by the Board

Board Committees, namely the Nominating Committee (the “**NC**”), the Remuneration Committee (the “**RC**”) and the Audit Committee (the “**AC**”) have been constituted to assist the Board in the discharge of specific responsibilities. The duties, authorities and accountabilities of each Board Committee are set out in their respective written terms of reference. The Board Committees report their activities regularly to the Board and minutes of the Board Committee meetings are also regularly provided to the Board. The effectiveness of each Board Committee is also constantly monitored to ensure their continued relevance. Further information on the roles and responsibilities of the NC, the RC and the AC are provided in this report.

Board Approval

The Board decides on matters that require its approval and clearly communicates this to Management in writing.

Matters which specifically require the Board’s approval are:

- annual budgets and business plans of the Group;
- corporate or financial restructuring and issuance of shares;
- substantial transactions which have a material effect on the Group;
- the appointment and remuneration packages of the Directors and the key Management;
- the Group’s half-yearly and full-year financial results announcements and the release of the annual report;
- material investments, acquisitions and disposals of assets; and
- interim dividends and others return to Shareholders.

While matters relating to the Group’s strategies and policies require the Board’s direction and approval, the Management is responsible for the day-to-day operations and administration of the Group.

Board and Board Committee Meetings

The schedule of all Board and Board Committee meetings and the annual general meeting (“**AGM**”) for each financial year is planned well in advance, in consultation with the Directors. The Board meets at least four (4) times a year at regular intervals and on an ad hoc basis as and when circumstances require. Telephonic and video-conferencing at Board and Board Committee meetings are allowed under the Company’s Constitution.

CORPORATE GOVERNANCE REPORT

The number of Board and Board Committee meetings held for FY2025 as well as the attendance of each Director at these meetings is set out below:

Director	Board Meeting		AC Meeting		NC Meeting		RC Meeting	
	Held	Attended	Held	Attended	Held	Attended	Held	Attended
Mr. Ang Kiam Meng	5	5	3	3*	1	1	1	1*
Mrs. Christina Kong Chwee Huan	5	5	3	3*	–	–	–	–
Dr. Tan Khee Giap [^]	3	3	2	2	–	–	–	–
Mr. Seah Hai Yang	5	5	3	3	1	1	1	1
Mr. Chan Hock Keng [^]	2	2	2	2	–	–	–	–
Ms. Sim Yu Juan Rachel	5	5	3	3*	–	–	1	1
Mr. Tan Cher Liang [#]	2	2	1	1	1	1	1	1

* Attendance by invitation

Mr. Tan Cher Liang retired on 24 January 2025

[^] Dr. Tan Khee Giap was appointed on 2 December 2024; and Mr. Chan Hock Keng was appointed on 18 February 2025.

Board Orientation and Training

A formal letter of appointment is provided to every new Director, setting out his/her duties and obligations. A new Director will attend briefings organised by the Company to familiarise himself/herself with the Group's business, operations, structure and governance practices relating to, *inter alia*, disclosure of interests in the Company's securities, prohibition on dealings in the Company's securities and restrictions on the disclosure of price-sensitive information. For new first-time Directors who do not have prior experience as a director of a public listed company in Singapore, they will be required to attend the mandatory training within one (1) year from their appointment date as prescribed in the Listing Manual Section B: Rules of Catalist of the SGX-ST (the "**Catalist Rules**").

All Directors are also briefed and provided with regular updates in areas such as corporate governance, commercial risks, changes to laws and regulations pertaining to the Group's business and operations, and changes in financial reporting standards to assist and enable them to properly discharge their duties as Board members. In addition, all Directors have completed the course on sustainability matters organised by the Singapore Institute of Directors as required under Rule 720(6) of the Catalist Rules.

Further, in order to provide the Independent Directors and Non-Executive Director with a better understanding of the Group's business and operations, the Company organises visits to the Group's headquarters, including its central kitchen and its various F&B outlets. The Directors can also request for further briefings or information on any aspect of the Group's business or operations from the Management.

Access to Information

The Company makes available to all Directors its management accounts and other financial statements, budgets and forecasts, and operational updates together with all other relevant information. The Directors may seek detailed information from the Management regarding the management accounts and other financial statements, budgets and forecasts, where necessary. In addition, the Management provides the Directors with complete, adequate and timely information prior to the scheduled meetings and on an ongoing basis so as to enable the Directors to make informed decisions and discharge their duties and responsibilities.

CORPORATE GOVERNANCE REPORT

The Directors have been provided with the contact details of the Management and company secretary to facilitate separate and independent access at all times. The appointment and removal of the company secretary is a decision of the Board as a whole. The Directors may, in furtherance of their duties, take independent professional advice, if necessary, at the Company's expense.

Board Composition and Guidance

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

Board Composition

Currently, the Board comprises six (6) members, three (3) of whom are Independent Directors. The Board is constituted as follows:

Mr. Ang Kiam Meng	(Executive Chairman and Group CEO)
Mrs. Christina Kong Chwee Huan	(Executive Director and Group COO)
Dr. Tan Khee Giap [#]	(Lead Independent Director)
Mr. Seah Hai Yang	(Independent Director)
Mr. Chan Hock Keng [#]	(Independent Director)
Ms. Sim Yu Juan Rachel	(Non-Executive Director)

[#] Dr. Tan Khee Giap was appointed on 2 December 2024; and Mr. Chan Hock Keng was appointed on 18 February 2025.

The NC has reviewed and deliberated on the Provision 2.2 of the Code which states that the "Independent Directors make up a majority of the Board where the Chairman is not independent". Notwithstanding the deviation from Provision 2.2 of the Code, the NC, with the concurrence of the Board, is of the view that there is a strong element of independence in the current Board composition. Half of the Board (50%) is made up of Independent Directors, and the independence of each Director is reviewed by the NC annually. Furthermore, the number of Executive Directors does not constitute a majority of the Board. The Board Committees, each chaired by an Independent Director and comprising only Independent Directors, are able to exercise objective judgements on the Company's corporate affairs constructively. As such, the Board is of the opinion that the practices adopted by the Company are consistent with the intent of Provision 2.2 of the Code in which there exists a strong element of independence from the Independent Directors to exercise objective judgement in the best interests of the Company.

As the Board has three (3) Independent Directors including one (1) Lead Independent Director, one (1) Non-Executive Director, and two (2) Executive Directors, and taking into consideration the participation of the Board members at Board meetings, the Board is of the opinion that the current size and composition of the Board is considered appropriate to provide a balance of independence, diversity of thought and background in its composition to enable it to make decisions in the best interests of the Company. The non-executive directors make up a majority of the Board and is in compliance with Provision 2.3 of the Code.

CORPORATE GOVERNANCE REPORT

Each year, the Board reviews its size and composition, taking into account, *inter alia*, the Board Diversity Policy implemented by the Company. Key considerations in the Board Diversity Policy include the scope and nature of the Group's business and operations and the benefits of all aspects of diversity, including but not limited to gender, age, educational background and professional experience to provide the Board access to an appropriate range and balance of skills, knowledge, experience and backgrounds. The Board is of the view that the Directors hold core competencies such as accounting, finance and legal expertise, business and management experience, industry knowledge, strategic planning experience and customer-based experience and knowledge. The Board has also adopted a gender diversity target that is aligned with the gender diversity target set by the Council for Board Diversity ("**CBD**"). The CBD advocates for women board representation of 25% by 2025 and 30% by 2030. For FY2025, the Board has one (1) female Executive Director, namely Mrs. Christina Kong Chwee Huan, and one (1) female Non-Executive Director, namely Ms. Sim Yu Juan Rachel and as such, the gender diversity target of 25% was met. The Company is committed to review and improve the targeted women board representation of 30% by 2030.

The Board has also assessed that its diversity profile in terms of skills and knowledge is adequate to support the Company's strategic objectives. The Independent Directors and Non-Executive Director contribute accounting and finance knowledge, legal expertise and business management experience to the Group, and provide the Executive Directors and the Management with diverse and objective perspectives on issues considered by the Board. The Independent Directors and Non-Executive Director also aid in developing the Group's strategic process, reviewing the performance of the Management in meeting agreed goals and objectives, and monitoring the reporting of performance and operations as an appropriate check and balance. The Independent Directors and/or Non-Executive Director meet regularly on their own without the presence of the Executive Directors and the Management and provide feedback to the Executive Chairman and Group CEO after such meetings.

Hence, the Board believes that its current composition provides an appropriate balance of skills, experience, gender and knowledge, which guards against groupthink and fosters robust discussions, which in turn leads to better decision-making.

Board Independence

The independence of each Director is reviewed by the NC on an annual basis. In determining whether a director is independent, the NC has considered the guidelines set out in the Code and the Catalist Rules.

The Code has defined an "Independent" director as one who is independent in conduct, character and judgement, and has no relationship with the company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgement in the best interests of the company.

Under Rule 406(3)(d) of the Catalist Rules, a director will not be independent under any of the following circumstances:

- if he is employed or has been employed by the Company or any of its related corporations in the current or any of the past three (3) financial years;
- if he has an immediate family member who is employed or has been employed by the Company or any of its related corporations in the current or any of the past three (3) financial years, and whose remuneration is or was determined by the RC; or
- if he has been a director of the Company for an aggregate period of more than nine (9) years (whether before or after listing).

CORPORATE GOVERNANCE REPORT

The Independent Directors complete an annual declaration of independence, whereby they are required to assess their independence taking into account the Code, its accompanying Practice Guidance and the above requirements which are then put to the NC for review. The Directors are also required to disclose any business relationships with the Company, its related corporations or its officers which may interfere with the exercise of their independent business judgment in the best interests of the Company or would otherwise deem them to be not independent. The Board, in consultation with the NC, are of the view that Dr. Tan Khee Giap, Mr. Seah Hai Yang and Mr. Chan Hock Keng are independent for their respective tenures.

At present, there are no Independent Directors who have served beyond nine (9) years since the date of his/her first appointment. The Board, with the recommendation from the NC, may invite the Independent Director who has served for more than nine (9) years from the date of his/her first appointment maximum tenure as specified under Rule 406(3)(d) of the Catalist Rules to continue as a Non-Independent Non-Executive Director.

Chairman and Chief Executive Officer

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Mr. Ang Kiam Meng is currently the Executive Chairman and Group CEO of the Company, which is a deviation from Provision 3.1 of the Code. Mr. Ang plays a vital role in providing stewardship to the Company and expanding the business of the Group. Given the size of the Group's current business operations and nature of its activities, the Board is of the view that it is not necessary to separate the roles of the Chairman of the Board and CEO as there are sufficient safeguards and checks in place to ensure that the management is accountable to the Board as a whole. The Board is of the opinion that there is an appropriate balance of power and space for independent decision-making by the Board without an individual having unfettered powers of decision making.

Furthermore, in view that the Chairman of the Board and CEO is the same person, the Company has appointed Dr. Tan Khee Giap as the Lead Independent Director in compliance with Provision 3.3 of the Code. The Lead Independent Director is available to Shareholders where they have concerns and for which contact through the normal channels of communication with the Executive Chairman of the Board and management are inappropriate or inadequate.

Board Membership

Principle 4: The board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

Nominating Committee

The NC is chaired by Mr. Chan Hock Keng and comprises Mr. Seah Hai Yang and Dr. Tan Khee Giap. All of the NC members, including the Chairman of the NC, are Independent Directors.

CORPORATE GOVERNANCE REPORT

The NC holds at least one (1) meeting in each financial year. The principal role of the NC in accordance with its written terms of reference is as follows:

- reviewing, assessing and recommending the appointment of new Directors and the re-appointment or re-election of Directors, taking into consideration each Director's contribution, performance and ability to commit sufficient time, resources and attention to the affairs of the Group, and each Director's respective commitment(s) outside the Group;
- determining annually, as and when circumstances require, whether or not a director is independent;
- developing a process and criteria for evaluating the effectiveness of the Board as a whole and its committees, and for assessing the contribution of each Director to the effectiveness of the Board;
- reviewing the Board structure, size and composition having regard to the scope and nature of the operations, the requirements of the business, the diversity of skills, experience, gender, knowledge of the Group and core competencies of the Directors as a group, so as to ensure that the Board is able to function competently and efficiently;
- reviewing succession plans for the Directors and key management personnel, in particular, the Executive Chairman and Group CEO of the Company; and
- recommending to the Board the induction training programmes for new Directors and reviewing the training and professional development programmes for the Board.

The date of first appointment and date of last re-election of each Director is set out below. Please refer to the section entitled "Board of Directors and Key Management" of this annual report for the profiles of the directors and key management. In addition, information on each Director's shareholding in the Company, if any, is set out in the section entitled "Directors' Statement" of this annual report.

Name of Director	Date of first appointment	Date of last re-election
Mr. Ang Kiam Meng	4 February 2015	31 January 2023
Mrs. Christina Kong Chwee Huan	22 October 2015	24 January 2025
Dr. Tan Khee Giap	2 December 2024	24 January 2025
Mr. Seah Hai Yang	28 February 2024	24 January 2025
Mr. Chan Hock Keng	18 February 2025	–
Ms. Sim Yu Juan Rachel	17 February 2020	31 January 2023

Directors' Commitments

The NC ensures that new directors are aware of their duties and obligations. The NC also considers whether each Director is able to and has been adequately carrying out his duties as a Director of the Company, taking into consideration, *inter alia*, the Director's number of public listed company board representations and other principal commitments. In addition, the NC will also take into consideration, *inter alia*, a qualitative assessment of each Director's contributions as well as any other relevant time commitments.

CORPORATE GOVERNANCE REPORT

The Board is of the view that at present, it would not be meaningful to prescribe a maximum number of listed company board representations and other principal commitments which any director may hold as it does not wish to omit from consideration outstanding individuals who, despite the demands of their time, have the capacity to participate as members of the Board. Nevertheless, the Board has entrusted the NC to review if a Director with multiple board representations is devoting sufficient time and attention to the affairs of the Group. The NC has reviewed each Director's directorships and principal commitments as well as each Director's attendance and contributions to the Board. Despite the multiple directorships of some Directors, the NC is satisfied that the Directors have devoted adequate time and attention on the Company's affairs and have diligently discharged their responsibilities. In addition, each Director has confirmed that notwithstanding other listed company board representations and other principal commitments (if any), he/she is able to devote sufficient time and attention to the affairs of the Group. The NC and the Board will continue to review from time to time the listed company board representations and other principal commitments of each Director to ensure that the Directors continue to meet the demands of the Company and are able to discharge their duties adequately.

Currently, none of the Directors have appointed alternates. If alternate Directors are appointed, it will be for a limited period and for exceptional circumstances such as medical emergencies.

Process for Nomination and Selection of New Directors

The Company adopts a comprehensive and detailed process in the selection of new Directors. Candidates will be first sourced through an extensive network of contacts and selected based on, *inter alia*, the needs of the Group and the relevant expertise required. When necessary, the NC may seek the help of external consultant(s) in the search process. In selecting suitable candidates, the Board, in consultation with the NC, will consider the Group's strategic goals, business direction and needs. The Board will also consider the Board Diversity Policy in seeking any new appointment to the Board. The NC will conduct interviews with the candidates, and nominate the candidate deemed most suitable for appointment to the Board.

Process for Re-nomination and Re-election of Directors

In recommending a Director for re-election to the Board, the NC considers, *inter alia*, his/her performance and contributions to the Board (including attendance and participation at meetings, and time and effort accorded to the Group's business and affairs). All Directors submit themselves for re-nomination and re-election at regular intervals in accordance with the Company's Constitution.

Each member of the NC shall abstain from voting on any resolutions in respect of his re-nomination and re-election.

Pursuant to Regulation 89 of the Company's Constitution, one-third of the Board shall retire from office by rotation and be subject for re-election at the forthcoming AGM. Mr. Ang Kiam Meng and Ms. Sim Yu Juan Rachel are the Directors retiring via rotation at the forthcoming AGM. The NC and the Board, having considered their individual performance, contributions, expertise, experience, diversity of skillsets and commitment, have recommended Mr. Ang Kiam Meng and Ms. Sim Yu Juan Rachel for re-election at the forthcoming AGM. Both Mr. Ang and Ms. Sim have recused themselves from deliberation on their respective re-election.

Under Regulation 88 of the Company's Constitution, any new Director appointed shall hold office until the next AGM and shall then be eligible for re-election, but shall not take into account in determining the number of Directors who are to retire by rotation at such AGM. Mr. Chan Hock Keng who was appointed on 18 February 2025, is eligible for re-election at the forthcoming AGM. The NC and the Board, having considered his performance and contributions, have recommended his re-election at the forthcoming AGM. Mr. Chan Hock Keng has recused himself from deliberation on his re-election.

CORPORATE GOVERNANCE REPORT

Additional information on the retiring Directors as required under Rule 720(5) of the Catalist Rules are set out on pages 198 to 206 of this annual report.

The retiring Directors have responded negative to items (a) to (k) as listed in Appendix 7F (Announcement of Appointment) of the Catalist Rules.

Subject to being duly re-elected at the forthcoming AGM,

- (1) Mr. Ang Kiam Meng will remain as the Executive Chairman and Group CEO;
- (2) Ms. Sim Yu Juan Rachel will remain as the Non-Executive Director; and
- (3) Mr. Chan Hock Keng will remain as the Independent Director, Chairman of the Nominating Committee and a member of the Audit Committee and Remuneration Committee respectively, and shall be considered independent for the purposes of Rule 704(7) of the Catalist Rules.

Board Performance

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

Board Evaluation Process

The NC assesses and discusses the performance and effectiveness of the Board as a whole and its Board Committees on an annual basis. Each Director completes a confidential questionnaire, and the responses are presented to the NC for review, following which the NC will recommend to the Board key areas for improvement and follow-up actions. The Board acts on the feedback and in consultation with the NC, proposes, where appropriate, new Directors to be appointed or seeks the resignation of Directors.

Each Director will evaluate the performance of the Board (including Board Committees) annually, taking into account a set of objective performance criteria recommended by the NC which includes, *inter alia*, Board composition and size, Shareholders' access to information, Board processes, Board effectiveness, Board standards of conduct and performance indicators. The Board is of the view that this set of performance criteria allows for appropriate assessments and addresses how the Directors have enhanced long-term Shareholders' value.

Following the review in FY2025, the NC is of the view that the Board and its Board Committees have fared well against the performance criteria and objectives, and the NC is satisfied with the performance of the Board and its Board Committees.

Individual Director Evaluation

The NC will assess each Director's contribution to the effectiveness of the Board. In evaluating the contribution by each Director, various factors will be taken into consideration, including individual performance of principal functions and fiduciary duties, attendance and participation in meetings and commitment of time to Director's duties. The NC will also consider other contributions by a Director such as providing objective perspectives on issues, facilitating business opportunities and strategic relationships, and the Director's accessibility to the Management outside of formal Board and/or Board Committee meetings. The performance of each Director will be taken into account in its review for re-election. Each member of the NC has abstained from the voting or review process of any matters in connection with the assessment of his/her performance as a Director of the Company.

The NC did not engage any external facilitator to assist with the performance evaluation for FY2025.

CORPORATE GOVERNANCE REPORT

For FY2025, the NC is of the view that the Board as a whole, the Board Committees and the contribution by each Director have been satisfactory. The NC is satisfied that sufficient time and attention have been given to the Company by the Directors.

2. REMUNERATION MATTERS

Procedures for Developing Remuneration Policies

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Level and Mix of Remuneration

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

Disclosure on Remuneration

Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Remuneration Committee

The RC is chaired by Dr. Tan Khee Giap and comprises Mr. Seah Hai Yang and Mr. Chan Hock Keng. All of the RC members, including the Chairman, are Independent Directors. The RC holds at least one (1) meeting in each financial year. The principal role of the RC, in accordance with its written terms of reference, is as follows:

- recommending to the Board a framework of remuneration for the Board and key management personnel, and determining specific remuneration packages for each Director and key management personnel;
- reviewing the remuneration of the employees related to the Directors and substantial Shareholders who hold managerial positions;
- reviewing and approving any bonuses, pay increments and/or promotions for the related employees who hold managerial positions;
- setting the remuneration guidelines and policies of the Group; and
- administering the Jumbo employee share option scheme (the “**Share Option Scheme**”) and the Jumbo performance share plan (the “**Performance Share Plan**”). Details of the Share Option Scheme and the Performance Share Plan are contained in the Company’s offer document dated 28 October 2015 (“**Offer Document**”) and the circular to Shareholders dated 9 January 2025 issued by the Company.

CORPORATE GOVERNANCE REPORT

The Board considers that the members of the RC, who each have experience in senior management positions and/or on the boards of various listed companies, collectively have strong management experience and expertise in remuneration issues. If necessary, the RC may seek expert advice inside and/or outside the Company on the remuneration of all Directors and the Management. The RC shall ensure that remuneration consultants, if engaged, shall be free from any relationships with the Company which might affect their objectivity and independence. For FY2025, the RC did not engage any remuneration consultants.

Procedures for Setting Remuneration

The Company has implemented formal and transparent procedures and policies in relation to executive remuneration and for determining the remuneration packages of individual Directors. The RC reviews and recommends to the Board a general framework of remuneration and specific remuneration packages for the Board and key management personnel, covering all aspects of remuneration including Directors' fees, salaries, allowances, bonuses, options, share-based incentives and awards, and benefits-in-kind. The RC's recommendations are submitted for endorsement by the entire Board. Each RC member does not participate in discussions, and abstains from decision-making, in relation to any remuneration, compensation, options or any form of benefits to be granted to him. No Director is involved in deciding his/her own remuneration.

The RC also reviews all aspects of remuneration, including the Company's obligations, if any, arising in the event of termination of the Executive Directors' and/or key management personnel's contracts, to ensure that the terms are fair and reasonable. Currently, save as required for compliance with the applicable laws of Singapore and the People's Republic of China ("**PRC**"), the Group has not set aside any amounts to provide for pension, retirement or similar benefits for the Group's employees.

Remuneration Policies

To promote the long-term success of the Group, the Company seeks to attract, retain and motivate the Management and employees by tailoring competitive remuneration packages to the specific role and circumstances of each Director, the Executive Chairman and Group CEO, and key management personnel. This ensures an appropriate remuneration level and mix that recognises the performance, potential, and responsibilities of these individuals.

The remuneration of the Management and employees is set based on, *inter alia*, each individual's scope of responsibilities, prevailing market conditions, the Company's risk policies, the time horizon of such risks and comparable industry benchmarks. The Company rewards the Management and employees based on achievement of individual performance objectives using indicators such as competencies, key result areas, performance ratings and the Group's financial performance. The Board is of the view that performance-based remuneration will motivate the Management and employees to achieve superior performance and promote the long-term growth of the Group.

Under the terms of the service agreements entered into with the Executive Directors, the Company is entitled to reclaim, in full or in part, any incentive bonus paid to the Executive Directors, under circumstances of (i) misstatement of financial results, or (ii) misconduct of the Executive Directors, resulting, directly or indirectly, in financial loss to the Company, as may be determined by the Board in its absolute discretion.

CORPORATE GOVERNANCE REPORT

Executive Directors and Key Management's Remuneration

Each of the Executive Directors and key management personnel is entitled to, *inter alia*, a base salary and performance-related incentives linked to the financial performance of the Group and the individual's performance, which is assessed based on the respective key performance indicators allocated to them. The Executive Directors do not receive Directors' fees from the Company.

Each of the Executive Directors has entered into a service agreement with the Company. Under the terms of their service agreements, each of the Executive Directors is entitled to an incentive bonus based on, *inter alia*, the financial performance of the Group and his/her individual performance for that year. The terms of the Executive Directors' service agreements and their remuneration packages are subject to review by the RC. There are no excessive or onerous clauses in these service agreements. The service agreements were renewed in FY2023 for a further period of 3 years with no material changes except for adjustments in basic salaries and benefits.

The following performance factors have been selected to motivate the Executive Directors and key management personnel to work in alignment with the interests of all stakeholders:

Performance Conditions	Performance Criteria
Qualitative	(a) Leadership
	(b) People development
	(c) Commitment
	(d) Teamwork
	(e) Current market and industry practices
Quantitative	(a) Profit before tax
	(b) Relative financial performance of the Group to its industry competitors

For FY2025, the RC is of the view that the performance conditions were met by each of the Executive Directors and the key management personnel.

Independent Directors' and Non-Executive Director's Remuneration

The Independent Directors and Non-Executive Director have not entered into service agreements with the Company. Each Independent Director or Non-Executive Director receives a basic fee for serving on the Board. The fees are determined by the Board, taking into account the effort, time spent and responsibilities of the Independent Director or Non-Executive Director, and are subject to approval of Shareholders at each AGM. The Independent Directors and Non-Executive Director have not been over-compensated to the extent that their independence is compromised.

CORPORATE GOVERNANCE REPORT

Level and Mix of Remuneration

(a) Directors

Details of the remuneration of the Directors together with a breakdown of each Director's remuneration earned through directors' fees, fixed salary, variable or performance-related incentives/bonuses, benefits-in-kind, share-based incentives and awards for FY2025 are set out below.

Name of Directors	Fee	Salary	Bonus/ Incentives	Benefits	Stock Option	Share Award	Total Remuneration
	S\$'000	S\$'000	S\$'000	S\$'000	S\$'000	S\$'000	S\$'000
Executive Directors							
Mr. Ang Kiam Meng	–	617	412	19	–	23	1,071
Mrs. Christina Kong Chwee Huan	–	421	200	60	–	16	697
Independent Directors and Non-Executive Director							
Dr. Tan Khee Giap ⁽¹⁾	49	–	–	–	–	–	49
Mr. Seah Hai Yang	61	–	–	–	–	–	61
Mr. Chan Hock Keng ⁽¹⁾	34	–	–	–	–	–	34
Ms. Sim Yu Juan Rachel	36	–	–	–	–	–	36
Mr. Tan Cher Liang ⁽²⁾	27	–	–	–	–	–	27

Notes:

⁽¹⁾ Dr. Tan Khee Giap was appointed as Director on 2 December 2024; and Mr. Chan Hock Keng was appointed as Director on 18 February 2025.

⁽²⁾ At the Company's annual general meeting held on 24 January 2025, Mr. Tan Cher Liang retired by rotation in accordance with the Company's Constitution and did not seek re-election to the Board.

Save as disclosed above, no other long-term incentives and no termination, retirement or post-employment benefits have been granted to the Directors.

The RC has recommended the payment of Directors' fees of up to S\$207,000 for the financial year ending 30 September 2026, payable quarterly in arrears which will be tabled at the forthcoming AGM for Shareholders' approval.

(b) Key Management Personnel

The Company has less than five key management personnel and the remuneration of the key management personnel of the Company is as follows:

Name of Key Management Personnel ⁽¹⁾	Fee	Salary	Bonus/ Incentives	Benefits	Stock Option	Share Award	Total Remuneration
	%	%	%	%	%	%	%
Between S\$250,001 and S\$500,000 per annum							
Mr. Tan Yeow Meng, Stanley	–	84	7	9	–	–	100

Note:

⁽¹⁾ At any given time, the Company only has one (1) key management personnel who is not a Director or the Group CEO.

CORPORATE GOVERNANCE REPORT

After careful consideration, the Board is of the view that full disclosure of the aggregate remuneration of the key management personnel is not in the best interests of the Company in view of, *inter alia*, the confidential nature of remuneration matters.

The Company has disclosed its key management personnel's remuneration in bands of S\$250,000 as well as a breakdown (in percentage terms) into fixed salary, variable or performance-related incentives/bonuses, benefits-in-kind, share-based incentives and awards. Save as disclosed above, there are no other long-term incentives and no termination, retirement or post-employment benefits granted to the key management personnel.

(c) Related Employees

During FY2025, the following employees of the Group are immediate family members of a Director or the Group CEO or a substantial Shareholder:

Name of employees who are immediate family members	Relationship with a Director or the Group CEO or a substantial Shareholder	Remuneration Band⁽¹⁾
Mdm. Tan Yong Chuan, Jacqueline	Spouse of Mr. Ang Kiam Meng	IV
Mr. Ang Kiam Lian	Brother of Mr. Ang Kiam Meng and Mrs. Christina Kong Chwee Huan	II
Mdm. Wendy Ang Chui Yong	Sister of Mr. Ang Kiam Meng and Mrs. Christina Kong Chwee Huan	III
Mdm. Ang Yun-Lin, Angie	Daughter of Mr. Ang Kiam Meng	I
Mdm. Ang Yun-Xuan, Ashley	Daughter of Mr. Ang Kiam Meng	I

Note:

- ⁽¹⁾ Band I: Remuneration of between \$100,001 and \$200,000 per annum
Band II: Remuneration of between \$200,001 and \$300,000 per annum
Band III: Remuneration of between \$300,001 and \$400,000 per annum
Band IV: Remuneration of between \$600,001 and \$700,000 per annum

Save as disclosed above, there are no other employees who are related to a Director or the Group CEO or a substantial Shareholder, and whose remuneration exceeds S\$100,000.

Employee Share Schemes

The Company has adopted the Share Option Scheme and the Performance Share Plan. The Share Option Scheme and the Performance Share Plan will provide eligible participants with an opportunity to participate in the equity of the Company and to motivate them towards better performance through increased dedication and loyalty. The Share Option Scheme and the Performance Share Plan, which form an integral part and important component of the employee compensation plan, are designed to primarily reward and retain Directors and employees whose services are vital to the Group's well-being and success. As at the date of this annual report, no options have been granted under the Share Option Scheme since its commencement. Information on Awards that have been granted under the Performance Share Plan is disclosed in the section entitled "Directors' Statement" and as set out below.

CORPORATE GOVERNANCE REPORT

The Company granted Awards under the Performance Share Plan to eligible participants (who are immediate family members of a Director or the Group CEO or a substantial Shareholder) as follows:

Number of shares comprised in Awards under the Performance Share Plan					
Name of participant	Shares granted during financial year under review (including terms)	Aggregate shares granted since commencement of scheme to end of financial year under review	Aggregate shares issued and/or transferred pursuant to the vesting of Awards since commencement of scheme to end of financial year under review	Aggregate shares forfeited since commencement of scheme to end of financial year under review	Aggregate shares outstanding as at end of financial year under review
Tan Yong Chuan, Jacqueline ⁽¹⁾	63,800	63,800	19,100	–	44,700
Ang Kiam Lian ⁽²⁾	15,900	28,900	17,700 ⁽³⁾	–	11,200
Wendy Ang Chui Yong ⁽⁴⁾	34,500	74,200	50,000 ⁽⁵⁾	–	24,200
Ang Yun-Lin, Angie ⁽⁶⁾	13,700	13,700	4,100	–	9,600
Ang Yun-Xuan, Ashley ⁽⁷⁾	12,700	12,700	3,800	–	8,900

The Company granted Awards under the Performance Share Plan to eligible participants (who are not Directors and related employees of the Group) as follows:

Number of shares comprised in Awards under the Performance Share Plan					
Name of participant	Shares granted during financial year under review (including terms)	Aggregate shares granted since commencement of scheme to end of financial year under review	Aggregate shares issued and/or transferred pursuant to the vesting of Awards since commencement of scheme to end of financial year under review	Aggregate shares forfeited since commencement of scheme to end of financial year under review	Aggregate shares outstanding as at end of financial year under review
Other employees ⁽⁸⁾	–	284,600	256,200	28,400	–
Other employees ⁽⁹⁾	–	329,400	329,400	–	–
Other employees ⁽¹⁰⁾	217,300	217,300	64,500	–	152,800

Notes:

⁽¹⁾ The Awards of up to 63,800 shares were granted to Ms. Tan Yong Chuan, Jacqueline on 16 May 2025 with a vesting period of (a) within one (1) month from 16 May 2025 up to 30% of shares granted; (b) within two (2) months from 1 January 2026 up to 30% of shares granted; and (c) within two (2) months from 1 January 2027 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

19,100 shares were allotted and issued to Ms. Tan Yong Chuan, Jacqueline on 16 May 2025 pursuant to the vesting of the Awards.

CORPORATE GOVERNANCE REPORT

⁽²⁾ The Awards of up to 13,000 shares were granted to Mr. Ang Kiam Lian on 18 February 2019 with a vesting period of (a) within two (2) months from 31 January 2019 up to 30% of shares granted; (b) within two (2) months from 1 January 2020 up to 30% of shares granted; and (c) within two (2) months from 1 January 2021 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

The Awards of up to 15,900 shares were granted to Mr. Ang Kiam Lian on 16 May 2025 with a vesting period of (a) within one (1) month from 16 May 2025 up to 30% of shares granted; (b) within two (2) months from 1 January 2026 up to 30% of shares granted; and (c) within two (2) months from 1 January 2027 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

⁽³⁾ 3,900, 3,900, 5,200 and 4,700 shares were allotted and issued to Mr. Ang Kiam Lian on 27 March 2019, 11 February 2020, 23 February 2021 and 27 May 2025 respectively, pursuant to the vesting of the Awards.

⁽⁴⁾ The Awards of up to 39,700 shares were granted to Ms. Wendy Ang Chui Yong on 18 February 2019 with a vesting period of (a) within two (2) months from 31 January 2019 up to 30% of shares granted; (b) within two (2) months from 1 January 2020 up to 30% of shares granted; and (c) within two (2) months from 1 January 2021 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

The Awards of up to 34,500 shares were granted to Ms. Wendy Ang Chui Yong on 16 May 2025 with a vesting period of (a) within one (1) month from 16 May 2025 up to 30% of shares granted; (b) within two (2) months from 1 January 2026 up to 30% of shares granted; and (c) within two (2) months from 1 January 2027 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

⁽⁵⁾ 11,900, 11,900, 15,900 and 10,300 shares were allotted and issued to Ms. Wendy Ang Chui Yong on 27 March 2019, 11 February 2020, 23 February 2021 and 27 May 2025 respectively, pursuant to the vesting of the Awards.

⁽⁶⁾ The Awards of up to 13,700 shares were granted to Ms. Ang Yun-Lin, Angie on 16 May 2025 with a vesting period of (a) within one (1) month from 16 May 2025 up to 30% of shares granted; (b) within two (2) months from 1 January 2026 up to 30% of shares granted; and (c) within two (2) months from 1 January 2027 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

4,100 shares were allotted and issued to Ms. Ang Yun-Lin, Angie on 16 May 2025 pursuant to the vesting of the Awards.

⁽⁷⁾ The Awards of up to 12,700 shares were granted to Ms. Ang Yun-Xuan, Ashley on 16 May 2025 with a vesting period of (a) within one (1) month from 16 May 2025 up to 30% of shares granted; (b) within two (2) months from 1 January 2026 up to 30% of shares granted; and (c) within two (2) months from 1 January 2027 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

3,800 shares were allotted and issued to Ms. Ang Yun-Xuan, Ashley on 16 May 2025 pursuant to the vesting of the Awards.

⁽⁸⁾ The Awards were granted to other employees of the Group with a vesting period of (a) within two (2) months from 31 January 2019 up to 30% of shares granted; (b) within two (2) months from 1 January 2020 up to 30% of shares granted; and (c) within two (2) months from 1 January 2021 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period. In 2021, 28,400 shares were forfeited as certain employees had left the Group prior to the vesting of the shares.

⁽⁹⁾ The Awards were granted to other employees of the Group with a vesting period of 100% within 2 months from the date of the annual general meeting of the Company held on 17 January 2020.

⁽¹⁰⁾ The Awards were granted to other employees of the Group with a vesting period of (a) within one (1) month from 16 May 2025 up to 30% of shares granted; (b) within two (2) months from 1 January 2026 up to 30% of shares granted; and (c) within two (2) months from 1 January 2027 up to 40% of shares granted. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

No options or awards were granted to the directors and employees of the parent company and its subsidiaries, and no options were granted at a discount.

Further details of the Share Option Scheme and the Performance Share Plan are set out in the Offer Document and the circular to Shareholders dated 9 January 2025 issued by the Company.

CORPORATE GOVERNANCE REPORT

3. ACCOUNTABILITY AND AUDIT

Risk Management and Internal Controls

Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

The Board, with the assistance of the AC, has oversight of the Group's risk management framework and policies, including reviewing the Group's business and operational activities to determine the nature and extent of significant business risks, and recommending to the Management the appropriate strategy and resources required for managing risks that are consistent with the Group's risk appetite.

In line with the Company's disclosure obligations under the Catalyst Rules, Shareholders shall be informed of all major developments relating to the Group. Information is communicated to Shareholders on a timely basis through SGXNET and, where appropriate, the press. The Board also provides Shareholders with a detailed explanation of the Group's financial performance, financial position and prospects on a half yearly basis.

The Management makes available to all Directors, the management accounts and other financial reports, together with all other relevant information of the Group's financial performance, financial position and prospects for each quarter and on a half yearly basis, and as and when the Directors may require from time to time.

The Board ensures that relevant regulatory requirements and any updates thereof will be highlighted from time to time to ensure compliance with all relevant regulatory requirements.

The Group has put in place appropriate risk management processes to evaluate the operating, investment and financial risks of the Group. The Management regularly reviews the Group's business and operational activities to identify areas of significant business risks as well as appropriate measures to control and mitigate these risks within the Group's policies and strategies. The Management reviews all significant control policies and procedures and highlights all significant matters to the Board and the AC.

The Board reviews the adequacy and effectiveness of the Group's risk management systems and internal controls framework, including financial, operational, compliance and information technology controls.

Material transactions are also subject to risk analysis by the AC and the Management, and measures to safeguard against significant risks are established prior to undertaking new projects. The AC, together with the Management, will continue to enhance and improve the existing risk management and internal control systems.

The internal and external auditors also assist in the risk management process by identifying certain areas of concern that are uncovered through financial/audit checks. The key risks facing the Group have been identified and appropriate measures are in place to mitigate such risks.

For FY2025, the Board has received assurance from the Executive Chairman and Group CEO, and the Group Senior Financial Controller, that the financial records have been properly maintained, the financial statements give a true and fair view of the Group's operations and finances, and the Group's risk management and internal control systems are adequate and effective.

CORPORATE GOVERNANCE REPORT

Based on the internal controls (including financial, operational, compliance and information technology controls) and risk management systems established and maintained by the Group, work performed by the internal and external auditors, information provided to the AC and the Board and reviews performed by the AC and the Board at least annually, the Board, with the concurrence of the AC, is of the opinion that the Group's internal controls, addressing financial, operational, compliance and information technology controls as well as risk management systems are adequate and effective for FY2025.

The system of internal controls and risk management established by the Group provides reasonable, but not absolute assurance that the Group will not be adversely affected by any event that can be reasonably foreseen as it strives to achieve its business objectives. The Board also notes that no system of internal controls and risk management can provide absolute assurance in this regard, or absolute assurance against the occurrence of material errors, poor judgment in decision-making, human error, losses, fraud or other irregularities.

Audit Committee

Principle 10: The Board has an Audit Committee which discharges its duties objectively.

The AC is chaired by Mr. Seah Hai Yang and comprises Mr. Chan Hock Keng and Dr. Tan Khee Giap. All of the AC members, including the Chairman, are Independent Directors.

The members of the AC are appropriately qualified and possess the relevant accounting or related financial management expertise or experience to discharge their duties. None of the members of the AC is a former partner or director of the Company's existing auditing firm.

The AC holds at least two (2) meetings in each financial year. The principal role of the AC in accordance with its written terms of reference is as follows:

- reviewing the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any announcements relating to the Company's financial performance;
- reviewing with the internal and external auditors, the audit plans, scope of work, their evaluation of the Group's system of internal controls, audit reports, their letter(s) to the Management and the Management's responses and the results of the audits compiled by the internal and external auditors, and reviewing at regular intervals with the Management the implementation by the Group of the internal control recommendations made by the internal and external auditors;
- reviewing the periodic consolidated financial statements and any formal announcements relating to the Group's financial performance before submission to the Board for approval, focusing in particular on changes in accounting policies and practices, major risk areas, significant adjustments resulting from the audit, compliance with accounting standards, compliance with the Catalist Rules and any other relevant statutory or regulatory requirements, concerns and issues arising from the audits including any matters which the auditors may wish to discuss in the absence of the Management, where necessary;
- reviewing the effectiveness and adequacy of the Group's internal controls (including financial, operational, compliance and information technology controls) and risk management systems, discussing issues and concerns, if any, arising from the internal audits and reporting to the Board at least annually in connection therewith;

CORPORATE GOVERNANCE REPORT

- reviewing and discussing with the external and/or internal auditors any suspected fraud, irregularity or infringement of any relevant laws, rules and regulations, which has or is likely to have a material impact on the Group's operating results or financial position and the Management's response;
- reviewing the adequacy and effectiveness of the Group's internal audit function;
- reviewing the assistance given by the Management to the internal and external auditors;
- review the assurance provided by the Group CEO and the Chief Financial Officer or equivalent regarding the financial records and financial statements;
- reviewing the independence and objectivity of the internal and/or external auditors at least annually, considering the appointment or re-appointment of the internal and external auditors and matters relating to the resignation or dismissal of the auditors, and approving the remuneration and terms of engagement of the internal and external auditors;
- reviewing interested person transactions (if any) falling within the scope of the Catalist Rules;
- reviewing the procedures by which employees of the Group and any other persons may, in confidence, report to the Chairman of the AC regarding possible improprieties in matters of financial reporting or other matters and ensuring that there are arrangements in place for independent investigation and follow-up actions thereto;
- undertaking such other reviews and projects as may be requested by the Board, and reporting to the Board its findings from time to time on matters requiring the attention of the AC; and
- generally undertaking such other functions and duties as may be required by statute or the Catalist Rules, or by such amendments as may be made thereto from time to time.

In addition, the AC is tasked to commission independent investigations of any suspected fraud or irregularity, which has or is likely to have a material impact on the Group's operating results or financial position, and to review the findings of such investigations. The AC has reasonable resources to enable it to discharge its responsibilities properly. It has full access to, and the co-operation of, the Management and full discretion to invite any Director or key executive to attend its meetings.

The AC considered the report from the external auditors, including their findings on the significant risks and audit focus areas. Significant matters that were discussed with the Management and the external auditors have been included as Key Audit Matters ("**KAM**") in the audit report for FY2025 in pages 104 to 106 of this annual report.

In assessing the KAM, the AC took into consideration the approach and methodology applied as well as the reasonableness of the estimates and key assumptions used. The AC concluded that the Management's accounting treatment and estimates in the KAM were appropriate.

The AC also meets with the internal auditors and external auditors without the Management, at least annually and whenever necessary to review the adequacy of audit arrangements, with emphasis on the scope and quality of audit and the independence and objectivity of the auditors.

CORPORATE GOVERNANCE REPORT

The external auditors provide regular updates and briefings to the AC on changes to accounting standards and other financial issues to enable the AC to keep abreast of such changes and its corresponding impact on the financial statements.

External Auditors

The AC undertook a review of the independence and objectivity of the external auditors, taking into consideration the requirements under the Accountants Act 2004 (Singapore), including but not limited to, the aggregate and respective fees paid for audit and non-audit services and the co-operation extended by Management to allow an effective audit. The AC has also made an assessment of the quality of the work carried out by the external auditors, taking into consideration the Audit Quality Indicators Disclosure Framework published by the Accounting and Corporate Regulatory Authority (ACRA).

The AC received an audit report from the external auditors setting out the non-audit services provided and the fees charged for FY2025. A breakdown of the audit and non-audit fees paid to the Company's auditors is disclosed on page 172 of this annual report. The non-audit fees paid to the Company's auditors were in relation to tax compliance services.

Having undertaken a review of the non-audit services provided during the year, the AC concurs with the external auditors that the objectivity and independence of the external auditors are not in any way impaired by reason of the non-audit services which they provide to the Group. Moreover, the AC is satisfied that these services were provided efficiently by the external auditors as a result of their existing knowledge of the business. The AC is satisfied that the Company has complied with the requirements of Rules 712 and 715 of the Catalist Rules in relation to the appointment of its auditors for FY2025. The AC has also reviewed and confirmed that Foo Kon Tan LLP is a suitable audit firm to meet the Company's audit obligations, having regard to the adequacy of resources and experience of the firm, the assigned audit partner-in-charge, the firm's other audit engagements, size and complexity of the Group, and the number and experience of supervisory and professional staff assigned to the audit. The AC has recommended to the Board that, Foo Kon Tan LLP, be nominated for re-appointment as external auditor at the forthcoming AGM.

Internal Audit

The AC approves the hiring, removal, evaluation and compensation of the internal auditor ("**IA**"). The internal audit function of the Company is outsourced to KPMG Services Pte Ltd ("**KPMG**"). The IA reviews the effectiveness of key internal controls, including financial, operational, information technology, risk management and compliance controls for selected scope of review annually under the IA plan approved by the AC. Procedures are in place for the IA to report independently on their findings and recommendations to the AC for review. The IA reports primarily to the Chairman of the AC and has full access to the Company's documents, records, properties and personnel of the Group, including access to the AC.

The primary functions of internal audit are to help:

- (a) assess if adequate systems of internal controls are in place to protect the assets of the Group and to ascertain whether control procedures are complied with;
- (b) assess if operations of the business processes under review are conducted efficiently and effectively; and
- (c) identify and recommend improvement to internal control procedures, where required.

CORPORATE GOVERNANCE REPORT

The AC reviews the adequacy and effectiveness of the internal audit function of the Group annually. The AC is satisfied that the IA has adequate resources to perform its function effectively and is independent of the business and activities it audits. The IA is led by a KPMG partner who has more than 20 years of audit experience and the team is staffed by suitably qualified and experienced professionals with the relevant qualifications and experience.

The Company's internal audit function is independent of the external audit. KPMG is a member of the Institute of Internal Auditors Singapore ("IIA"), a professional internal auditing body affiliated to the Institute of Internal Auditors, Inc. The internal audit work carried out is guided by KPMG's global internal auditing standards and the International Standards for the Professional Practice of Internal Auditing laid down in the International Professional Practices Framework issued by the IIA. KPMG continues to meet or exceed the IIA Standards in all key aspects. KPMG has confirmed their independence to the AC.

During the year, the IA adopted a risk-based audit approach that focused on material internal controls, including financial, operational, compliance and information technology controls. All internal audit reports are submitted to the AC for deliberation with copies of these reports extended to the Executive Chairman and Group CEO, Executive Directors, Non-Executive Director and the relevant key management personnel.

The AC has reviewed the Company's internal control assessment and based on the internal auditors' and external auditors' reports and the internal controls in place, it is satisfied that there are adequate and effective internal controls to meet the needs of the Group in its current business environment. The AC is satisfied that the internal audit function is independent, effective and adequately resourced.

Whistle-blowing Policy

The Company has implemented a whistle-blowing policy, which provides the Group's employees and any other persons with well-defined and accessible channels through which they may, in confidence, raise concerns about possible improprieties in matters of financial reporting, malpractices, misconduct or other matters relating to the Group or its officers. Whistle-blowing concerns may be reported in person or in writing via electronic mail to the Chairman of the AC.

The Group is committed to a high standard of ethical conduct and adopts a zero-tolerance approach to fraud. The Group will treat all information received confidentially and protect the identity and the interest of all whistle-blowers. Anonymous disclosures will be accepted and anonymity honoured as the Group remains committed to ensure protection of whistle-blowers against detrimental or unfair treatment.

The AC is responsible for oversight and monitoring of the whistle-blowing policy. The AC reviews such policy to ensure that arrangements are in place for independent investigation of such matters and for appropriate follow-up action.

In FY2025, one whistleblowing incident was reported through the established channels. The matter involved exploitation of the Company's loyalty rewards system for personal advantage, including redemption of items for personal consumption. Following an internal investigation by Management and the AC, appropriate disciplinary actions were taken, and the case was resolved and closed.

CORPORATE GOVERNANCE REPORT

4. SHAREHOLDER RIGHTS AND ENGAGEMENT

Shareholder Rights and Conduct of General Meetings

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

The Board supports and encourages active Shareholder participation at Shareholders' meetings. Shareholders are informed of Shareholders' meetings through notices published on the SGXNET and in the newspapers. Annual reports and/or circulars are provided to all Shareholders in a timely manner electronically via the SGXNET and company's website. Each item of special business included in the notices of Shareholders' meetings is accompanied, where appropriate, by an explanation for the proposed resolution. The Company will strive to avoid scheduling meetings during peak period when the meetings may coincide with those of other companies to enhance Shareholder participation in Shareholders' meetings.

Shareholders are entitled to attend general meetings and are accorded the opportunity to participate effectively in and vote at general meetings (including through the appointment of up to two proxies, if they are unable to attend in person or in the case of a corporate shareholder, through its appointed representative). Shareholders are also informed of the rules, including how to submit questions related to the resolutions tabled at the general meetings to the Company and the voting procedures that govern general meetings.

Separate resolutions are proposed for substantially separate issues at Shareholders' meetings for approval. "Bundling" of resolutions are done only where the resolutions are interdependent and linked so as to form one significant proposal and only where there are reasons and material implications involved. All resolutions are to be voted by poll, following which the detailed results showing, *inter alia*, the number of votes cast for and against each resolution and the respective percentages will be announced.

The Executive Chairman and Group CEO and Chairpersons of the AC, the NC, and the RC will be available at Shareholders' meetings to answer queries. The external auditors will also be present at the AGM to assist the Directors in addressing any relevant queries by Shareholders regarding the conduct of audit and the preparation and content of the auditors' report. The AGM is the principal forum for dialogue with Shareholders. All of the Directors attended the AGM in FY2024.

The Board is mindful of the obligation to provide regular, effective and fair communication with Shareholders. Information is communicated to Shareholders on a timely basis. The Company does not practise selective disclosure. Information will be publicly released via SGXNET and/or the Company's corporate website before the Company meets with any group of investors or analysts. The Group's financial results and annual reports are announced or issued within the period specified under the Catalist Rules, and are also made available to the public via the Company's website. The Company shall publish the minutes of the AGM on SGXNET and the Company's website within one (1) month after the date of the AGM.

The Company currently does not have a fixed dividend policy. Any declaration and payment of dividends will depend on, *inter alia*, the Group's operating results, financial conditions, cash flows, expected future earnings, capital expenditure programme(s) and investment plans, the terms of the borrowing arrangements (if any) and other factors deemed relevant by the Directors. There can be no assurance that dividends will be paid in the future or of the amount or timing of any dividends that will be paid in the future. The Company will, in line with Rule 704(23) of the Catalist Rules, expressly disclose the reason(s) in the event that the Board decides not to declare or recommend a dividend in its financial statement announcements.

CORPORATE GOVERNANCE REPORT

Engagement with Shareholders

Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

The Company has in place an investor relations policy which allows for an ongoing exchange of views so as to actively engage and promote regular, effective and fair communication with Shareholders. The investor relations policy sets out the mechanism through which Shareholders may contact the Company with questions and through which the Company may respond to such questions.

The Board welcomes the views of Shareholders on matters affecting the Group, whether at Shareholders' meetings or on an ad-hoc basis. The Board will also engage in investor relations activities to allow the Company to engage Shareholders as and when it deems necessary and appropriate.

The Company's investor relations team is led by the Group Senior Financial Controller who is responsible for integrating finance, accounting, corporate communications, and legal compliance to enable effective communication between the Company and investors. The Company holds briefings to present its financial results for the media and analysts, when requested. Outside of the financial announcement periods, when necessary and appropriate, the Management will meet investors and analysts who wish to seek a better understanding of the Group's business and operations. This also enables the Company to solicit feedback from the investment community on a range of strategic and topical issues which provide valuable insights to the Company on investors' views. When opportunities arise, the Company conducts media interviews to give its Shareholders and the public a better perspective of the Group's business, operations and prospects. The investor relations team can be contacted through the Company's corporate website at www.jumbogroup.sg. The investor relations team has procedures in place for responding to queries from Shareholders on a timely basis.

5. MANAGING STAKEHOLDER RELATIONSHIPS

Engagement with Stakeholders

Principle 13: The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

The Company engages its stakeholders through various channels to ensure that the business interests of the Group are balanced, when compared to the needs and interests of its stakeholders. Stakeholders of the Company include but are not limited to its customers, employees, suppliers, investors, shareholders, and regulators.

The Company has regularly engaged its stakeholders through various channels to ensure that the business interests of the Company are aligned with those stakeholders. Pertinent information is regularly conveyed to the stakeholders through SGXNET. Details of the stakeholders engaged by the Company can be found in the Company's Sustainability Report which is published in this annual report. The Sustainability Report will share information on the Company's sustainability governance structure, stakeholder engagement as well as materiality processes and results.

The Company also maintains a corporate website at www.jumbogroup.sg to communicate and engage with stakeholders.

CORPORATE GOVERNANCE REPORT

DEALINGS IN SECURITIES

(Rule 1204(19) of the Catalist Rules)

The Company has adopted an internal compliance code on dealings in the Company's securities, pursuant to Rule 1204(19) of the Catalist Rules, which all Directors and officers of the Group have been notified of. The Company, all Directors and officers of the Group are prohibited from dealing in the Company's securities during the period commencing one (1) month before the announcement of its half-year and full-year financial results.

All Directors and officers of the Group are expected to observe insider trading laws at all times. In particular, they are aware that dealing in the Company's securities, when they are in possession of unpublished material price-sensitive information in relation to those securities, is an offence. The Directors and officers of the Group are also discouraged from dealing in the Company's securities on short-term considerations.

INTERESTED PERSON TRANSACTIONS

(Rules 907 and 1204(17) of the Catalist Rules)

The Group has adopted an internal policy in respect of any transaction with an interested party within the definition set out in Chapter 9 of the Catalist Rules and has in place procedures for review and approval of all interested person transactions. In the event that a potential conflict of interest arises, the Director concerned will not participate in discussions, abstain from decision-making, and refrain from exercising any influence over other members of the Board.

The Group does not have a general mandate for interested person transactions. There were no interested person transactions of S\$100,000 or more in FY2025.

The Company has established procedures to ensure that all transactions with interested persons are reported in a timely manner to the AC and the transactions will not be prejudicial to the interest of the Group and its minority Shareholders. To ensure compliance with Chapter 9 of the Catalist Rules, the Board and the AC review, on a half yearly basis, interested person transactions entered into by the Group (if any).

MATERIAL CONTRACTS

(Rule 1204(8) of the Catalist Rules)

Save for the service agreements between the Company and the Executive Directors, disclosures in the section entitled "Directors' Statement" of this annual report and the Financial Statements of the Group, there were no other material contracts of the Company and its subsidiaries involving the interests of the Executive Chairman and Group CEO, any Director or controlling Shareholder which is either subsisting at the end of FY2025 or, if not then subsisting, entered into since the end of FY2024.

NON-SPONSOR FEES

(Rule 1204(21) of the Catalist Rules)

There was no non-sponsor fee paid to the Company's sponsor, United Overseas Bank Limited, in FY2025.

DIRECTORS' STATEMENT

For the financial year ended 30 September 2025

The directors submit this statement to the members of Jumbo Group Limited (the "**Company**") together with the audited consolidated financial statements of the Company and its subsidiaries (collectively the "**Group**") and statement of financial position of the Company for the financial year ended 30 September 2025.

In our opinion:

- (a) the accompanying financial statements of the Group and the statement of financial position of the Company are drawn up so as to give a true and fair view of the financial position of the Group and of the Company as at 30 September 2025 and the financial performance, changes in equity and cash flows of the Group for the year ended on that date in accordance with the provisions of the Singapore Companies Act 1967 and Singapore Financial Reporting Standards (International); and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due.

The Board of Directors has, on the date of this statement, authorised these financial statements for issue.

NAME OF DIRECTORS

The directors of the Company in office at the date of this report are as follows:

Ang Kiam Meng	(Executive Chairman and Group CEO)
Christina Ang Chwee Huan	(Executive Director and Group COO)
Dr. Tan Khee Giap	(Lead Independent Director) (Appointed on 2 December 2024)
Seah Hai Yang	(Independent Director)
Chan Hock Keng	(Independent Director) (Appointed on 18 February 2025)
Sim Yu Juan, Rachel	(Non-Executive Director)

ARRANGEMENTS TO ENABLE DIRECTORS TO ACQUIRE SHARES AND DEBENTURES

Neither at the end of nor at any time during the financial year, the Company was a party to any arrangement whose object was to enable the Directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or of any other body corporate, other than as disclosed in this statement.

DIRECTORS' STATEMENT

For the financial year ended 30 September 2025

DIRECTORS' INTERESTS IN SHARES OR DEBENTURES

According to the Register of Directors' Shareholdings kept by the Company under Section 164 of the Act, none of the directors who held office at the end of the financial year had any interest in the shares or debentures of the Company or its related corporations, except as follows:

The Company - Jumbo Group Limited	Number of ordinary shares fully paid registered in the name of director	
	As at 1.10.2024	As at 30.9.2025
Ang Kiam Meng*	10,223,863	10,250,763
Christina Ang Chwee Huan	2,512,942	2,532,042
Sim Yu Juan, Rachel	200,000	200,000

* Mr. Ang Kiam Meng is a spouse of Mdm. Tan Yong Chuan, Jacqueline, and is therefore deemed to be interested in the 3,025,452 shares held by Mdm. Tan Yong Chuan, Jacqueline.

The directors' interests in the shares and options of the Company at 21 October 2025 were the same at 30 September 2025.

SHARE OPTION SCHEME AND PERFORMANCE SHARE PLAN

Share Option Scheme

On 24 January 2025, the shareholders of the Company approved at the Annual General Meeting the extension of the Jumbo Employee Share Option Scheme for an additional 10 years, from 24 January 2025 to 23 January 2035.

There were no options granted during the financial year to subscribe for unissued shares of the Company or of its subsidiaries.

There were no shares issued during the financial year to which this statement relates by virtue of the exercise of the options to take up unissued shares of the Company or any subsidiaries.

There were no unissued shares of the Company or any subsidiaries under option at the end of the financial year.

DIRECTORS' STATEMENT

For the financial year ended 30 September 2025

SHARE OPTION SCHEME AND PERFORMANCE SHARE PLAN (Cont'd)

Performance Share Plan

The Performance Share Plan, adopted by the Company at an extraordinary general meeting of the Company held on 19 October 2015, was implemented to increase the Company's flexibility and effectiveness in its continuing efforts to reward, retain and motivate eligible participants to achieve increased performance, and further strengthen the Company's competitiveness in attracting and retaining talent.

The proposed participation by the Company and grant of share awards ("**Awards**") to Mr. Ang Kiam Meng under the Performance Share Plan was approved by shareholders at an EGM held on 26 January 2017.

On 23 February 2017, the Company granted Awards comprising up to 500,000 shares to Mr. Ang Kiam Meng under the Performance Share Plan.

On 24 January 2025, shareholders approved at the Annual General Meeting the extension of the Jumbo Performance Share Plan for an additional 10 years, from 24 January 2025 to 23 January 2035.

On 16 May 2025, the Company granted Awards comprising up to 89,700 shares to Mr. Ang Kiam Meng and up to 63,800 shares to Ms. Christina Ang Chwee Huan, respectively under the Performance Share Plan.

Number of shares comprised in Awards under the Performance Share Plan

Name of participant	Aggregate granted during the financial year ended 30 September 2025	Aggregate granted since commencement of the Performance Share Plan to 30 September 2025	Aggregate issued and/or transferred pursuant to the vesting of awards since commencement of the Performance Share Plan to 30 September 2025	Aggregate not released as at 30 September 2025
Ang Kiam Meng ⁽¹⁾	89,700	589,700	526,900 ⁽²⁾	62,800
Christina Ang Chwee Huan ⁽³⁾	63,800	63,800	19,100 ⁽⁴⁾	44,700

(1) The Awards of up to 500,000 shares were granted to Mr. Ang Kiam Meng on 23 February 2017 with a vesting period of (a) within 2 months from 26 January 2017 for up to 150,000 shares; and (b) within 2 months from the date of issuance of the Group's audited financial statements for the financial year ended 30 September 2017 for up to 350,000 shares. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

The Awards of up to 89,700 shares were granted to Mr. Ang Kiam Meng on 16 May 2025 with a vesting period of (a) within 1 month from 16 May 2025 for up to 26,900 shares; (b) within 2 months from 1 January 2026 for up to 26,900 shares; and (c) within 2 months from 1 January 2027 for up to 35,900 shares. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

(2) 150,000, 350,000 and 26,900 shares were allotted and issued to Mr. Ang Kiam Meng on 23 March 2017, 28 February 2018 and 27 May 2025 respectively, pursuant to the vesting of the Awards.

(3) The Awards of up to 63,800 shares were granted to Ms. Christina Ang Chwee Huan on 16 May 2025 with a vesting period of (a) within 1 month from 16 May 2025 for up to 19,100 shares; (b) within 2 months from 1 January 2026 for up to 19,100 shares and (c) within 2 months from 1 January 2027 for up to 25,600 shares. The number of shares to be vested will be subject to the achievement of pre-determined performance targets over the performance period.

(4) 19,100 shares were allotted and issued to Ms. Christina Ang Chwee Huan on 27 May 2025, pursuant to the vesting of the Awards.

DIRECTORS' STATEMENT

For the financial year ended 30 September 2025

SHARE OPTION SCHEME AND PERFORMANCE SHARE PLAN (Cont'd)

Save as disclosed above, there were no Awards granted to directors or controlling shareholders of the Company, from the commencement of the Performance Share Plan to the end of the financial year. In addition, no individual has been granted 5.0% or more of the total number of shares to be comprised in Awards available under the Performance Share Plan, from the commencement of the Performance Share Plan to the end of the financial year.

AUDIT COMMITTEE

The Audit Committee of the Company, consisting of all independent directors, is chaired by Mr. Seah Hai Yang, and includes Dr. Tan Khee Giap and Mr. Chan Hock Keng. The Audit Committee has met four times since the last Annual General Meeting ("**AGM**") and has reviewed the following, where relevant, with the executive directors and external and internal auditors of the Company:

- (a) The audit plans, scope of work, evaluation of the adequacy of the internal controls, audit reports, management letters on internal controls and management response;
- (b) The adequacy and effectiveness of the Group's internal controls addressing financial, operational, compliance and information technology risks prior to the incorporation of such results in the annual report;
- (c) The statement of financial position and statement of changes in equity of the Company and the consolidated financial statements of the Group before their submission to the directors of the Company and external auditors' report on those financial statements;
- (d) The half-year and annual announcements as well as the related press releases on the results and financial position of the Company and the Group;
- (e) The co-operation and assistance given by the management to the Group's external auditors;
- (f) Interested person transactions falling within the scope of Chapter 9 of the Listing Manual, Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited and other relevant statutory requirements and any potential conflicts of interests; and
- (g) The re-appointment of the external and internal auditors of the Group.

The Audit Committee has full access to and has the co-operation of the management and has been given the resources required for it to discharge its function properly. It also has full discretion to invite any director and executive officer to attend its meetings. The external and internal auditors have unrestricted access to the Audit Committee.

DIRECTORS' STATEMENT

For the financial year ended 30 September 2025

INDEPENDENT AUDITOR

The independent auditor, Foo Kon Tan LLP, has expressed its willingness to accept re-appointment.

On behalf of the Board of Directors

INDEPENDENT AUDITOR'S REPORT

To the members of Jumbo Group Limited and its subsidiaries

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Jumbo Group Limited (the "**Company**") and its subsidiaries (the "**Group**"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 30 September 2025, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act, 1967 (the "**Act**") and Singapore Financial Reporting Standards (International) ("**SFRS(I)**") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 September 2025, and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("**SSAs**"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("**ACRA**") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("**ACRA Code**") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INDEPENDENT AUDITOR'S REPORT

To the members of Jumbo Group Limited and its subsidiaries

Key Audit Matters (Cont'd)

Impairment of property, plant and equipment and right-of-use assets of non-performing outlets

At 30 September 2025, the carrying value of the Group's property, plant and equipment and right-of-use assets were \$31,220,000 and \$48,615,000 respectively, which represent 21% and 33%, respectively, of the Group's total assets. The Group operates restaurant outlets in Singapore, the People's Republic of China, the Republic of Korea and Taiwan for the financial year ended 30 September 2025. In the previous financial year, management has recorded impairment losses on the Group's property, plant and equipment and right-of-use assets amounting to \$468,000 and \$1,312,000, respectively.

Each restaurant outlet is a cash generating unit ("CGU") that generates cash inflows that are largely independent from the cash inflows of other assets or groups of assets. The Group has certain restaurant outlets that incurred losses during the financial year ended 30 September 2025 which indicates that these property, plant and equipment and right-of-use assets of the restaurant outlets may be impaired.

In accordance with SFRS(I) 1-36 – *Impairment of Assets*, an impairment review is performed on non-financial assets when there is an indication of impairment as well as whether there is any indication that the impairment loss recognised on the CGUs in prior years may no longer exist or may have decreased.

Management determined the recoverable amount of property, plant and equipment and right-of-use assets based on the higher of fair value less costs of disposal and value-in-use calculations. In determining the value-in-use, management is required to apply judgements and make assumptions on estimates supporting underlying projected cash flows, taking into account the operating and current market conditions. Based on management's assessment, no impairment loss was required on the outlets' property, plant and equipment and right-of-use assets, respectively. This area was significant to our audit because the impairment assessment involved significant management judgement and required management to make various assumptions including the revenue growth rates and discount rates used in the underlying discounted cash flow forecasts. No additional or reversal of impairment losses on the Group's property, plant and equipment and right-of-use assets is recorded in the current financial year.

The Group's disclosure on right-of-use assets and property, plant and equipment is set out in Notes 2(a), 12 and 13 to the financial statements.

Our responses and work performed

We reviewed the appropriateness of the Group's processes for identifying the assets and CGUs subject to impairment testing, and assessed the reasonableness of the Group's assessment for indicators for impairment loss or reversal of impairment.

We involved our valuation specialist to assess the value-in-use methodology used by the management and evaluated the key assumptions used in the impairment assessment, in particular the revenue growth rates and discount rates.

INDEPENDENT AUDITOR'S REPORT

To the members of Jumbo Group Limited and its subsidiaries

Key Audit Matters (Cont'd)

Impairment of property, plant and equipment and right-of-use assets of non-performing outlets (Cont'd)

Our responses and work performed (Cont'd)

We reviewed the robustness of management's budgeting process in terms of the Group's seasonal sales pattern by comparing the actual financial performance against previously forecasted results. We compared the revenue growth rates of the non-performing outlets to the recent performance and market expectations. We reviewed management's sensitivity analysis of the carrying amounts of property, plant and equipment and right-of-use assets to changes in certain key assumptions such as revenue growth rates and discount rates. We also assessed whether further impairment losses or reversals of previously recognised impairment losses were required to be recognised in the current financial year.

In addition, we assessed the adequacy of the disclosures on the right-of-use assets and property, plant and equipment in Notes 2(a), 12 and 13 to the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting processes.

INDEPENDENT AUDITOR'S REPORT

To the members of Jumbo Group Limited and its subsidiaries

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT

To the members of Jumbo Group Limited and its subsidiaries

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Kong Chih Hsiang Raymond.

At 30 September 2025	<u>7,575</u>	<u>52,891</u>	<u>60,466</u>

(1) Interest paid reported under "Cash Flows from Operating Activities".

The annexed notes form an integral part of and should be read in conjunction with these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

1 GENERAL INFORMATION

The financial statements of the Group for the year ended 30 September 2025 and the statement of financial position of the Company as at 30 September 2025 were authorised for issue in accordance with a resolution of the directors on the date of the Directors' statement.

The Company is incorporated as a limited liability company domiciled in Singapore and is listed on the Singapore Exchange Securities Trading Limited ("**SGX-ST**").

The principal place of business and registered office at 26 Tai Seng Street, #08-01, J'Forte, Singapore 534057.

The principal activities of the Company are that of an investment holding company. The principal activities of the subsidiaries and associates are disclosed in Notes 8 and 9, respectively, to the financial statements.

2(A) BASIS OF PREPARATION

The financial statements have been prepared in accordance with Singapore Financial Reporting Standards (International) ("**SFRS(I)**") and have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

Items included in the financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("**functional currency**").

The financial statements are presented in Singapore Dollar which is the Company's functional currency. All financial information is presented in Singapore Dollar and have been rounded to the nearest thousand, unless otherwise stated.

The accounting policies have been applied consistently to all years presented in these financial statements.

The preparation of the financial statements in conformity with SFRS(I) requires the use of judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the financial year. Although these estimates are based on management's best knowledge of current events and actions, actual results may differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

2(A) BASIS OF PREPARATION (Cont'd)

Significant accounting estimates and judgement

The significant accounting estimates and assumptions used and areas involving a high degree of judgement are detailed below:

(a) *Critical accounting estimates and assumptions used in applying accounting policies*

The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The Group based its assumptions and estimates on parameters available when the financial statements are prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(i) Impairment of goodwill

Determining whether goodwill is impaired requires an estimation of the recoverable amount determined based on the higher of fair value less costs of disposal and the value in use of the cash-generating unit to which goodwill has been allocated. The value in use calculation requires the entity to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value. As at 30 September 2025, impairment loss of Nil (2024 - \$760,000) was recognised in the consolidated profit or loss. The carrying amount of goodwill at the end of the reporting period is set out in Note 10 to the financial statements.

(ii) Impairment of investment in subsidiaries

Investment in subsidiaries is stated at cost less any impairment loss. The Company follows the guidance of SFRS(I) 1-36 *Impairment of Assets* to determine when its investment in subsidiaries is impaired. The Company evaluates, among other factors, the market and economic environment in which the subsidiaries operate and the financial performance of the subsidiaries to determine whether there are indications of impairment loss and if so, whether the cost of investments in the subsidiaries exceed the higher of the value-in-use of the underlying net assets of the subsidiaries or fair value of investment less cost of disposal.

The carrying amount of the investment in subsidiaries are set out in Note 8 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

2(A) BASIS OF PREPARATION (Cont'd)

Significant accounting estimates and judgement (Cont'd)

The significant accounting estimates and assumptions used and areas involving a high degree of judgement are detailed below: (Cont'd)

(a) *Critical accounting estimates and assumptions used in applying accounting policies (Cont'd)*

(iii) Impairment of property, plant and equipment and right-of-use assets

At the reporting date management performed impairment assessment in accordance with SFRS(I) 1-36 on the Group's property, plant and equipment and right-of-use assets and estimated the recoverable amount of these assets based on the higher of the fair value less costs of disposal and value-in-use.

The key assumptions used for value-in-use calculations for property, plant and equipment and right-of-use assets of these non-performing outlets are as follows:

	2025		2024
	Korea	PRC	PRC
Average revenue growth rate	12.5%	8.8%	8.0%
Discount rate	15.0%	15.0%	13.8%

Based on the assessment, as at 30 September 2025, impairment loss of Nil (2024 - \$1,780,000) was recognised in consolidated profit or loss for the non-performing outlets in Korea and the People's Republic of China ("**PRC**").

Management has performed certain sensitivity analysis on the value-in-use calculations to assess the impact of any reasonably possible change to the key assumptions applied.

Management believes that any reasonably possible change in the key assumptions on which the recoverable amount is based would not cause the carrying amount to exceed the recoverable amount of the remaining property, plant and equipment and right-of-use assets.

The carrying amount of the right-of-use assets and property, plant and equipment are set out in Notes 12 and 13, respectively, to the financial statements.

(iv) Loss allowance for trade and other receivables

Management assesses at the end of the reporting period the expected credit losses ("**ECL**") required for its trade and other receivables and amounts due from subsidiaries. When measuring ECL, management uses reasonable and supportable forward-looking information, including taking into consideration the past collection history, financial information and future business plans of the associates.

Based on this assessment, management assessed that the ECL of Nil as at 30 September 2025 and 2024 to be appropriate. The carrying amount of trade and other receivables at the end of the reporting period are set out in Note 5 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

2(A) BASIS OF PREPARATION (Cont'd)

Significant accounting estimates and judgement (Cont'd)

The significant accounting estimates and assumptions used and areas involving a high degree of judgement are detailed below: (Cont'd)

(a) *Critical accounting estimates and assumptions used in applying accounting policies (Cont'd)*

(v) Deferred tax assets

Deferred tax assets are recognised for the carry forward of unused tax losses, unused tax credits and temporary differences to the extent that it is probable that taxable profit will be available in the foreseeable future. In making this judgment, management takes into consideration factors such as the likely timing of utilisation and level of future taxable profits together with the long-term business strategy and tax planning opportunities. The carrying amount of deferred tax assets at the end of the reporting period is set out in Note 14 to the financial statements.

2(B) STANDARDS ISSUED AND EFFECTIVE THAT ARE APPLICABLE TO THE GROUP

On 1 October 2024, the Group and the Company have adopted all the new and revised SFRS(I), SFRS(I) interpretations ("**SFRS(I) INT**") and amendments to SFRS(I), effective for the current financial year that are relevant to them.

Amendment to SFRS(I) 1-1	:	<i>Classification of Liabilities as Current or Non-current</i>
Amendment to SFRS(I) 1-1	:	<i>Non-current Liabilities with Covenants</i>
Amendment to SFRS(I) 16	:	<i>Lease Liability in a Sale and Leaseback</i>
Amendment to SFRS(I) 1-7 and SFRS(I) 7	:	<i>Supplier Finance Arrangements</i>

The adoption of these new and revised SFRS(I) pronouncements does not result in significant changes to the Group's and the Company's accounting policies and has no material effect on the amounts or the disclosures reported for the current or prior reporting periods.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

2(C) STANDARDS ISSUED BUT NOT YET EFFECTIVE

The following are the new or amended SFRS(I)s issued that are not yet effective but may be early adopted for the current financial period. However, the Group has not early adopted the new or amended SFRS(I)s in preparing these financial statements:

Reference	Description	Effective date (Annual periods beginning on or after)
Amendments to SFRS(I) 10 and SFRS(I) 1-28	<i>Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	Yet to be determined
Amendments to SFRS(I) 1-21	<i>Lack of Exchangeability</i>	1 January 2025
Amendments to SFRS(I) 9 and SFRS(I) 7	<i>Amendments to the Classification and Measurement of Financial Instruments</i>	1 January 2026
Amendments to SFRS(I) 9 and SFRS(I) 7	<i>Contracts Referencing Nature-dependent Electricity</i>	1 January 2026
Annual Improvements to SFRS(I)s - Volume 11		
- Amendments to SFRS(I) 1	<i>Hedge Accounting by a First-Time Adopter</i>	1 January 2026
- Amendments to SFRS(I) 7	<i>Gain or Loss on Derecognition</i>	1 January 2026
- Amendments to SFRS(I) 7	<i>Disclosure of Deferred Difference between Fair Value and Transaction Price</i>	1 January 2026
- Amendments to SFRS(I) 7	<i>Introduction and Credit Risk Disclosures</i>	1 January 2026
- Amendments to SFRS(I) 9	<i>Derecognition of Lease Liabilities</i>	1 January 2026
- Amendments to SFRS(I) 9	<i>Transaction Price</i>	1 January 2026
- Amendments to SFRS(I) 10	<i>Determination of a 'De Facto Agent'</i>	1 January 2026
- Amendments to SFRS(I) 1-7	<i>Cost Method</i>	1 January 2026
SFRS(I) 18	<i>Presentation and Disclosure in Financial Statements</i>	1 January 2027
SFRS(I) 19	<i>Subsidiaries without Public Accountability: Disclosures</i>	1 January 2027

Management does not anticipate that the adoption of the above new or amended SFRS(I)s in future periods will have a material impact on the financial statements of the Group and the Company in the period of their initial adoption.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

2(C) STANDARDS ISSUED BUT NOT YET EFFECTIVE (Cont'd)

SFRS(I) 18 Presentation and Disclosure in Financial Statements

SFRS(I) 18 replaces SFRS(I) 1-1 *Presentation of Financial Statements*:

- introduces new categories and subtotals in the statement of profit or loss;
- requires disclosure of management-defined performance measures; and
- includes new requirements for the location, aggregation and disaggregation of financial information.

An entity will be required to:

- classify all income and expenses within its statement of profit or loss into five categories: operating, investing, financing, income taxes, and discontinued operations; and
- present subtotals for “operating profit or loss” and “profit or loss before financing and income taxes”.

An entity will need to assess whether it has a ‘main business activity’ of investing in assets or providing financing to customers, as specific classification requirements will apply to such entities. Determining whether an entity has such a specified main business activity depends on the facts and circumstances and may require significant judgement. An entity may have more than one main business activity.

SFRS(I) 18 introduces the concept of a management-defined performance measure (MPM) which it defines as a subtotal of income and expenses that an entity uses in public communications outside financial statements, to communicate management’s view of an aspect of the financial performance of the entity. Furthermore, SFRS(I) 18 requires disclosure of information about all of an entity’s MPMs within a single note to the financial statements and requires several disclosures to be made about each MPM, including how the measure is calculated and a reconciliation to the most comparable subtotal specified by SFRS(I) 18 or another standard.

SFRS(I) 18 differentiates between ‘presenting’ information in the primary financial statements and ‘disclosing’ it in the notes, and introduces a principle for determining the location of information based on identified ‘roles’ of the primary financial statements and the notes. SFRS(I) 18 requires aggregation and disaggregation of information to be performed with reference to similar and dissimilar characteristics. Guidance is also provided for determining meaningful descriptions, or labels, for items that are aggregated in the financial statements.

SFRS(I) 18 and consequential amendments to other standards are effective for reporting periods beginning on or after 1 January 2027 and will apply retrospectively. Early adoption is permitted and must be disclosed.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION

Basis of combination

In 2015, the financial statements incorporated the financial statements of the Company and its subsidiaries and had been prepared using the principles of merger accounting and on the assumption that the re-organisation of entities controlled by the same shareholders collectively had been effected as at the beginning of the earliest period presented in these financial statements.

Under merger accounting, the assets, liabilities, revenue, expenses and cash flows and all the entities within the Group are combined after making such adjustments as are necessary to achieve consistency of accounting policies. This manner of presentation reflects the economic enterprise, although the legal parent-subsidiary relationship between the Company and the subsidiaries was not established until 9 November 2015.

Where necessary, adjustments are made to the financial statements of the Group entities to bring their accounting policies in line with those used by other members of the Group.

All significant intercompany transactions and balances between Group enterprises are eliminated on combination.

Consolidation

The consolidated financial statements incorporate the financial statements of the Company and entities (including structured entities) controlled by the Company and its subsidiaries. Control is achieved when the Company:

- Has power over the investee;
- Is exposed, or has rights, to variable returns from its involvement with the investee; and
- Has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally.

The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- The size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- Potential voting rights held by the Company, other vote holders or other parties;
- Rights arising from other contractual arrangements; and
- Any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Consolidation (Cont'd)

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, the results of subsidiaries acquired or disposed of during the year are included in profit or loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Non-controlling interests in subsidiaries are identified separately from the Group's equity therein. Those interest of non-controlling shareholders that are present ownership interests entitling their holders to a proportionate share of net assets upon liquidation may initially be measured at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement is made on an acquisition-by-acquisition basis. Other non-controlling interests are initially measured at fair value. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring its accounting policies in line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between the members of the Group are eliminated on consolidation.

In the Company's separate financial statements, investments in subsidiaries and associates are carried at cost less any impairment in net recoverable value that has been recognised in profit or loss.

Financial instruments

Financial assets and financial liabilities are recognised in the Group's statement of financial position when the Group becomes a party to the contractual provisions of the instruments.

All financial assets are recognised and de-recognised on a trade date basis where the purchase or sale of financial assets is under a contract whose terms require delivery of assets within the time frame established by the market concerned.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial assets (Cont'd)

Classification of financial assets

Debt instruments that meet the following conditions are measured subsequently at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit or loss (FVTPL).

Despite the foregoing, the Group may make the following irrevocable election/designation at initial recognition of a financial asset:

- the Group may irrevocably elect to present subsequent changes in fair value of an equity investment in other comprehensive income if certain criteria are met; and
- the Group may irrevocably designate a debt investment that meets the amortised cost or FVTOCI criteria as measured at FVTPL if doing so eliminates or significantly reduces an accounting mismatch.

Amortised cost and effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period.

For financial assets other than purchased or originated credit-impaired financial assets (i.e. assets that are credit-impaired on initial recognition), the effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) excluding expected credit losses, through the expected life of the debt instrument, or, where appropriate, a shorter period, to the gross carrying amount of the debt instrument on initial recognition.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial assets (Cont'd)

Amortised cost and effective interest method (Cont'd)

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. The gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Interest income is recognised using the effective interest method for debt instruments measured subsequently at amortised cost and at FVTOCI.

Debt instruments classified as at FVTOCI

Fair value is determined in the manner described in Note 34 to financial statements. These debt instruments are initially measured at fair value plus transaction costs. Subsequently, changes in the carrying amount of these debt instruments as a result of foreign exchange gains and losses, impairment gains or losses, and interest income calculated using the effective interest method are recognised in profit or loss. The amounts that are recognised in profit or loss are the same as the amounts that would have been recognised in profit or loss if these debt instruments had been measured at amortised cost.

All other changes in the carrying amount of these debt instruments are recognised in other comprehensive income and accumulated under the header of "investment revaluation reserve". When these debt instruments are derecognised, the cumulative gains or losses previously recognised in other comprehensive income are reclassified to profit or loss.

Financial assets at FVTPL

Financial assets that do not meet the criteria for being measured at amortised cost or FVTOCI are measured at FVTPL. Specifically:

Investments in equity instruments are classified as at FVTPL, unless the Group designates an equity investment that is neither held for trading nor a contingent consideration arising from a business combination as at FVTOCI on initial recognition.

Debt instruments that do not meet the amortised cost criteria or the FVTOCI criteria are classified as at FVTPL. In addition, debt instruments that meet either the amortised cost criteria or the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Group has not designated any debt instruments as at FVTPL.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial assets (Cont'd)

Financial assets at FVTPL (Cont'd)

Financial assets at FVTPL are measured at fair value as at the end of each reporting period, with any fair value gains or losses recognised in profit or loss to the extent they are not part of a designated hedging relationship. The net gain or loss recognised in profit or loss includes any dividend or interest earned on the financial asset and is included in the “other income” line item (Note 24). Fair value is determined in the manner described in Note 34.

Foreign exchange gains and losses

The carrying amount of financial assets that are denominated in a foreign currency is determined in that foreign currency and translated at the spot rate as at the end of each reporting period. Specifically,

- for financial assets measured at amortised cost that are not part of a designated hedging relationship, exchange differences are recognised in profit or loss in the “other income” or “other operating expenses” line item;
- for debt instruments measured at FVTOCI that are not part of a designated hedging relationship, exchange differences on the amortised cost of the debt instrument are recognised in profit or loss in the “other income” or “other operating expenses” line item;
- for financial assets measured at FVTPL that are not part of a designated hedging relationship, exchange differences are recognised in profit or loss in the “other income” or “other operating expenses” line item.

Impairment of financial assets

The Group recognises a loss allowance for expected credit losses (“ECL”) on investments in debt instruments that are measured at FVTOCI. The amount of expected credit losses is updated at the end of each reporting period to reflect changes in credit risk since initial recognition of the respective financial instrument.

The Group always recognises lifetime ECL for trade receivables. The expected credit losses on these financial assets are estimated using a provision matrix based on the Group’s historical credit loss experience, adjusted for factors that are specific to the debtors, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date, including time value of money where appropriate.

For all other financial assets, the Group recognises lifetime ECL when there has been a significant increase in credit risk since initial recognition. If the credit risk on the financial asset has not increased significantly since initial recognition, the Group measures the loss allowance for that financial asset at an amount equal to 12-month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition instead of on evidence of a financial asset being credit-impaired at the reporting date or an actual default occurring.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial assets (Cont'd)

Impairment of financial assets (Cont'd)

Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial asset. In contrast, 12-month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial asset that are possible within 12 months after the reporting date.

Significant increase in credit risk

In assessing whether the credit risk on a financial instrument has increased significantly since initial recognition, the Group compares the risk of a default occurring on the financial instrument as at the reporting date with the risk of a default occurring on the financial instrument as at the date of initial recognition. In making this assessment, the Group considers both quantitative and qualitative information that is reasonable and supportable, including historical experience and forward-looking information that is available without undue cost or effort.

Forward-looking information considered includes the future prospects of the industries in which the Group's debtors operate, obtained from economic expert reports, financial analysts, governmental bodies, relevant think-tanks and other similar organisations, as well as consideration of various external sources of actual and forecast economic information that relate to the Group's core operations.

In particular, the following information is taken into account when assessing whether credit risk has increased significantly since initial recognition:

- existing or forecast adverse changes in business, financial or economic conditions that are expected to cause a significant decrease in the debtor's ability to meet its debt obligations;
- an actual or expected significant deterioration in the operating results of the debtor; and
- an actual or expected significant adverse change in the regulatory, economic, or technological environment of the debtor that results in a significant decrease in the debtor's ability to meet its debt obligations.

Irrespective of the outcome of the above assessment, the Group presumes that the credit risk on a financial asset has increased significantly since initial recognition when contractual payments are more than 30 days past due, unless the Group has reasonable and supportable information that demonstrates otherwise.

Despite the foregoing, the Group assumes that the credit risk on a financial instrument has not increased significantly since initial recognition if the financial instrument is determined to have low credit risk at the reporting date. A financial instrument is determined to have low credit risk if i) the financial instrument has a low risk of default, ii) the borrower has a strong capacity to meet its contractual cash flow obligations in the near term and iii) adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the borrower to fulfil its contractual cash flow obligations.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial assets (Cont'd)

Significant increase in credit risk (Cont'd)

The Group regularly monitors the effectiveness of the criteria used to identify whether there has been a significant increase in credit risk and revises them as appropriate to ensure that the criteria are capable of identifying significant increase in credit risk before the amount becomes past due.

Definition of default

The Group considers the information developed internally or obtained from external sources indicates that the debtor is unlikely to pay its creditors, including the Group, in full (without taking into account any collaterals held by the Group) as constituting an event of default for internal credit risk management purposes as historical experience indicates that receivables that meet either of the following criteria are generally not recoverable.

Irrespective of the above analysis, the Group considers that default has occurred when a financial asset is more than 90 days past due unless the Group has reasonable and supportable information to demonstrate that a more lagging default criterion is more appropriate.

Credit-impaired financial assets

A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of that financial asset have occurred. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- (a) significant financial difficulty of the issuer or the borrower; or
- (b) a breach of contract, such as a default or past due event; or
- (c) the lender(s) of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession(s) that the lender(s) would not otherwise consider; or
- (d) it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation.

Write-off policy

The Group writes off a financial asset when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings, or in the case of trade receivables, when the amounts are over two years past due, whichever occurs sooner. Financial assets written off may still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial assets (Cont'd)

Measurement and recognition of expected credit losses

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information as described above.

As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date; for loan commitments and financial guarantee contracts, the exposure includes the amount drawn down as at the reporting date, together with any additional amounts expected to be drawn down in the future by default date determined based on historical trend, the Group's understanding of the specific future financing needs of the debtors, and other relevant forward-looking information.

For financial assets, the expected credit loss is estimated as the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate.

If the Group has measured the loss allowance for a financial asset at an amount equal to lifetime ECL in the previous reporting period, but determines at the current reporting date that the conditions for lifetime ECL are no longer met, the Group measures the loss allowance at an amount equal to 12-month ECL at the current reporting date, except for assets for which the simplified approach was used.

The Group recognises an impairment gain or loss in profit or loss for all financial assets with a corresponding adjustment to their carrying amount through a loss allowance account, except for investments in debt instruments that are measured at FVTOCI, for which the loss allowance is recognised in other comprehensive income and accumulated in the investment revaluation reserve, and does not reduce the carrying amount of the financial asset in the statement of financial position.

Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit or loss. In addition, on derecognition of an investment in a debt instrument classified as at FVTOCI, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to profit or loss.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments are classified as either financial liabilities or equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities. Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

Bank borrowings

Interest-bearing bank borrowings are measured subsequently at amortised cost, using the effective interest method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in accordance with the Group's accounting policy for borrowing costs (see below).

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

Offsetting arrangements

Financial assets and financial liabilities are offset and the net amount presented in the statement of financial position when the Company or the Group has a legally enforceable right to set off the recognised amounts; and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. A right to set-off must be available today rather than being contingent on a future event and must be exercisable by any of the counterparties, both in the normal course of business and in the event of default, insolvency or bankruptcy.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial liabilities and equity instruments (Cont'd)

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost as at each reporting date, the foreign exchange gains and losses are determined based on the amortised cost of the instruments. These foreign exchange gains and losses are recognised in the "other income" or "other operating expenses" line item in profit or loss.

The fair value of financial liabilities denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period.

Cash and cash equivalents

Cash and cash equivalents in the statement of cash flows comprise cash in hand and at bank and other investments at amortised cost, that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

Inventories

Inventories comprising mainly food and beverages are stated at the lower of cost and net realisable value. Cost comprises all cost of purchase and overheads that have been incurred in bringing the inventories to their present location and condition. Cost is calculated using the first-in-first-out method. Net realisable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

Investment in subsidiaries

In the Company's separate financial statements, investments in subsidiaries are stated at cost less allowance for any impairment losses on an individual subsidiary basis.

Associates

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

The results and assets and liabilities of associates are incorporated in these consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with SFRS(I) 5 *Non-current Assets Held for Sale and Discontinued Operations*. Under the equity method, an investment in an associate is recognised initially in the consolidated statement of financial position at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Associates (Cont'd)

When the Group's share of losses of an associate exceeds the Group's interest in that associate (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate.

An investment in an associate is accounted for using the equity method from the date on which the investee becomes an associate. On acquisition of the investment in an associate, any excess of the cost of the investment over the Group's share of the net fair value of the identifiable assets and liabilities of the investee is recognised as goodwill, which is included within the carrying amount of the investment. Any excess of the Group's share of the net fair value of the identifiable assets and liabilities over the cost of the investment, after reassessment, is recognised immediately in profit or loss in the period in which the investment is acquired.

The requirements of SFRS(I) 1-36 are applied to determine whether it is necessary to recognise any impairment loss with respect to the Group's investment in an associate. When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with SFRS(I) 1-36 as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised is not allocated to any asset, including goodwill that forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with SFRS(I) 1-36 to the extent that the recoverable amount of the investment subsequently increases.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate, or when the investment is classified as held for sale. When the Group retains an interest in the former associate and the retained interest is a financial asset, the Group measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with SFRS(I) 9. The difference between the carrying amount of the associate at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate is included in the determination of the gain or loss on disposal of the associate.

In addition, the Group accounts for all amounts previously recognised in other comprehensive income in relation to that associate on the same basis as would be required if that associate had directly disposed of the related assets or liabilities.

Therefore, if a gain or loss previously recognised in other comprehensive income by that associate would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Group reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the associate is disposed of.

The Group continues to use the equity method when an investment in an associate becomes an investment in a joint venture or an investment in a joint venture becomes an investment in an associate. There is no remeasurement to fair value upon such changes in ownership interests.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Associates (Cont'd)

When the Group reduces its ownership interest in an associate but the Group continues to use the equity method, the Group reclassifies to profit or loss the proportion of the gain or loss that had previously been recognised in other comprehensive income relating to that reduction in ownership interest if that gain or loss would be reclassified to profit or loss on the disposal of the related assets or liabilities.

When a Group entity transacts with an associate of the Group, profits and losses resulting from the transactions with the associate are recognised in the Group's consolidated financial statements only to the extent of interests in the associate that are not related to the Group.

Goodwill

Goodwill arising in a business combination is recognised as an asset at the date that control is acquired (the acquisition date). Goodwill is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interest in the acquiree and the fair value of the acquirer's previously held equity interest (if any) in the acquiree over net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed.

If, after reassessment, the Group's interest in the fair value of the acquiree's identifiable net assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interest in the acquiree and the fair value of the acquirer's previously held equity interest in the acquiree (if any), the excess is recognised immediately in profit or loss as a bargain purchase gain.

Goodwill is not amortised but is reviewed for impairment at least annually. For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in a subsequent period.

On disposal of a subsidiary or the relevant cash generating unit, the attributable amount of goodwill is included in the determination of profit or loss on disposal.

Intangible assets

Intangible assets acquired in a business combination are identified and recognised separately from goodwill. The cost of such intangible assets is their fair value at the acquisition date. Subsequent to initial recognition, intangible assets acquired in a business combination are reported at cost less accumulated amortisation and accumulated impairment losses, on the same basis as intangible assets acquired separately.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Intangible assets (Cont'd)

Intangible assets with finite useful lives (franchise rights and certain trademarks) are amortised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed as at each reporting date, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives (certain trademarks) that are acquired separately are carried at cost less accumulated impairment losses and is reviewed for impairment at least annually, or more frequently when there is an indication that the asset may be impaired.

Amortisation is charged so as to write off the cost of assets over their estimated useful life of 10 years using the straight-line method.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in profit or loss when the asset is derecognised.

Leases

The Group as a lessee

The Group assesses whether a contract is or contains a lease at inception of the contract. The Group recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of twelve months or less) and leases of low value assets. For these leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

(a) *Lease liabilities*

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Group uses the incremental borrowing rate specific to the lessee.

The incremental borrowing rate is defined as the rate of interest that the lessee would have to pay to borrow over a similar term, and with a similar security, the funds necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Leases (Cont'd)

The Group as a lessee (Cont'd)

(a) *Lease liabilities (Cont'd)*

Lease payments included in the measurement of the lease liability comprise:

- fixed lease payments (including in-substance fixed payments), less any lease incentives;
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- the amount expected to be payable by the lessee under residual value guarantees;
- exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

Variable lease payments that are not based on an index or a rate are not included as part of the measurement and initial recognition of the lease liability. The Group recognises those lease payments in the profit or loss in the periods that trigger those lease payments. For all contracts that contain both lease and non-lease components, the Group has elected to not separate lease and non-lease components and account these as one single lease component. The lease liabilities are presented as a separate line item in the statement of financial position.

The lease liability is subsequently measured at amortised cost, by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Group remeasures the lease liability (with a corresponding adjustment to the related right-of-use asset or to the statement of comprehensive income if the carrying amount of the right-of-use asset has already been reduced to nil) whenever:

- the lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate;
- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using the initial discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used); or
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Leases (Cont'd)

The Group as a lessee (Cont'd)

(b) *Right-of-use assets*

The right-of-use asset comprises the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day, less any lease incentives received and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Whenever the Group incurs an obligation for costs to dismantle and remove a leased asset, restore the site on which it is located or restore the underlying asset to the condition required by the terms and conditions of the lease, a provision is recognised and measured under SFRS(I) 1-37. To the extent that the costs relate to a right-of-use asset, the costs are included in the related right-of-use asset, unless those costs are incurred to produce inventories.

Depreciation on right-of-use assets is calculated using the straight-line method to allocate their depreciable amounts over the shorter period of lease term and useful life of the underlying asset.

Outlets and office spaces are depreciated over the remaining lease term.

If a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the Group expects to exercise a purchase option, the related right-of-use asset is depreciated over the useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

The right-of-use assets are presented as a separate line item in the statement of financial position.

The Group applies SFRS(I) 1-36 to determine whether a right-of-use asset is impaired and accounts for any identified impairment loss.

Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. Depreciation on other items of property, plant and equipment is calculated using the straight-line method to allocate their depreciable amount over their estimated useful lives as follows:

Audio, visual and office equipment	3 to 10 years
Kitchen equipment and utensils	3 to 10 years
Furniture and fittings	3 to 10 years
Renovation	3 to 10 years
Leasehold industrial properties	32 to 50 years
Motor vehicles	10 years

Freehold property and work-in-progress assets are not depreciated.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Property, plant and equipment and depreciation (Cont'd)

Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date as a change in estimates.

The cost of property, plant and equipment includes expenditure that is directly attributable to the acquisition of the items. Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the asset.

Subsequent expenditure relating to property, plant and equipment that has already been recognised is added to the carrying amount of the asset when it is probable that future economic benefits in excess of the standard of performance of the asset before that expenditure was made will flow to the Group and the cost can be reliably measured. Other subsequent expenditure is recognised as an expense during the financial year in which it is incurred.

For acquisitions and disposals during the financial year, depreciation is provided from the month of acquisition and to the month before disposal, respectively. Fully depreciated property, plant and equipment are retained in the books of accounts until they are no longer in use.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amounts of the asset and is recognised in the statement of comprehensive income.

Impairment of non-financial assets excluding goodwill

As at each reporting date, the Group and the Company review the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group and the Company estimate the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs to sell and value-in-use. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of comprehensive income, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Impairment of non-financial assets excluding goodwill (Cont'd)

Where an impairment loss subsequently reverses, the carrying amount of the asset (cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of comprehensive income, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

Share capital

Ordinary shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

Treasury shares

The Group's own equity instruments, which are reacquired (treasury shares) are recognised at cost and deducted from equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Group's own equity instruments. Any difference between the carrying amount of treasury shares and the consideration received, if reissued, is recognised directly in equity. Voting rights related to treasury shares are nullified for the Group and no dividends are allocated to them respectively.

Merger reserve

Merger reserve represents the difference between the nominal amount of the share capital of the subsidiaries at the date on which it was acquired by the Company and the amount of the share capital issued as consideration for the acquisition.

Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Provisions (Cont'd)

Provision for reinstatement costs

The Group recognises a liability if the Group has a present legal or constructive obligation to reinstate the leased premises to their original state upon expiry of the lease. The provision is made based on management's best estimate of the expected costs to be incurred to reinstate the leased premises to their original state.

Value-added tax and Goods & Services Tax

Revenue, expenses and assets are recognised net of the amount of value-added tax ("VAT") or Goods & Services Tax ("GST"), except where the VAT/GST incurred on a purchase of assets or services is not recoverable from the taxation authorities, in which case the VAT/GST is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable, and except that trade receivables and trade payables are recorded with the amount of VAT/GST included. The net amount of VAT/GST recoverable from or payable to the taxation authorities are included as part of other receivables or other payables in the statement of financial position.

Share-based payments

The Group issues equity-settled share-based payments to certain employees. Equity-settled share-based payments are measured at fair value of the equity instruments at the date of grant. The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of the number of equity instruments that will eventually vest. At each reporting date, the Group revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve.

Employee benefits

Short-term employee benefits

Short-term benefit obligations, including accumulated compensated absences, are measured on an undiscounted basis and are expensed as the related service is provided. A provision is recognised for the amount expected to be paid under short-term cash bonuses if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided.

Defined contribution obligations

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution pension plans are recognised as an employee benefit expense in the statement of comprehensive income in the periods during which related services are rendered by employees.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Employee benefits (Cont'd)

Employee leave entitlements

Employee entitlements to annual leave are recognised when they accrue to employees. Accrual is made for unconsumed leave as a result of services rendered by employees up to the end of the reporting period.

Income taxes

Income tax expenses represent the sum of the tax currently payable and deferred tax.

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of reporting period.

Deferred income tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting or taxable profit or loss at the time of the transaction.

Deferred tax assets and liabilities are recognised on transactions that, on initial recognition, give rise to equal amounts of deductible and taxable temporary differences, arising from leases and decommissioning liabilities.

Deferred income tax is provided in full, using the liability method, on temporary differences at the statement of financial position between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets and liabilities are recognised for all temporary differences, except:

- Where the deferred tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss;
- In respect of temporary differences associated with investments in subsidiaries, where the timing of the reversal of the temporary differences can be controlled by the Group and it is probable that the temporary differences will not reverse in the foreseeable future; and
- In respect of deductible temporary differences and carry-forward of unutilised tax losses, if it is not probable that taxable profits will be available against which those deductible temporary differences and carry-forward of unutilised tax losses can be utilised.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Income taxes (Cont'd)

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Current and deferred income taxes are recognised as income or expense in the profit or loss, except to the extent that the tax arises from a business combination or a transaction which is recognised either in other comprehensive income or directly in equity. Deferred tax arising from a business combination is adjusted against goodwill on acquisition.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income taxes levied by the same tax authorities on the same taxable entity, or on different tax entities, provided they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

Revenue

Revenue is measured based on the consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer and excludes amounts collected on behalf of third parties.

Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to a customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Sale of food and beverages

Revenue from the sale of food and beverages is recognised at a point in time which is usually upon the delivery of goods to customers.

Franchise and royalty income

Initial franchise income is recognised at the point in time upon the grant of rights, completion of the designated phases of the franchise setup and transfer of know-how to the franchisee in accordance with the terms stated in the franchise agreement. Royalty income is recognised over time as a percentage of the franchisees' revenue in accordance with terms as stated in the franchise agreement.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Revenue (Cont'd)

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Management fees

Revenue from management contracts is recognised over the management period when the services are rendered.

Dividend income

Dividend income from investments is recognised when the shareholders' rights to receive payment have been established.

Sponsorship income

Sponsorship income from suppliers is recognised when the rights to receive payment have been established.

Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and the grants will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire non-current assets are recognised as deferred income in the statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants are recognised as income over the periods necessary to match them with the costs for which they are intended to compensate, on a systematic basis. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Company with no future related costs are recognised in profit or loss in the period in which they become receivable.

Borrowing costs

Borrowing costs are recognised in profit or loss in the period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Related parties

A related party is defined as follows:

- (a) A person or a close member of that person's family is related to the Group and the Company if that person:
 - (i) has control or joint control over the Company;
 - (ii) has significant influence over the Company; or
 - (iii) is a member of the key management personnel of the Group or Company or of a parent of the Company.

- (b) An entity is related to the Group and the Company if any of the following conditions applies:
 - (i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
 - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
 - (iii) both entities are joint ventures of the same third party;
 - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company;
 - (vi) the entity is controlled or jointly controlled by a person identified in (a);
 - (vii) a person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); or
 - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

In considering each possible related party relationship, attention is directed to the substance of the relationship and not merely the legal form.

Key management personnel

Key management personnel are those persons having the authority and responsibility for planning, directing and controlling the activities of the entity. Directors and certain key executive officers are considered key management personnel.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Conversion of foreign currencies

Foreign currency transactions and balances

Transactions in a currency other than the functional currency (“**foreign currency**”) are translated into the functional currency using the exchange rates at the date of the transactions.

Currency translation differences from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the end of reporting period are recognised in profit or loss, unless they arise from borrowings in foreign currencies and net investment in foreign operations.

Those currency translation differences are recognised in the currency translation reserve in the consolidated financial statements and transferred to the profit or loss as part of the gain or loss on disposal of the foreign operation. Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the date of the transactions.

Group entities

The results and financial position of all the Group entities (none of which has the currency of a hyperinflationary economy) and the Company that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (i) Assets and liabilities (including comparatives) are translated at the closing exchange rates at the end of reporting period;
- (ii) Income and expenses for each statement presenting profit or loss and other comprehensive income (i.e. including comparatives) are translated at exchange rates at the dates of transactions; and
- (iii) All resulting currency translation differences are recognised in other comprehensive income and accumulated in the currency translation reserve.

Earnings per share

The Group presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for the effects of all dilutive potential ordinary shares, which comprise share awards granted to employees.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

3 MATERIAL ACCOUNTING POLICY INFORMATION (Cont'd)

Financial guarantee contracts

Financial guarantees are financial instruments issued by the Company that require the issuer to make specified payments to reimburse the holder for the loss it incurs because a specified debtor fails to meet payment when due in accordance with the original or modified terms of a debt instrument.

Financial guarantees issued are initially measured at fair value. Subsequently, they are measured at the higher of the loss allowance determined in accordance with SFRS(I) 9 and the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of SFRS(I) 15.

ECLs are probability-weighted estimate of credit losses. ECLs are measured for financial guarantees issued as the expected payments to reimburse the holder less any amounts that the Company expects to recover.

Operating segments

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker has been identified as the Chief Executive Officer who makes strategic resources allocation decisions.

Additional disclosures on operating segments are shown in Note 31 to the financial statements, including the factors used to identify the reportable segments and the measurement basis of segment information. Segment results that are reported to Chief Executive Officer include items directly attributable to a segment as well as those that can be allocated on a reasonable basis.

4 CASH AND CASH EQUIVALENTS

	The Group		The Company	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000

Investments at amortised cost	15,000	20,000	–	–
	37,541	46,383	2,123	2,191

Investments at amortised cost classified as “cash and cash equivalents” comprise short-term investments with a maturity of three months or less from the date of placement based on the redemption values quoted by the financial institutions with reference to the expected return of the underlying assets and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

5 TRADE AND OTHER RECEIVABLES

	The Group		The Company	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000
Trade receivables:				
- outside parties	2,484	2,722	-	-
- associates	193	185	-	-
	2,677	2,907	-	-
Other receivables:				
- outside parties	412	388	-	-
- associates	1,141	697	-	-
	1,553	1,085	-	-
Amounts due from subsidiaries	-	-	30,210	30,203
Interest receivable from subsidiaries	-	-	861	-
Dividend receivable	-	-	7,000	15,000
Staff loans	26	10	-	-
Refundable deposits	3,752	4,051	-	-
Financial assets at amortised cost	8,008	8,053	38,071	45,203
Prepaid capital expenditures	1,551	-	-	-
Prepayments	1,220	1,265	-	4
	10,779	9,318	38,071	45,207
Current	10,779	9,318	7,861	15,004
Non-current	-	-	30,210	30,203
	10,779	9,318	38,071	45,207

The credit period ranges from 3 to 90 days (2024 - 3 to 90 days). No interest is charged on the outstanding balance.

Loss allowance for trade receivables has always been measured at an amount equal to lifetime expected credit losses (ECL). The ECL on trade receivables are estimated using a provision matrix by reference to past default experience of the debtor and an analysis of the debtor's current financial position, adjusted for factors that are specific to the debtors, general economic conditions of the industry in which the debtors operate and an assessment of both the current as well as the forecast direction of conditions at the end of the reporting period.

There has been no change in the estimation techniques or significant assumptions made during the current reporting period.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

5 TRADE AND OTHER RECEIVABLES (Cont'd)

A trade receivable is written off when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the debtor has been placed under liquidation or has entered into bankruptcy proceedings, or when the trade receivables are over two years past due, whichever occurs earlier. None of the trade receivables that have been written off is subject to enforcement activities.

The expected credit loss rate is immaterial for trade receivables from third parties and associates in all days past due categories as management has assessed and concluded that the amounts are recoverable.

For purpose of impairment assessment, other receivables and refundable deposits are considered to have low credit risk as they are not due for payment at the end of the reporting period and there has been no significant increase in the risk of default on the receivables since initial recognition. Accordingly, for the purpose of impairment assessment for these receivables, the loss allowance is measured at an amount equal to 12-month expected credit losses (ECL).

In determining the ECL, management has taken into account the historical default experience and the financial position of the counterparties, adjusted for factors that are specific to the debtors and general economic conditions of the industry in which the debtors operate, in estimating the probability of default of each of these financial assets occurring within their respective loss assessment time horizon, as well as the loss upon default in each case.

Amount due from subsidiaries are unsecured, of which \$30,210,000 bore interest at 3.8% per annum (2024 - \$30,203,000, interest-free) have been classified as non-current assets as the Company does not expect repayment within 12 months from the reporting date. Management is of the view the amounts due from subsidiaries approximate their fair values.

Dividend receivable from subsidiary is unsecured, interest-free and repayable on demand. The dividend receivable as at 30 September 2025 of \$7,000,000 in respect of FY2024 is expected to be paid out by May 2026.

Management estimates the loss allowance on dividend receivable and amounts due from subsidiaries at an amount equal to 12-month ECL, taking into account the historical default experience, current financial conditions of the subsidiaries and the future prospects of the industry of each subsidiary. No loss allowance has been provided as management has assessed and concluded that the receivables are subject to immaterial credit loss.

There has been no change in the estimation techniques or significant assumptions made during the current or prior reporting period in assessing the loss allowance for other receivables.

Fair value gains	–	178	178
At 30 September 2025	–	5,242	5,242

Note A:

Comprises fixed deposits held by subsidiaries in the People's Republic of China ("PRC") which earn interest ranging from 1.03% to 3.03% (2024 - 1.69% to 3.6%) per annum, have tenures of 1 to 30 days (2024 - 30 days) and are not held to meet short-term cash commitments.

Note B:

Investments in quoted debt investments and equity securities offer the Group and the Company the opportunity for return through dividend income and fair value gains. The fair values of these securities are based on the quoted closing market prices on the last market day of the financial year.

For the purpose of impairment assessment, the quoted debt investments are considered to have low credit risk as the counterparties to the investments have strong credit rating. Accordingly, for the purpose of impairment assessment, the loss allowance is measured at an amount equal to 12-month ECL. Management has assessed and concluded that the investments are subjected to immaterial credit loss.

Note C:

As at 30 September 2024, the investment in debt investments represented the listed redeemable notes that carried interest at 3.98% per annum, and the cut-off yield was between 3.43% and 3.66% per annum, and matured on 12 September 2025.

These redeemable notes were held by the Group within a business model whose objective is both to collect their contractual cash flows which are solely payments of principal and interest on the principal amount outstanding and to sell these financial assets. Accordingly, the redeemable notes were classified as at FVTOCI.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

6 OTHER INVESTMENTS (Cont'd)

Note D:

The unquoted equity investment represents the Group's 10% equity interest in a corporation which operates a restaurant outlet in Singapore, which is not held for trading, but are held for medium to long-term strategic purposes. Accordingly, the Group has elected to designate the investment as at FVTOCI because the Group views that recognising short-term fluctuations in the fair value in profit or loss is not consistent with the Group's strategy of holding the investment for long-term purposes and realising its performance potential in the long run.

8 INVESTMENT IN SUBSIDIARIES (Cont'd)

Foo Kon Tan LLP is the auditor of all significant Singapore-incorporated subsidiaries. Other member firms of HLB International are auditors of significant foreign-incorporated subsidiaries. For this purpose, a subsidiary is considered significant as defined under the Catalist Rules of the Singapore Exchange Limited if its net tangible assets represent 20% or more of the Group's consolidated net tangible assets, or if its pre-tax profits account for 20% or more of the Group's consolidated pre-tax profits.

Information about the Group's non-significant subsidiaries at the end of the reporting period is as follows:

Principal activities	Place of incorporation/ principal place of business	Number of non-significant subsidiaries	
		2025	2024
Investment holding	Singapore	1	1
Investment holding	Indonesia	1	1
Operations and management of restaurants	Singapore	1	1
	Taiwan	1	1
	Indonesia	1	–

Non-wholly owned subsidiaries

Information about the composition of non-wholly owned subsidiaries of the Group at the end of the reporting period is as follows:

Principal activities	Place of incorporation/ principal place of business	Number of non-wholly owned subsidiaries	
		2025	2024
Investment holding	Singapore	1	1
Operations and management of restaurants	Singapore	3	3
	PRC	2	2
	Taiwan	1	1
	Indonesia	1	–

NOTES TO THE FINANCIAL STATEMENTS

9 INVESTMENT IN ASSOCIATES (Cont'd)

	2025	2024
	\$'000	\$'000
The Group		
Unrecognised share of losses of associates		
Cumulative share of losses of associates	(204)	(284)

10 GOODWILL

Goodwill acquired in a business combination is allocated, at acquisition, to the cash generating units ("CGU") that are expected to benefit from that business combination. The Group tests goodwill annually for impairment, or more frequently if there are indications that goodwill might be impaired.

	2025	2024
	\$'000	\$'000
The Group		
At the beginning of the year	2,596	3,361
Impairment loss recognised	–	(760)
Exchange differences on translation	–	(5)
At the end of the year	2,596	2,596
<u>Allocated to cash-generating units ("CGUs"):</u>		
Ng Ah Sio Bak Kut Teh business in Singapore	782	782
Kok Kee Wanton Noodle Pte. Ltd.	1,814	1,814
At the end of the year	2,596	2,596

The recoverable amount of each CGU is determined from a value in use calculation. Management estimates discount rates using pre-tax rates that reflect current market assessments of the time value of money and the risks specific to the CGU. The revenue growth rates are based on past experience adjusted for industry growth forecasts and expectations of future changes in the market.

Cash flow projections used in the value-in-use calculations were based on the most recent financial budgets approved by management for the next five years. Key assumptions used for value-in-use calculations for goodwill are as follows:

	2025		2024	
	Average revenue growth rate	Discount rate	Average revenue growth rate	Discount rate
Ng Ah Sio Bak Kut Teh business in Singapore	5.5%	13.5%	8.9%	13.5%
Kok Kee Wanton Noodle Pte. Ltd.	1.0%	13.5%	2.7%	13.5%

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

10 GOODWILL (Cont'd)

As at 30 September 2025 and 2024, any reasonably possible change to the key assumptions applied are not likely to cause the recoverable amounts to be below the carrying amounts of the CGU.

In 2024, impairment loss of \$760,000 was recognised in profit or loss due to underperformance of the Group's Taiwanese operation.

At 30 September 2024	19,888	161	20,049
New leases	30,663	12,265	42,928
Depreciation for the year	(12,132)	(1,305)	(13,437)
Lease modifications	362	783	1,145
Early termination/end of leases	(1,980)	–	(1,980)
Exchange differences on translation	(89)	(1)	(90)
At 30 September 2025	36,712	11,903	48,615

Movement in impairment loss as follows:

	2025 \$'000	2024 \$'000
At the beginning of the year	1,692	410
Impairment loss recognised	–	1,312
Written off	(777)	–
Exchange differences on translation	(11)	(30)
At the end of the year	904	1,692

The Group leases several outlets and office spaces, and the average lease term is 3 to 11 years (2024 - 3 to 5 years). Certain leases expired in the current financial year and were replaced by new leases for identical underlying assets. This resulted in new leases of \$42,928,000 (2024 - \$6,590,000) in 2025.

Certain of the Group's restaurant outlets have incurred losses during the financial year ended 30 September 2025 and 2024 which indicated that these right-of-use assets may be impaired. Arising from this, management carried out a review of the recoverable amount of the outlets in the PRC and Korea due to the challenging economic conditions. The recoverable amount was determined based on the value-in-use of these outlets and the review led to no additional or reversal of impairment loss recorded (2024 - impairment loss of \$1,312,000) in the profit or loss. The revenue growth rate and discount rate used in determining the value-in-use was as follows:

	2025 Korea	2025 PRC	2024 PRC
Average revenue growth rate	12.5%	8.8%	8.0%
Discount rate	15.0%	15.0%	13.8%

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

13 PROPERTY, PLANT AND EQUIPMENT (Cont'd)

The cost of fully depreciated assets still in use for the Group amounted to \$37,557,000 (2024 - \$30,799,000).

Freehold property with a carrying amount of \$5,660,000 as at 30 September 2025 and 2024 have been pledged to secure borrowings of the Group, as disclosed in Note 18. The Group is not allowed to pledge this asset as security for other borrowings or to sell them to another entity.

As at 30 September 2025, leasehold industrial properties with a carrying amount of \$5,563,000 have been pledged as bank guarantee to secure refundable deposit of the Group.

14 DEFERRED TAX ASSETS AND LIABILITIES

The following are the major deferred tax assets and liabilities recognised by the Group, and the movements thereon, during the current and prior reporting periods:

	At 1 October 2024	Recognised in profit or loss	Translation differences	At 30 September 2025
	\$'000	\$'000	\$'000	\$'000
		(Note 26)		
The Group				
Lease liabilities	4,764	4,731	(23)	9,472
Unutilised tax losses	906	–	(1)	905
Provision	156	429	–	585
Deferred tax assets	5,826	5,160	(24)	10,962
Property, plant and equipment	(246)	(226)	–	(472)
Right-of-use assets	(4,417)	(4,296)	21	(8,692)
Deferred tax liabilities	(4,663)	(4,522)	21	(9,164)
Net amount	1,163	638	(3)	1,798

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

14 DEFERRED TAX ASSETS AND LIABILITIES (Cont'd)

	At 1 October 2023	Recognised in profit or loss	Translation differences	At 30 September 2024
	\$'000	\$'000 (Note 26)	\$'000	\$'000
The Group				
Lease liabilities	4,696	129	(61)	4,764
Unutilised tax losses	1,275	(369)	–	906
Provision	44	112	–	156
Deferred tax assets	6,015	(128)	(61)	5,826
Property, plant and equipment	(138)	(108)	–	(246)
Right-of-use assets	(4,696)	223	56	(4,417)
Deferred tax liabilities	(4,834)	115	56	(4,663)
Net amount	1,181	(13)	(5)	1,163

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

The following is the analysis of the deferred tax balances (after offset) for financial reporting purposes:

	2025	2024
	\$'000	\$'000
The Group		
Deferred tax assets	2,270	1,253
Deferred tax liabilities	(472)	(90)
	1,798	1,163

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

15 TRADE AND OTHER PAYABLES

	The Group		The Company	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000
Trade payables	4,808	6,941	–	–
Other payables	4,033	3,025	–	–
Accrued directors' fees	43	42	43	42
Accrued capital expenditures	924	–	–	–
Accrued employee benefits expenses	9,923	10,654	–	–
Accrued operating expenses	917	818	182	110
Other advances	2,614	1,960	–	–
Financial liabilities at amortised cost	23,262	23,440	225	152
Accrued credit expenses	911	782	–	–
Output GST/VAT payable, net	1,075	2,009	–	–
	25,248	26,231	225	152

Trade and other payables comprising outstanding trade purchases and operating costs are non-interest bearing and are normally settled on 30 days (2024 - 30 days) terms.

Accrued credit expense relates to the credits issued under the loyalty programme that are expected to be redeemed but are still outstanding as at the end of the financial year. The loyalty programme allows members to accumulate credits when they spend in the Group's restaurants. These credits can be off set against billings from the Group's outlets and/or redeem for certain merchandise.

Other advances mainly relate to advances received from customers for the sale of cash vouchers and membership stored value cards which are recognised as revenue when utilised by the customers. As at 1 October 2023, other advances amounted to \$1,993,000. The amount of revenue recognised in the current reporting period which relates to brought-forward advances is \$1,960,000 (2024 - \$1,993,000).

There was no revenue recognised in the current reporting period that related to performance obligations that were satisfied in prior years.

16 PROVISION FOR REINSTATEMENT COSTS

	2025	2024
	\$'000	\$'000
The Group		
Balance at beginning of year	3,710	3,738
Additions during the year	1,385	162
Amount paid and utilised	(105)	(63)
Write-back during the year (Note 24)	(283)	(115)
Exchange differences	(10)	(12)
Balance at end of year	4,697	3,710

Provision for reinstatement costs is an estimation for the reinstatement of the Group's leased premises to their original state upon expiry of the respective leases.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

17 LEASE LIABILITIES

	2025	2024
	\$'000	\$'000
The Group		
Undiscounted lease payments due:		
- Year 1	11,448	12,776
- Year 2	9,900	5,159
- Year 3	7,519	2,509
- Year 4	5,473	2,034
- Year 5	4,762	1,748
- Year 6 onwards	24,376	88
	63,478	24,314
Less: Future interest costs	(10,587)	(1,442)
	52,891	22,872
Presented as:		
- Current	9,357	12,101
- Non-current	43,534	10,771
	52,891	22,872
Expenses relating to:		
- short-term leases	1,692	842
- leases of low value assets	324	317
	2,016	1,159
Variable lease payments not included in the measurement of the lease liabilities	3,535	3,531
Total operating lease expenses (Note 27)	5,551	4,690
Cash flows from operating activities:		
- Interest paid	2,121	1,080
Cash flows from financing activities:		
- Repayment of lease obligations	10,689	12,116
Total cash outflow for all leases	18,361	17,886

Some of the outlets' leases in which the Group is the lessee contain variable lease payment terms that are linked to sales generated from the leased stores. Variable payment terms are used to link rental payments to store cash flows and reduce fixed costs.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

17 LEASE LIABILITIES (Cont'd)

Overall, the variable payments constitute up to 19% (2024 - 20%) of the Group's entire lease payments. The Group expects this ratio to remain constant in future years. The variable payments depend on sales and consequently on the overall economic development of the countries in which the Group operates in over the next few years. Taking into account the development of sales expected over the next 12 months, variable rent expenses are expected to continue to present a similar proportion of property income in future years.

18 BANK BORROWINGS

	The Group		The Company	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000
Secured bank loan - floating rate	–	4,228	–	–
Secured bank loan - fixed rate	4,112	–	–	–
Unsecured bank loans - fixed rate	3,463	8,570	1,040	2,060
	7,575	12,798	1,040	2,060
Presented as:				
- Current	3,264	5,211	1,040	1,020
- Non-current	4,311	7,587	–	1,040
	7,575	12,798	1,040	2,060

As at 30 September 2025, the Group's secured borrowing amounting to \$4,112,000 (2024 - \$4,228,000) is secured by a charge on the freehold property of a subsidiary located at 208 Rangoon Road, Hong Building, Singapore 218453, as disclosed in Note 13. As at 30 September 2024, the loan bore floating interest rate at an average effective interest rate between 4.58% and 4.83% per annum. In December 2024, the loan was repriced to a 2-year fixed interest rate of 3.45% per annum.

The Group's and Company's unsecured bank borrowings amounting to \$3,463,000 (2024 - \$8,570,000) and \$1,040,000 (2024 - \$2,060,000), respectively, bearing fixed interest rates at 2% and 3.14%, and 2% (2024 - 2% and 3.14%, and 2%) per annum for a tenure of 5 years.

Management is of the view that the fair values of the Group's bank borrowings approximate their carrying amounts.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

19 SHARE CAPITAL

	No. of ordinary shares	Amount \$'000
The Group and The Company		
At 1 October 2023	643,658,465	49,436
Purchase and cancellation of shares	(29,975,722)	(7,794)
At 30 September 2024 and 2025	613,682,743	41,642

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company. All shares rank equally with regards to the Company's residual assets.

On 11 March 2024, the Company completed the off-market equal access share buyback exercise and acquired 29,975,722 shares for a total consideration of \$7,794,000 and subsequently cancelled them.

20 TREASURY SHARES

	No. of ordinary shares	Amount \$'000
The Group and The Company		
At 1 October 2023	2,453,300	732
On-market repurchase during the year	1,166,000	300
Off-market repurchase during the year	7,546,700	1,962
At 30 September 2024	11,166,000	2,994
On-market repurchase during the year	1,455,600	383
Treasury shares transferred on vesting of performance share grant	(152,500)	(41)
At 30 September 2025	12,469,100	3,336

In 2025, the Company acquired 1,455,600 (2024 - 1,166,000) of its own shares through on-market purchases on the Singapore Exchange for a total consideration of \$383,000 (2024 - \$300,000); and reissued 152,500 treasury shares pursuant to its performance share plan at a weighted average share price of approximately \$0.27 per share amounting to \$41,000.

On 11 March 2024, the Company completed the off-market equal access share buyback exercise and acquired 7,546,700 shares for a total consideration of \$1,962,000.

21 CURRENCY TRANSLATION RESERVE

The foreign currency translation reserve comprises foreign exchange differences arising from the translation of the financial statements of foreign operations.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

22 MERGER RESERVE

Merger reserve represents the difference between the nominal amount of the share capital of the subsidiaries at the date on which they were acquired by the Company and the purchase consideration paid by the Company for the acquisition using the principles of merger accounting applicable to business combination under common control.

23 REVENUE

	22,356	18,819

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

26 TAX EXPENSE

Major components of income tax expense

The major components of income tax expenses for the year ended 30 September 2025 and 2024 are:

	2025	2024
	\$'000	\$'000
The Group		
Current tax expense		
- Current year tax expense	3,366	4,326
- Withholding tax	35	48
- Over provision of current tax expense in respect of prior years	(12)	–
	3,389	4,374
Deferred tax (income)/expense (Note 14)		
- Current year tax (income)/expense	(234)	13
- Deferred tax assets understated in prior years	(404)	–
	(638)	13
	2,751	4,387

Singapore income tax is calculated at 17% (2024 - 17%) of the estimated assessable profit or loss for the year. Taxation for other jurisdictions is calculated at the prevailing corporate tax rates in the relevant jurisdictions.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

26 TAX EXPENSE (Cont'd)

Reconciliation of effective tax rate

The applicable tax rate used in the reconciliation between the Group's tax expense and accounting profit is the Singapore statutory tax rate based on the jurisdiction where the Company and most group entities are established.

	2025	2024
	\$'000	\$'000
The Group		
Profit before taxation	10,486	16,346
Share of results of associates	(418)	97
	10,068	16,443
Tax at statutory rate of 17% (2024 - 17%)	1,712	2,795
Effect of tax rates in foreign jurisdiction	(244)	(559)
Tax effect on non-deductible expenses	649	1,915
Deferred tax assets on temporary differences not recognised	1,124	270
Utilisation of deferred tax previously not recognised	–	(21)
Withholding tax	35	48
Over provision of current tax expense in respect of prior years	(12)	–
Deferred tax assets understated in prior years	(404)	–
Others	(109)	(61)
	2,751	4,387
<u>Movement in income tax payable:</u>		
At 1 October	4,458	2,049
Current tax expense	3,389	4,374
Income tax paid	(4,555)	(2,074)
Others	(21)	109
At 30 September	3,271	4,458

Non-deductible expenses mainly comprise of impairment losses recognised on property, plant and equipment, right-of-use assets and goodwill, and depreciation in FY2024 and amortisation expenses on property, plant and equipment and right-of-use assets in FY2025.

Subject to the agreement by the tax authorities, at the reporting date, the Group has unutilised tax losses of \$17,129,000 (2024 - \$10,618,000) available for offsetting against their future taxable profits. Deferred tax assets have been recognised in respect of \$3,478,000 (2024 - \$3,578,000) of such losses.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

26 TAX EXPENSE (Cont'd)

No deferred tax asset has been recognised in respect of the current year's losses of certain subsidiaries of \$13,651,000 (2024 - \$7,040,000) as it is not considered probable that there will be future taxable profits available. At the reporting date, the Group has unutilised tax losses of \$16,500,000 (2024 - \$10,562,000) expiring between 2026 and 2040 (2024 - 2025 and 2033). The comparatives have been changed to reflect the revised temporary differences and unutilised losses after the relevant tax authorities have finalised the tax status of certain open years of assessment for certain entities within the Group.

27 PROFIT FOR THE YEAR

The following items have been included in arriving at profit for the year:

	2025	2024
	\$'000	\$'000
The Group		
Audit fees paid to:		
- auditors of the Company	181	157
- other auditors	56	80
Non-audit fees paid to auditors of the Company	41	32
Operating lease expenses (Note 17)	5,551	4,690
Cost of inventories recognised as an expense	66,236	65,382
Employee benefits expenses:		
- Directors' fees of the Company	201	316
- Salaries, bonuses and other costs*	59,057	57,902
- Contributions to defined contribution plans*	4,261	3,984
Share-based payment, equity settled*	68	-
	63,587	62,202

* Included in the above are key management personnel compensation paid which is disclosed in Note 28(iii).

28 RELATED PARTY TRANSACTIONS

(i) Related companies' transactions

Related companies in these financial statements refer to members of the Company's Group of companies.

Some of the Company's transactions and arrangements are between members of the Group and the effect of these on the basis determined between the parties is reflected in these financial statements. The intercompany balances are unsecured, interest-free, expected to be settled in cash and repayable on demand unless otherwise stated.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

28 RELATED PARTY TRANSACTIONS (Cont'd)

(ii) Other related party transactions

Some of the Group's transactions and arrangements are with related parties and the effect of these on the basis determined between the parties is reflected in these financial statements. The balances are unsecured, interest-free, expected to be settled in cash and repayable on demand unless otherwise stated.

During the year, significant transactions entered into by Group entities with related parties were as follow:

	2025	2024
	\$'000	\$'000
The Group		
Sales of food and beverage to associates	(1,837)	(1,670)
Management fees received from associates (Note 24)	(297)	(248)

(iii) Compensation of key management personnel

Key management personnel of the Group are those persons having the authority and responsibility for planning, directing and controlling the activities of the Group. The directors are considered as key management personnel of the Group. The remuneration of directors and other members of key management during the year was as follow:

	2025	2024
	\$'000	\$'000
The Group		
Short-term employee benefits	3,206	3,462
Post-employment benefits	91	88
Share-based payments, equity settled	18	–
Total compensation	3,315	3,550

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

29 COMMITMENTS

Disclosure required by SFRS(I) 16

The Group as a lessee

As at 30 September 2025, the Group is committed to \$187,000 (2024 - \$98,000) for short-term leases.

As at 30 September 2025 and 2024, the Group has outstanding commitments for leases not yet commenced for which the undiscounted lease payments fall due as follows:

	2025	2024
	\$'000	\$'000
The Group		
Within one year	363	451
Within two to five years	758	1,073
	1,121	1,524

Contingent rental for the Group payable at certain percentage of monthly gross turnover has been excluded from the lease commitments above.

Capital commitments

Capital expenditures contracted for at the reporting date but not recognised in the financial statements are as follows:

	2025	2024
	\$'000	\$'000
The Group		
Property, plant and equipment	2,189	–

Financial guarantees

Intra-group financial guarantees comprise corporate guarantees amounting to \$6,534,000 (2024 - \$10,734,000) granted by the Company to banks in respect of banking facilities to secure banking facilities provided to certain subsidiaries. The financial guarantees will expire when the loans have been paid and discharged and/or when the banking facilities are no longer available to the subsidiaries. These financial guarantee contracts are accounted for under SFRS(I) 9.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

30 EARNINGS PER SHARE

The calculation of the earnings per share attributable to the ordinary owners of the Company is based on the following data:

	2025	2024
The Group		
<u>Earnings per ordinary share</u>		
Profit attributable to owners of the Company (\$'000)	8,659	13,650
Weighted average number of ordinary shares outstanding for basic earnings per share ('000)	601,671	620,233
Basic earnings per share (cents)	1.4	2.2
Weighted average number of ordinary shares (diluted) used to determine diluted earnings per share ('000)	601,858	620,233
Diluted earnings per share (cents)	1.4	2.2

Basic earnings per share are calculated by dividing the Group's profit for the year attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year.

Diluted earnings per share are calculated by dividing the Group's profit for the year attributable to owners of the Company by the weighted average number of ordinary shares outstanding during the financial year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

The weighted average number of ordinary shares used for the calculation of earnings per share for the comparatives have been adjusted for the weighted average effect of changes in treasury shares transactions during the year.

31 SEGMENTS INFORMATION

Reportable segment

Information reported to the Group's chief operating decision maker for the purposes of resource allocation and assessment of segment performance is specifically focused on the restaurant business which forms the basis of identifying the operating segments of the Group under SFRS(I) 8-Operating Segments. The aggregated restaurant business is therefore the Group's only reportable segment.

The accounting policies of the reportable segment are the same as the Group's accounting policies described in Note 3.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

31 SEGMENTS INFORMATION (Cont'd)

Geographical information

The Group operates in Singapore, the PRC, Taiwan and South Korea.

The following table provides an analysis of the Group's revenue from external customers based on the geographical location where revenue is generated:

	2025	2024
	\$'000	\$'000
The Group		
<u>Revenue by geographical market</u>		
Singapore	165,400	167,079
PRC	18,311	18,894
Taiwan	3,421	3,352
South Korea	3,140	1,093
Total	190,272	190,418

The following is an analysis of the carrying amount of segment assets analysed by the geographical location in which the assets are located:

	2025	2024
	\$'000	\$'000
The Group		
<u>Non-current assets</u>		
Singapore	76,834	37,896
PRC	9,017	14,909
Taiwan	2	359
South Korea	1,033	1,252
Total	86,886	54,416

The segment assets are made up of non-current assets which comprise property, plant and equipment, right-of-use assets, associates, goodwill, intangible assets, club memberships and deferred tax assets.

Information about major customers

There is no single major customer that contributed more than 5% of the Group's total revenue. The revenue is spread over a broad base of customers.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

32 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise adverse effects from the unpredictability of financial markets on the Group's financial performance. The Group is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks included credit risk, liquidity risk, interest rate risk and foreign currency risk.

The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. Management manages and monitors these exposures to ensure appropriate measures are implemented on a timely and effective manner. There has been no significant change in the Group's exposure to these risks or the manner in which it manages and measures risks.

The Group does not hold or issue derivative financial instruments for trading purposes or to hedge against fluctuations, if any, in interest rates and foreign exchange.

Credit risk

Credit risk refers to the risk that counterparties may default on their contractual obligations resulting in financial loss to the Group.

The Group has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults.

The Group's credit risk is primarily attributable to its cash and bank balances and trade and other receivables. Liquid funds are placed with financial institutions with high credit ratings. The credit risk with respect to the trade receivables is limited as the Group's revenue are generated mainly from cash and credit card sales. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant apart from receivables due from an associate.

The Group has no significant concentration of credit risk. Trade receivables are spread over a broad base of customers.

The Company is exposed to a concentration of credit risk as 100% (2024 - 100%) of its receivables are due from subsidiaries, Jumbo Group of Restaurants Pte Ltd and Jumbo F&B Services Pte Ltd. These subsidiaries have been assessed to be creditworthy and management has assessed that no allowance for doubtful receivables is required.

The carrying amount of financial assets recorded in the financial statements represents the Group's and the Company's maximum exposure to credit risks.

The Group and Company develop and maintain its credit risk gradings to categorise according to their degree of risk of default. Management uses the Group's own trading records to rate its customers and other debtors.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

32 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Cont'd)

Credit risk (Cont'd)

The Group's current credit risk grading framework comprises the following categories:

Category	Description	Basis for recognising ECL
Performing	The counterparty has a low risk of default and does not have any past-due amounts.	12-month ECL
Doubtful	Amount is >30 days past due or there has been a significant increase in credit risk since initial recognition.	Lifetime ECL - not credit-impaired
In default	Amount is >90 days past due or there is evidence indicating the asset is credit-impaired.	Lifetime ECL - credit-impaired
Write-off	There is evidence indicating that the debtor is in severe financial difficulty and the Group has no realistic prospect of recovery.	Amount is written off

Further details of credit risk on trade and other receivables are disclosed in Note 5 to the financial statements. The tables below detail the credit quality of the Group's and Company's financial assets as well as maximum exposure to credit risk by credit risk rating grades:

	Note	Internal credit rating	12-month or lifetime ECL	Gross carrying amount \$'000	Loss allowance \$'000	Net carrying amount \$'000
The Group						
At 30 September 2025						
Trade receivables	5	(i)	Lifetime ECL (Simplified approach)	2,677	–	2,677
Other receivables	5	(ii)	12-month ECL	1,553	–	1,553
Staff loans	5	(ii)	12-month ECL	26	–	26
Refundable deposits	5	(ii)	12-month ECL	3,752	–	3,752
				8,008	–	8,008
At 30 September 2024						
Trade receivables	5	(i)	Lifetime ECL (Simplified approach)	2,907	–	2,907
Other receivables	5	(ii)	12-month ECL	1,085	–	1,085
Staff loans	5	(ii)	12-month ECL	10	–	10
Refundable deposits	5	(ii)	12-month ECL	4,051	–	4,051
				8,053	–	8,053

Due from subsidiaries	5	(ii)	12-month ECL	30,210	–	30,210
Interest receivable	5	(ii)	12-month ECL	861	–	861
				38,071	–	38,071
At 30 September 2024						
Dividend receivable	5	(ii)	12-month ECL	15,000	–	15,000
Due from subsidiaries	5	(ii)	12-month ECL	30,203	–	30,203
				45,203	–	45,203

- (i) For trade-related balances, the Group has applied the simplified approach in SFRS(I) 9 to measure the loss allowance at lifetime ECL. The Group determines the expected credit losses on these items based on historical credit loss experience based on the past due status of the debtors, adjusted as appropriate to reflect current conditions and estimates of future economic conditions.
- (ii) For non-trade related balances, the Group has measured the loss allowance at an amount equal to 12-month ECL.

Details of management's evaluation of credit risk related to other investments is disclosed in Note 6 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

32 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Cont'd)

Equity price risk

The Group is exposed to equity risks arising from equity investments classified as other investments.

Further details of the other investments is disclosed in Note 6 to the financial statements respectively.

Price sensitivity

If equity price has been 10% higher/lower, the Group's profit before tax for the financial year ended 30 September 2025 would increase/decrease by \$69,000 (2024 - \$64,000).

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market interest rates.

The Group is exposed to interest rate risk because entities in the Group borrow funds at both fixed and floating rate. The risk is managed by the Group maintaining an appropriate mix between fixed and floating rate borrowings. Further details on the Group's lease liabilities and bank borrowings can be found in Notes 17 and 18, respectively, to the financial statements.

The Group's exposure to interest rates on financial assets and financial liabilities are detailed in the liquidity risk management section of this note.

The sensitivity analysis below has been determined based on the exposure to interest rates for its floating-rate borrowings at the reporting date. For floating-rate borrowings, the analysis is prepared assuming the amount of borrowings outstanding at the reporting date was outstanding for the whole year.

If the interest rates had been 100 basis points higher or lower and all other variables were held constant, the Group's profit before tax ended 30 September 2024 would decrease/increase by \$42,000. The Group does not have floating-rate borrowings as at 30 September 2025.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

32 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Cont'd)

Foreign currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Currency risk arises when transactions are denominated in foreign currencies.

The Group operates principally in Singapore and has operations in the PRC, Taiwan, Korea and Indonesia, giving rise to some exposures to market risk from changes in foreign exchange rates primarily with respect to Chinese Renminbi, New Taiwan Dollar, South Korean Won and Indonesian Rupiah. The Group relies on the natural hedges between such transactions.

The Group does not enter into any derivative contracts to hedge the foreign exchange risk. The Group's monetary assets and monetary liabilities are largely denominated in the respective Group entities' functional currencies.

As the Group's and Company's principal operations are predominately in Singapore, it is not significantly exposed to foreign exchange risk and thus foreign currency risk sensitivity analysis has not been disclosed.

Liquidity risk

Liquidity or funding risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Group maintains sufficient cash and bank balances and internally generated cash flows to finance its working capital requirements.

The Group

All financial assets mature within 1 year from the end of the reporting period, except for other investments as disclosed in Note 6 to the financial statements.

The Company

All financial assets are repayable on demand except for amounts due from subsidiaries as disclosed in Note 5.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

32 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (Cont'd)

Liquidity risk (Cont'd)

Non-derivative financial liabilities

The following tables detail the remaining contractual maturity for non-derivative financial liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Group and the Company can be required to pay. The table includes both interest and principal cash flows. The adjustment column represents the possible future cash flows attributable to the instrument included in the maturity analysis which is not included in the carrying amount of the financial liability on the statement of financial position.

	Weighted average effective interest rate	On demand or within 1 year	Between 2 and 5 years	Over 5 years	Future interest costs	Total

		30,837	36,238	1,265	2,212

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

34 FAIR VALUE MEASUREMENT

Definition of fair value

SFRS(I)s define fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Estimations of the fair value

The following summarises the significant methods and assumptions used in estimating the fair values of financial assets and liabilities of the Group.

Non-derivative financial liabilities (non-current)

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date. For lease liabilities and loans and borrowings, the market rate of interest is determined by reference to similar lease and loan agreements, respectively.

Fair value measurement of financial instruments

The carrying values of variable rate bank loans approximate their fair values as disclosed in Note 18 to the financial statements. The carrying amounts of financial assets and liabilities with a maturity of less than one year (including trade and other receivables, cash and cash equivalents, trade and other payables, and borrowings) approximate their fair values because of the short period to maturity.

The inputs are categorised into three levels within a fair value hierarchy as follows:

- Level 1 : quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 : inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 : unobservable inputs for the asset or liability.

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

34 FAIR VALUE MEASUREMENT (Cont'd)

The Group determines fair values of various financial assets in the following manner:

Fair value of the Group's and Company's financial assets that are measured at fair value on a recurring basis

Some of the Group's financial assets are measured at fair value at the end of each financial year. The following table gives information about how the fair values of these financial assets are determined (in particular, the valuation technique(s) and inputs used).

	Fair value		Fair value hierarchy	Valuation technique and key input
	2025	2024		
	\$'000	\$'000		
The Group				
Investments at FVTPL:				
- Quoted debt investments	6,927	6,810	Level 1	Redemption value quoted by financial institutions with reference to the expected return of underlying assets
- Quoted equity securities	692	635	Level 1	Quoted bid prices in an active market.
Investments at FVTOCI:				
- Quoted debt investments	-	250	Level 1	Quoted bid prices in an active market.
- Unquoted equity investments	260	-	Level 3	Net asset value of the underlying unquoted equity shares
<hr/> <hr/>				
The Company				
Investments at FVTPL:				
- Quoted investments	5,242	5,064	Level 1	Redemption value quoted by financial institutions with reference to the expected return of underlying assets
<hr/> <hr/>				

There were no significant unobservable inputs nor transfers between the levels of the fair value hierarchy during the financial year

NOTES TO THE FINANCIAL STATEMENTS

For the financial year ended 30 September 2025

35 CAPITAL MANAGEMENT

The Group's and the Company's objectives when managing capital are:

- (a) To safeguard the Group's and the Company's ability to continue as a going concern;
- (b) To support the Group's and the Company's stability and growth; and
- (c) To provide capital for the purpose of strengthening the Group's and the Company's risk management capability.

The Group and the Company actively and regularly review and manage its capital structure to ensure optimal capital structure and shareholder returns, taking into consideration the future capital requirements of the Group and the Company and capital efficiency, prevailing and projected profitability, projected operating cash flows, projected capital expenditures and projected strategic investment opportunities. The Group and the Company currently do not adopt any formal dividend policy.

The Group and the Company monitor capital using Gearing Ratio, which is net debt divided by total equity attributable to owners of the Company. Net debt represents total borrowings less cash and cash equivalents.

There were no changes in the Group's and the Company's approach to capital management during the year.

	The Group		The Company	
	2025	2024	2025	2024
	\$'000	\$'000	\$'000	\$'000
Lease liabilities (Note 17)	52,891	22,872	–	–
Bank borrowings (Note 18)	7,575	12,798	1,040	2,060
Cash and cash equivalents (Note 4)	(37,541)	(46,383)	(2,123)	(2,191)
Net debt (A)	22,925	(10,713)	(1,083)	(131)
Equity attributable to owners of the Company (B)	54,521	52,312	49,595	55,674
Net debt to total capital ratio (A)/(B)	42%	#	#	#

Not applicable as the Group and the Company were in net cash positions.

Notes:

- (1) Kok Sing Realty (Pte) Ltd has more than 20.0% interest in JBO Holdings Pte. Ltd.. Kok Sing Realty (Pte) Ltd is deemed interested in the 292,044,265 shares held by JBO Holdings Pte. Ltd. by virtue of Section 7 of the Companies Act 1967 (Singapore). The shareholders of Kok Sing Realty (Pte) Ltd comprise (i) Ang Hon Nam; (ii) Nyeo Sai Joo; (iii) Ang Kiam Meng; (iv) Ang Cheau Hoon; (v) Christina Kong Chwee Huan; (vi) Wendy Ang Chui Yong; and (vii) Ang Kiam Lian, each of whom holds an equal proportion of shares in Kok Sing Realty (Pte) Ltd.
- (2) Kuang Ming Investments Pte. Limited has a direct interest in 66,201,500 shares. Tan Kim Choo has more than 20.0% interest in Kuang Ming Investments Pte. Limited and is therefore deemed to be interested in the 66,201,500 shares in which Kuang Ming Investments Pte. Limited has an interest.
- (3) Kuang Ming Investments Pte. Limited has a direct interest in 66,201,500 shares. Ng Chee Tat Philip has more than 20.0% interest in Kuang Ming Investments Pte. Limited and is therefore deemed to be interested in the 66,201,500 shares in which Kuang Ming Investments Pte. Limited has an interest.

PUBLIC FLOAT

Based on the information available to the Company as at 12 December 2025, approximately 23.6% of the total number of issued shares in the Company was held in the hands of the public as defined in the Catalist Rules. Accordingly, Rule 723 of the Catalist Rules has been complied with.

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the annual general meeting (“**AGM**”) of JUMBO GROUP LIMITED (the “**Company**”) will be held at 190 Keng Lee Road, Chui Huay Lim Club, Singapore 308409 on Monday, 26 January 2026 at 9.00 a.m. for the following purposes:

AS ORDINARY BUSINESS

1. To receive and adopt the Directors’ Statement and Audited Financial Statements for the financial year ended 30 September 2025 (“**FY2025**”) together with the Auditors’ Report thereon. **(Resolution 1)**
2. To declare a final tax-exempt (one-tier) dividend of 0.25 Singapore cent per share and a special tax-exempt (one-tier) dividend of 0.50 Singapore cent per share for FY2025. **(Resolution 2)**
3. To re-elect the following Directors who are retiring pursuant to Regulations 88 and 89 of the Constitution:

Mr. Ang Kiam Meng	(Regulation 89)	[See Explanatory Note (i)]	(Resolution 3)
Ms. Sim Yu Juan Rachel	(Regulation 89)	[See Explanatory Note (ii)]	(Resolution 4)
Mr. Chan Hock Keng	(Regulation 88)	[See Explanatory Note (iii)]	(Resolution 5)
4. To approve the payment of Directors’ fees of up to S\$207,000 for the financial year ending 30 September 2026, payable quarterly in arrears. (FY2025: S\$207,000) **(Resolution 6)**
5. To re-appoint Messrs. Foo Kon Tan LLP as the Auditors of the Company and to authorise the Directors to fix their remuneration. **(Resolution 7)**
6. To transact any other ordinary business which may properly be transacted at an AGM.

AS SPECIAL BUSINESS

To consider and if thought fit, to pass the following resolutions as Ordinary Resolutions, with or without any modifications:

*All capitalised terms used in Resolutions 8 to 11 and the corresponding Explanatory Notes shall, unless expressly defined herein or the context otherwise requires, have the same meanings ascribed to them in the circular dated 9 January 2026 issued by the Company (the “**Circular**”).*

7. **Authority to allot and issue shares in the capital of the Company - Share Issue Mandate**

“That, pursuant to Section 161 of the Companies Act 1967 (Singapore) (the “**Companies Act**”), the Constitution and the Listing Manual of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) Section B: Rules of Catalist (“**Catalist Rules**”), the board of directors of the Company (“**Board**” or “**Directors**”) be and is hereby authorised to:

- (i) issue shares of the Company (“**Shares**”) whether by way of rights, bonus or otherwise; and/or

NOTICE OF ANNUAL GENERAL MEETING

- (ii) make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into Shares, at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and
- (iii) issue Shares in pursuance of any Instrument made or granted by the Directors while this authority is in force (notwithstanding that such issue of Shares pursuant to the Instrument may occur after the expiration of the authority contained in this resolution), provided that:
 - (A) the aggregate number of Shares issued pursuant to such authority (including Shares to be issued in pursuance of the Instruments made or granted pursuant to this resolution) does not exceed 100.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company (as calculated in accordance with sub-paragraph (B) below), of which the aggregate number of Shares to be issued other than on a *pro rata* basis to the then existing shareholders of the Company (“**Shareholders**”) (including Shares to be issued in pursuance of Instruments made or granted pursuant to this authority) does not exceed 50.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company (as calculated in accordance with sub-paragraph (B) below);
 - (B) (subject to such manner of calculation and adjustment as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of Shares that may be issued under sub-paragraph (A) above, the total number of issued Shares shall be based on the total number of issued Shares in the capital of the Company (excluding treasury shares and subsidiary holdings, if any) at the time of the passing of this resolution, after adjusting for:
 - (a) new Shares arising from the conversion or exercise of convertible securities;
 - (b) (where applicable) new Shares arising from exercising share options or vesting of share awards outstanding or subsisting at the time this authority is passed, provided the options or awards were granted in compliance with the Catalist Rules; and
 - (c) any subsequent bonus issue, consolidation or sub-division of Shares;
 - (C) in exercising the authority conferred by this resolution, the Company shall comply with the provisions of the Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST) and the Constitution for the time being in force; and
 - (D) (unless revoked or varied by the Company in general meeting), the authority conferred by this resolution shall continue in force until the conclusion of the next AGM or the date by which the next AGM is required by law to be held, whichever is the earlier.”

(Resolution 8)

[See Explanatory Note (iv)]

NOTICE OF ANNUAL GENERAL MEETING

8. **Authority to allot and issue Shares under the Jumbo Employee Share Option Scheme**

“That pursuant to Section 161 of the Companies Act, the Directors be and are hereby authorised and empowered to grant options in accordance with the Jumbo Employee Share Option Scheme (“**Share Option Scheme**”) and allot and issue from time to time such number of Shares in the capital of the Company to the holders of options granted by the Company under the Share Option Scheme established by the Company upon the exercise of such options in accordance with the terms and conditions of the Share Option Scheme, provided always that the aggregate number of Shares issued and/or issuable pursuant to the Share Option Scheme, the Performance Share Plan (as defined below) and any other share based incentive schemes of the Company shall not exceed 15.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company from time to time; and that such authority shall, unless revoked or varied by the Company in a general meeting, continue in force until the conclusion of the next AGM or the date by which the next AGM is required by law to be held, whichever is earlier.” **(Resolution 9)**

[See Explanatory Note (v)]

9. **Authority to allot and issue Shares under the Jumbo Performance Share Plan**

“That pursuant to Section 161 of the Companies Act, the Directors be and are hereby authorised and empowered to grant awards in accordance with the Jumbo Performance Share Plan (“**Performance Share Plan**”) and allot and issue from time to time such number of Shares in the capital of the Company to the holders of awards granted by the Company under the Performance Share Plan established by the Company upon the vesting of such share awards in accordance with the terms and conditions of the Performance Share Plan, provided always that the aggregate number of Shares issued and/or issuable pursuant to the Share Option Scheme, the Performance Share Plan and any other share based incentive schemes of the Company shall not exceed 15.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company from time to time; and that such authority shall, unless revoked or varied by the Company in a general meeting, continue in force until the conclusion of the next AGM or the date by which the next AGM is required by law to be held, whichever is earlier.” **(Resolution 10)**

[See Explanatory Note (vi)]

10. **The proposed renewal of the Share Buyback Mandate**

“That:

- (i) for the purposes of the Companies Act, the exercise by the Directors of all the powers of the Company to purchase or otherwise acquire Shares not exceeding in aggregate the Prescribed Limit (as defined herein), at such price(s) as may be determined by the Directors from time to time up to the Maximum Price (as defined herein), whether by way of:
 - (A) on-market purchases, transacted on the SGX-ST through the SGX-ST’s trading system or, as the case may be, any other securities exchange on which the Shares may, for the time being, be listed (“**Market Purchase**”); and/or

NOTICE OF ANNUAL GENERAL MEETING

- (B) off-market purchases (if effected otherwise than on the SGX-ST) in accordance with an equal access scheme(s) which shall satisfy all the conditions prescribed by the Companies Act and the Catalist Rules, as may be determined or formulated by the Directors as they may consider fit (“**Off-Market Purchase**”),

and otherwise in accordance with all other laws, regulations and the Catalist Rules as may for the time being be applicable, be and is hereby authorised and approved generally and unconditionally (the “**Share Buyback Mandate**”);

- (ii) the authority conferred on the Directors pursuant to the Share Buyback Mandate may be exercised by the Directors at any time and from time to time during the period commencing from the date of passing of this resolution and expiring on the earliest of:

- (A) the date on which the next AGM is held or required by law to be held;
- (B) the date on which the Share Buybacks have been carried out to the full extent mandated under the Share Buyback Mandate; or
- (C) the date on which the authority contained in the Share Buyback Mandate is varied or revoked by Shareholders in a general meeting,

(the “**Relevant Period**”);

- (iii) in this resolution:

“**Prescribed Limit**” means 10.0% of the total number of issued Shares of the Company (excluding treasury shares and subsidiary holdings, if any) as at the date of passing of this resolution, unless the Company has effected a reduction of its share capital in accordance with the applicable provisions of the Companies Act, at any time, during the Relevant Period, in which event the total number of issued Shares shall be taken to be the total number of issued Shares as altered, excluding any treasury shares and subsidiary holdings (if any), that may be held by the Company from time to time;

“**Maximum Price**” in relation to a Share to be purchased or acquired, means the purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) not exceeding:

- (A) in the case of a Market Purchase, 105.0% of the Average Closing Price (as defined herein); and
- (B) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120.0% of the Average Closing Price, where:

“**Average Closing Price**” means the average of the closing market prices of the Shares over the last five (5) Market Days on which the Shares are transacted on Catalist or, as the case may be, such securities exchange on which the Shares are listed or quoted, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the Catalist Rules, for any corporate action that occurs after the relevant 5-day period; and

NOTICE OF ANNUAL GENERAL MEETING

“**date of the making of the offer**” means the date on which the Company makes an offer for the Share Buybacks from Shareholders, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase; and

- (iv) the Directors be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they may consider expedient or necessary to give effect to the transactions contemplated by this resolution.” **(Resolution 11)**

BY ORDER OF THE BOARD

Fiona Lim Pei Pei
Secretary
Singapore, 9 January 2026

Explanatory Notes:

- (i) Detailed information on Mr. Ang Kiam Meng can be found in the Company’s FY2025 Annual Report. Mr. Ang Kiam Meng, if re-elected as Director, will remain as the Executive Chairman and Group CEO of the Company. Mr. Ang Kiam Meng is the brother of Mrs. Christina Kong Chwee Huan (Executive Director and Group COO). Save as disclosed in the Company’s FY2025 Annual Report, Mr. Ang Kiam Meng has no other relationship with the Company, its related corporations, its substantial Shareholders or its officers.
- (ii) Detailed information on Ms. Sim Yu Juan Rachel can be found in the Company’s FY2025 Annual Report. Ms. Sim Yu Juan Rachel, if re-elected as Director, will remain as the Non-Executive Director of the Company. Ms. Sim Yu Juan Rachel has no relationship with the Company, its related corporations, its substantial Shareholders or its officers.
- (iii) Detailed information on Mr. Chan Hock Keng can be found in the Company’s FY2025 Annual Report. Mr. Chan Hock Keng, if re-elected as Director, will remain as Independent Director of the Company, Chairman of the Nominating Committee, and a member of the Audit Committee and the Remuneration Committee respectively, and shall be considered independent for the purposes of Rule 704(7) of the Catalyst Rules. Mr. Chan Hock Keng has no relationship with the Company, its related corporations, its substantial Shareholders or its officers.
- (iv) The Ordinary Resolution 8 proposed in item 7 above, if passed, will empower the Directors to issue Shares, make or grant instruments convertible into Shares and to issue Shares pursuant to such instruments, up to a number not exceeding, in total, 100.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company, of which up to 50.0% may be issued other than on a *pro-rata* basis to Shareholders.

For determining the aggregate number of Shares that may be issued, the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) will be calculated based on the total number of issued Shares (excluding treasury shares and subsidiary holdings, if any) in the capital of the Company at the time the Ordinary Resolution 8 is passed after adjusting for new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time when the Ordinary Resolution 8 is passed and any subsequent bonus issue, consolidation or subdivision of Shares.

- (v) The Ordinary Resolution 9 proposed in item 8 above, if passed, will empower the Directors, to allot and issue such number of fully paid Shares upon the exercise of such options in accordance with the provisions of the Share Option Scheme.
- (vi) The Ordinary Resolution 10 proposed in item 9 above, if passed, will empower the Directors, to allot and issue such number of fully paid Shares upon the vesting of such awards in accordance with the provisions of the Performance Share Plan.

NOTICE OF ANNUAL GENERAL MEETING

Additional Notes on Arrangements for the AGM:

Format of AGM

- (1) The AGM will be held in a wholly physical format at 190 Keng Lee Road, Chui Huay Lim Club, Singapore 308409 on Monday, 26 January 2026 at 9.00 a.m. There will be no option for members to participate virtually.

Appointment of Proxy(ies)

- (2) Shareholders who are unable to attend the AGM and who wish to appoint a proxy or proxies to attend and vote on their behalf should complete, sign and return the duly executed proxy form attached to the Notice of AGM to the Company in the following manner:
 - (a) if submitted by post, be deposited at the office of the Company's Share Registrar, Boardroom Corporate & Advisory Services Pte Ltd, at 1 Harbourfront Avenue, #14-07 Keppel Bay Tower, Singapore 098632; or
 - (b) if submitted electronically, be submitted via email to the Company's Share Registrar at srs.proxy@boardroomlimited.com,in either case, not less than 72 hours before the time appointed for holding the AGM.
- (3) A proxy need not be a shareholder of the Company. A Shareholder may choose to appoint the Chairman of the AGM as his/her/its proxy.
- (4) Shareholders holding shares through a relevant intermediary as defined in Section 181 of the Companies Act (other than SRS investors) who wish to vote at the AGM should approach their respective relevant intermediary as soon as possible in order to make the necessary arrangements.
- (5) SRS investors may vote at the AGM if they are appointed as proxies by their respective SRS Operators, and should approach their respective SRS Operators if they have any queries regarding their appointment as proxies.
- (6) Shareholders who hold their shares through a relevant intermediary as defined in Section 181 of the Companies Act (including SRS investors and holders under depository agents) and who wish to exercise their votes by appointing the Chairman of the AGM as proxy should approach their respective relevant intermediaries (including their respective SRS approved banks or depository agents) to submit their voting instructions by 5.00 p.m. on 14 January 2026, being seven (7) working days before the date of the AGM.

Submission of Questions

- (7) If a member wishes to submit questions related to the resolutions tabled for approval at the AGM, all questions must be submitted no later than 9.00 a.m. on Monday, 19 January 2026 through any of the following means:
 - (a) if submitted by post, be deposited at the office of the Company's Share Registrar, Boardroom Corporate & Advisory Services Pte Ltd, at 1 Harbourfront Avenue, #14-07 Keppel Bay Tower, Singapore 098632; or
 - (b) if submitted electronically, be submitted via email to the Company's Share Registrar at srs.proxy@boardroomlimited.com.

When submitting questions by post or via email, Shareholders should also provide the following details: (i) the Shareholder's full name; (ii) the Shareholder's address; and (iii) the manner in which the Shareholder holds shares in the Company (e.g. via CDP or SRS), for verification purposes.

- (8) Alternatively, a member may also ask questions during the AGM.
- (9) The Company will endeavour to address relevant and substantial questions (as may be determined by the Company in its sole discretion) received before and during the AGM, at the AGM. Where substantially similar questions are received, the Company will consolidate such questions and consequently not all questions will be individually addressed. The Company will publish the responses to such questions together with the minutes of the AGM on SGXNET and the Company's website within one (1) month after the date of the AGM.

Access to Documents

- (10) The following documents are made available to members on 9 January 2026 together with this Notice of AGM via SGXNET and on the Company's corporate website:
 - (a) the FY2025 Annual Report;
 - (b) the Proxy Form in relation to the AGM; and
 - (c) the Circular.

NOTICE OF ANNUAL GENERAL MEETING

- (11) Printed copies of this Notice of AGM and the Proxy Form in relation to the AGM will be sent to members. A member may request for printed copies of the FY2025 Annual Report and/or the Circular by submitting a request to the Company's Share Registrar, Boardroom Corporate & Advisory Services Pte Ltd, via email to srs.requestform@boardroomlimited.com by 5.00 p.m. on 19 January 2026. To be valid, the request must:
- (a) specify "Request for Printed Copy of JUMBO Group Limited FY2025 Annual Report/Circular" as the subject of the email; and
 - (b) state the following details:
 - (i) the Shareholder's full name;
 - (ii) the Shareholder's address; and
 - (iii) the manner in which the Shareholder holds shares in the Company (e.g. via CDP or SRS), for verification purposes.

Personal Data Privacy:

By attending the AGM and/or any adjournment thereof or submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing and administration by the Company (or its agents or service providers) of proxies and/or representatives appointed for the AGM and/or any adjournment thereof and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM and/or any adjournment thereof, and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "**Purposes**"), (ii) warrants that where a member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

ADDITIONAL INFORMATION ON DIRECTORS SEEKING RE-ELECTION

Mr. Ang Kiam Meng, Mr. Chan Hock Keng and Ms. Sim Yu Juan Rachel are Directors seeking re-election at the forthcoming AGM to be convened and held by way of electronic means on 26 January 2026 (collectively, the “Retiring Directors”).

Pursuant to Rule 720(5) of the Catalist Rules, the information relating to the Retiring Directors as set out in Appendix 7F of the Catalist Rules, is as set out below:

JUMBO GROUP LIMITED

(Company Registration Number 201503401Z)
(Incorporated in the Republic of Singapore)

PROXY FORM

(Please see notes overleaf before completing this form)

IMPORTANT

1. A relevant intermediary may appoint more than two (2) proxies to attend the AGM and vote (please see Note 3 for the definition of "relevant intermediary").
2. This proxy form is not valid for use by SRS investors and shall be ineffective for all intents and purposes if used or purported to be used by them. Such investors should approach their relevant intermediary as soon as possible to specify voting instructions. SRS investors should approach their respective SRS Operators at least seven (7) working days before the AGM to ensure their votes are submitted.
3. PLEASE READ THE NOTES TO THE PROXY FORM.

I/We, _____ (name), *NRIC/Passport No./Company Registration No. _____

of _____ (address)

being a *member/members of JUMBO GROUP LIMITED (the "**Company**") hereby appoint: –

Name	Address	NRIC/Passport Number	Proportion of Shareholdings	
			No. of Shares	%

and/or (delete as appropriate)

Name	Address	NRIC/Passport Number	Proportion of Shareholdings	
			No. of Shares	%

or failing *him/her/them, the Chairman of the annual general meeting ("**AGM**") as *my/our *proxy/proxies to attend, speak and vote for *me/us on *my/our behalf at the AGM of the Company to be held at 190 Keng Lee Road, Chui Huay Lim Club, Singapore 308409 on Monday, 26 January 2026 at 9.00 a.m. and at any adjournment thereof.

*I/We direct *my/our *proxy/proxies to vote for or against or to abstain from voting on the resolutions to be proposed at the AGM as indicated below. If no specific direction as to voting on the resolutions are given, or in the event of any other matter arising at the AGM and at any adjournment thereof, the *proxy/proxies will vote or abstain from voting at *his/her/their discretion.

If you wish to exercise all your votes "For" or "Against" a Resolution, please tick [✓] within the "For" or "Against" box provided. Alternatively, please indicate the number of votes "For" or "Against" the relevant Resolution.

If you wish to abstain from voting on a Resolution, please tick [✓] within the "Abstain" box provided. Alternatively, please indicate the number of votes in the "Abstain" box for the relevant Resolution. The votes will not be counted in computing the required majority on a poll.

No.	Description of Resolutions	For	Against	Abstain
1.	Adoption of Directors' Statement and Audited Financial Statements for the financial year ended 30 September 2025 (" FY2025 ") together with the Auditors' Report thereon.

Total Number of Shares Held

Signature(s) of Shareholder(s)
or, Common Seal of Corporate Shareholder

IMPORTANT: PLEASE READ NOTES OVERLEAF

Notes:

1. A member of the Company entitled to attend and vote at the AGM is entitled to appoint one or two proxy/proxies to attend and vote in his/her stead.
2. Where a member appoints more than one proxy, the proportion of the shareholding to be represented by each proxy shall be specified in this proxy form. If no proportion is specified, the Company shall be entitled to treat the first named proxy as representing the entire shareholding and any second named proxy as an alternate to the first named or at the Company's option to treat this proxy form as invalid.
3. A member who is a relevant intermediary entitled to attend and vote at the AGM is entitled to appoint more than two (2) proxies to attend and vote at the AGM instead of such member, but each such proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member appoints more than two (2) proxies, the appointments shall be invalid unless the member specifies the number of shares in relation to which each proxy has been appointed. "Relevant intermediary" has the meaning ascribed to it in Section 181 of the Companies Act 1967 of Singapore.
4. A proxy need not be a member of the Company.
5. Please insert the total number of shares held by you. If you have shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act 2001 of Singapore), you should insert that number of shares. If you have shares registered in your name in the Register of Members of the Company, you should insert that number of shares. If you have shares entered against your name in the Depository Register and shares registered in your name in the Register of Members, you should insert the aggregate number of shares. If no number is inserted, this proxy form will be deemed to relate to all the shares held by you.
6. This proxy form must be submitted to the Company in the following manner:
 - (i) if submitted by post, be deposited at the office of the Company's Share Registrar, Boardroom Corporate & Advisory Services Pte Ltd, at 1 Harbourfront Avenue, #14-07 Keppel Bay Tower, Singapore 098632; or
 - (ii) if submitted electronically, be submitted via email to the Company's Share Registrar at srs.proxy@boardroomlimited.com,in either case, not less than **72 hours** before the time appointed for holding the AGM.
7. This proxy form must be under the hand of the appointor or of his/her attorney duly authorised in writing. Where this proxy form is executed by a corporation, it must be executed either under its common seal or under the hand of its attorney or a duly authorised officer.
8. Where this proxy form is signed on behalf of the appointor by an attorney, the letter or power of attorney or a duly certified copy thereof must (failing previous registration with the Company) be lodged with this proxy form, failing which this proxy form shall be treated as invalid.

General:

The Company shall be entitled to reject a proxy form which is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified on the proxy form. In addition, in the case of shares entered in the Depository Register, the Company may reject a proxy form if the member, being the appointor, is not shown to have shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the AGM, as certified by The Central Depository (Pte) Limited to the Company.

Personal Data Privacy:

By attending the AGM and/or any adjournment thereof or submitting an instrument appointing a proxy(ies) and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the Notice of AGM dated 9 January 2026.
